1 Division, at Fort Carson, into the 16th ABCT to be stationed at Fort  
2 Carson; and

3 WHEREAS, Converting the existing unit at Fort Carson from an  
4 IBCT to an ABCT and stationing that ABCT at Fort Carson is the most

6 would not require new construction or significant renovation to house the  
7 ABCT, as the facilities already boast the infrastructure required for  
8 sustaining the unit; Fort Carson's training sites are unrivaled; and, because  
9 the Army conducted an Environmental Impact Statement on the
