Emergency Declaration

On March 10, 2020, Colorado Governor Jared Polis verbally declared a disaster emergency pursuant to the Colorado Disaster Emergency Act due to the presence of COVID-19 in the state. Executive Order D 2020-003 memorialized this declaration a day later. A disaster emergency allows the Governor to activate authorities and resources that are unavailable in non-emergencies and specifically authorizes the administration to take steps, such as suspending certain statutes, rules, and regulations, to limit the spread of COVID-19.

The Governor has extended the order declaring a disaster emergency 20 times: D 2020-018, D 2020-032, D 2020-058, D 2020-076, D 2020-109, D 2020-125, D 2020-152, D 2020-176, D 2020-205, D 2020-234, D 2020-258, D 2020-264, D 2020-268, D 2020-284, D 2020-290, D 2020-296, D 2021-009, D 2021-022, D 2021-028, D 2021-045 (in effect until 3/15/2021).

Executive Orders

Since the declaration of a disaster emergency, Governor Polis has issued approximately 350 executive orders in response to COVID-19. Executive orders typically expire after 30 days. Approximately 50 of the Governor's orders establish a directive or suspend statute, with the majority of the others extending or amending the initial orders.

The executive orders are summarized by topic in alphabetical order below.

Alternate care sites. Executive Order D 2020-071 allows the operation of alternate care sites across the state in the event COVID-19 overwhelms hospital resources. Extensions and related orders: D 2020-107, D 2020-137, D 2020-163, D 2020-189, D 2020-218, D 2020-244, D 2020-275, D 2021-006, D 2021-034 (in effect until 3/2/2021).

Ballot petitions (expired August 10, 2020). Executive Orders D 2020-065 and D 2020-103 authorized the Colorado Secretary of State to establish temporary rules to permit signature gathering for ballot initiatives by mail and email. The executive orders also suspended Colorado law that required signatures to be submitted within six months after ballot language is finalized and instead allowed signatures to be submitted by the deadline set in the constitution, which was August 3, 2020.

The Colorado Supreme Court, however, ruled that the Governor cannot suspend constitutional requirements by executive order, thereby requiring initiative proponents to gather signatures in person. In response, Executive Order D 2020-128 deleted sections of the previous order concerning signature gathering, but left in the one regarding the August 3 deadline.

Candidate petitions (expired July 28, 2020). Executive Order D 2020 053 extended the date that unaffiliated and independent candidates may begin collecting signatures. Extensions and related orders: D 2020-085, D 2020-119, D 2020-148.

Executive Orders D 2020-293 and D 2021-026 redirects remaining state fund balances on Communities that Care-related contracts between CDPHE and local public health agencies for COVID-19 response activities (in effect until 2/27/2021).

COVID-19 dial framework. Executive Order D 2020-235 combines the Protect Our Neighbors, Safer at Home in the Vast, Great Outdoors, and Stay at Home directives into one framework called the dial. The framework puts each county into one of five dial levels based on the number of COVID-19 cases and hospitalizations, percentage of tests coming back positive, and whether these measures are improving or getting worse. Executive Orders D 2020-005 and D 2020-008 direct the Secretary of State to amend rules to limit in-person contact during elections to allow the 2020 Primary Election to proceed without interruption. The Secretary of State was also authorized to adopt rules to provide necessary guidance for conducting elections during a public health emergency.
