

SENATE COMMITTEE OF REFERENCE AMENDMENT

Committee on Health & Human Services.

SB23-002 be amended as follows:

- 1 Amend printed bill, page 2, after line 3 insert:
 - 2 "(a) The American Public Health Association defines "community
 - 3 health worker" as a frontline public health worker who is a trusted
 - 4 member of, and has a close understanding of, the community that worker
 - 5 serves. This trusting relationship enables the worker to serve as a liaison
 - 6 between health and social services and improve the quality and cultural
 - 7 competence of service delivery. "Community health worker" is meant to
 - 8 be an umbrella term for individuals who may go by many names, such as
 - 9 health promoters, community outreach workers, promotores de salud,
 - 10 health navigators, and patient navigators."
- 11 Reletter succeeding paragraphs accordingly.
- 12 Page 3, line 21, after the period add "Community health worker
- 13 interventions improve patient self-efficacy, quality of life, adherence to
- 14 medical care, and satisfaction with care for individuals with kidney
- 15 failure."
- 16 Page 3, after line 24 insert:
 - 17 "(j) Community health workers include violence prevention
 - 18 professionals who may be employed by hospital-based violence
 - 19 intervention programs. These workers identify and target risk factors of
 - 20 violence, then link program participants with hospital and
 - 21 community-based resources. The rate of hospital readmission for
 - 22 participants who engaged in these programs was reduced by 50 percent,
 - 23 with an accrued savings of \$32,000, a tenfold reduction."
