

SB25-183 be amended as follows:

1 Amend printed bill, page 6, after line 4 insert:

2                   **"SECTION 8. Appropriation - adjustments to 2025 long bill.**

3                   (1) To implement this act, appropriations made in the annual general  
4                   appropriation act for the 2025-26 state fiscal year to the department of  
5                   health care policy and financing are adjusted as follows:

6                   (a) The general fund appropriation for medical and long-term care  
7                   services for medicaid eligible individuals is decreased by \$1,415,236,  
8                   which amount is subject to the "(M)" notation as defined in the annual  
9                   general appropriation act for the same fiscal year;

10                   (b) The decrease of the appropriations in subsection (1)(a) of this  
11                   section is based on the assumption that the anticipated amount of federal  
12                   funds received for medical and long-term care services for medicaid  
13                   eligible individuals will decrease by \$1,576,048.

14                   (c) The general fund appropriation for children's basic health plan  
15                   medical and dental costs is decreased by \$36,669;

16                   (d) The cash funds appropriation from the healthcare affordability  
17                   and sustainability fee cash fund created in section 25.5-4-402.5 (5)(a),  
18                   C.R.S., for children's basic health plan medical and dental costs is  
19                   decreased by \$41,650; and

20                   (e) The decrease of the appropriations in subsection (c) of this  
21                   section is based on the assumption that the anticipated amount of federal  
22                   funds received for children's basic health plan medical and dental costs  
23                   will decrease by \$145,449.

24                   (2) For the 2025-26 state fiscal year, \$2,928,800 is appropriated  
25                   to the department of health care policy and financing for use for other  
26                   medical services. This appropriation is from the general fund. To  
27                   implement this act, the department may use this appropriation for abortion  
28                   care.".

29                   Renumber succeeding sections accordingly.

30                   Page 1, line 102, strike "SERVICES." and substitute "SERVICES, AND, IN  
31                   CONNECTION THEREWITH, MAKING AN APPROPRIATION."
