trust fund. State funding for this benefit discontinued in 1997 based on an assumption that the last payment had fully funded all of the benefits to be paid. Based on a current actuarial analysis, however, there is a shortfall in the trust fund. The bill requires the state treasurer to pay \$33.191 million from the general fund to the fire and police pension association for it to deposit into the trust fund so that there will be sufficient money to pay future death and disability benefits to these members.
