*Related Budget Information*

The Legislative Council Staff Fiscal Note dated March 8, 2021 indicates that the costs associated with this bill are expected to be funded from the Healthy Forests and Vibrant Communities Fund, which is continuously appropriated to the Colorado State Forest Service at Colorado State

University. Under current law, this fund receives annual transfers of up to \$1.305 million from Tier 2 Severance Tax funds. These Severance Tax transfers are not expected to be available in FY 2021-22. However, the FY 2021-22 Long Bill includes an appropriation of \$2,000,000 General Fund for the Healthy Forests and Vibrant Communities Fund. This analysis reflects the assumption that the costs associated with this bill will be supported within these resources.
