RE: My resignation from the State Senator position for Senate District 6, effective December 31st, 2016

Dear Ms. Ameen:

As we have discussed previously, this letter is written to you as Secretary of the Colorado State Senate. I hereby tender my resignation as state senator for Senate District 6, as of December 31st, 2016.

It has been a great honor and privilege to serve in this capacity and I am very proud of the work that I've been able to accomplish for my district over the past 6 years. That said, it is time for me to make a change and I am confident that the 6th Senate District vacancy committee will provide the district with a very capable and strong Republican leader to complete my term.

Thank you for all of the great help you and your staff have provided to me while in the Colorado Senate.

The text of President Grantham's remarks follow.

Senate in recess.

We, the people of Colorado, with profound reverence for the Supreme Ruler of the Universe, in order to form a more independent and perfect government; establish justice; insure tranquillity; provide for the common defense; promote the general welfare and secure the blessings of liberty to ourselves and our posterity, do ordain and establish this constitution for the State of Colorado.

The preamble to the Constitution of the State of Colorado. Those words were penned by our State Founding Fathers just a little over 140 years ago. Those words laid the foundation for a Bill of Rights and Constitution that has governed this state ever since. While the document itself has undergone numerous changes and additions, these words remain untouched and untainted over that span of time.

Good words. Words that stand the test of time. And why wouldn't they? After all they closely resemble the preamble of our US Constitution, which also continues to stand the test of time.

On this day, prayers have been lifted, songs have been sung, pledges have been recited, and oaths have been uttered to honor the nation, the state, and the documents in which these words are found.

On this day, we also honor those among us without whom none of us could be here. For my part, I would first like to recognize and thank my wife, Caroline. Thank you for all of your tireless support of me all these years! Please welcome her and my children and grandchildren.

I would also like to recognize my parents, and all of my brothers, sisters, nephews and nieces who could make it here for this day.

Let's also show our appreciation for our guests who made the ceremonies this morning very special for all of us: The Colorado National Guard Color Guard, my pastor, David Almanzar, Carl Nelson, and The Legacy Quartet with those stirring renditions of our National Anthem, Battle Hymn, and God Bless America. Thank you all.

Thank you also to President Cadman and Majority Leader Scheffel for your leadership, guidance, mentorship, and so much else. You both leave big shoes to fill and this institution is truly worse off in your absence. You will be sorely missed and we thank you both for your service to this great State.

And to you, Senator Guzman, and your entire leadership team, thank you for stepping up to take on the difficult task of leadership in this chamber. Your gentle spirit and smile are always a welcome respite from the partisan storms that we often encounter. Thank you, Senator.

Thank you, and welcome, to all of the Senators of the 71st General Assembly, all of the holdovers, the crossovers, the do-overs, our re-elected members and our two new members: Senators Fenberg and Smallwood.
And last but not least, will all of the spouses or significant others of our Senators please stand and remain standing. Thank you to each and every one of you for the sacrifices you make every day so that we can be here to serve this state and the people of Colorado. Thank you!

We the people!

Words that still ring with authority! That we still say with reverence! That still ring with the truth of what they represent! Words that acknowledge those who truly represent the power of this government. We the people. Not this legislature. Not the executive or judicial branches, but we the people.

The very first section and many of the subsequent sections of our Colorado Bill of Rights lays out this principle very plainly, that it is we the people.

'Section 1. Vestment of political power. All political power is vested in and derived from the people; all government, of right, originates from the people, is founded upon their will only, and is instituted solely for the good of the whole.'

Section 2 says 'the people of this state have the sole and exclusive right of governing themselves, as a free, sovereign, and independent state…'

Section 3 guarantees 'All persons have certain natural, essential and inalienable rights… including the right of ’defending their lives and liberties; of acquiring, possessing and protecting property…'

Section 4 guarantees the people the right to 'The free exercise and enjoyment of religious profession and worship, without discrimination, shall forever hereafter be guaranteed; and no person shall be denied any civil or political right, privilege or capacity, on account of his opinions concerning religion.'

Section 13 guarantees our right 'to keep and bear arms in defense of home, person and property'

These and so many of the other sections of our Bill of Rights pay homage to the truths for which the Founders of our state and our nation fought, but that we sometimes take for granted. Self-evident truths, the truth that all men are created equal, that they are endowed by their creator with certain unalienable rights like life, liberty, and the pursuit of happiness.

Rights of the people, by the people, for the people. Rights that preserve and protect the dignity and the supremacy of the individual in our uniquely wonderful system: this constitutional, representative, republican form of government. A government which derives its power from the people. It is that elevation of the uniqueness and dignity of the individual that results in foundational principles such as due process and the rule of law, private property rights, self-defense, freedom in the home and workplace, freedom from a government that must inject itself into the most minute recesses of our lives thru abusive rules and regulation.

It is to this end that we strive: to preserve and protect the God-given rights of the individual, the we in we the people, not to grant them, but to fight to ensure them. To fight on their behalf for things like:

- Relief from burdensome, complex taxes
- Relief from the oppressive regulatory burdens placed on the people and businesses of all sizes
- Working towards greater accountability for state agencies in their rule creation process
- Creating more opportunities for parental choice in education
- Equality in school funding
- Reaffirming state budget obligations into truly core governmental functions
- Reaffirming our commitment to protect the taxpayer…the People… from the heavy hand of government reaching into their pockets for more money without their direct permission.

For many of these we may find common ground across the aisle. For others we may not. But that’s okay. There will be discussion. There will be dialogue.

We have already shown over the last two years that working together is not an impossibility. In 2015, we all came together--Republicans and Democrats, Senate and House—to send 367 pieces of legislation to the governor. In 2016, we again came together to send 387 bills to the governor for his signature. Not all bills will make it there, but the discussion continues, the dialogue goes on, and the republic survives.
We have demonstrated in a remarkable fashion our ability to work together on all those areas where we share common interests and goals. We can do it again!

Perhaps one of the most ominous issues facing us today that resonates with both sides of the aisle and to our constituents in all 35 Senate Districts is the problem of the deteriorating condition of our transportation infrastructure and funding to significantly address the problem. The problem is recognized by all. The need to address it is agreed to by all. How to address it remains a topic of discussion and debate. But that discussion is happening and continues to happen.

Our current road and highway infrastructure needs exceed $9 Billion including $3.5 Billion in shovel ready projects on the priority list awaiting funding. With such a significant number of projects waiting for us to act and with such a steep initial price tag to get them started, some creative solutions may be called for…but solutions that respect the priorities on both sides of the aisle and most importantly, the wishes and will of the Colorado taxpayer and voter.

Getting most of these projects underway in a timely manner will require the ability to leverage our revenue streams through Revenue Anticipation Notes, or Bonds. These will require consistent future revenue streams that can be committed to the repayment of the bonds. With the help of our Transportation Committee Chair, Senator Baumgardner (R-Hot Sulphur Springs), we are dedicated to working with the leadership and members of the House of Representatives to arrive at solutions that we can present to the voters of Colorado – solutions that will hold faith with the taxpayers of Colorado and their desire for accountability for their dollars. We must demonstrate to them that, if we are going to ask them for permission to go into debt to fund these projects, and if we are going to ask them for more out of their own pockets to fund these bond payments, then we must also demonstrate the commitment to reprioritize the dollars they’ve already entrusted to us by dedicating existing general fund money…if this is truly a priority. There are yet many details to work out but the potential is great this session for a truly bi-partisan solution to our roads and highway infrastructure funding.

This is not the only area in which we can find bipartisan solutions to a significant problem here in this state: the other is the problem of construction litigation reform and attainable housing.

Years ago, Colorado officials passed a law that makes it nearly impossible to afford new condos, townhomes, and other multi-family housing units. We in this 71st General Assembly have inherited this problem – and we must solve it.

Coloradans agree we must fix this problem and put petty politics behind us to do it. 14 local communities have already passed laws to fix this policy. These are democrats and republicans agreeing to make homeownership easier for our citizens. Speaker of the House Duran and I agree that the General Assembly needs to take the lead with a diverse group who all realize that home ownership is the path to the American dream, and we believe that the few, unreasonable, special interests who oppose the necessary changes will not be able to continue standing in the way of Coloradans who want to own their future by owning their home.

To this end, a diverse and bipartisan group of lawmakers – Senators Scott, Tate, Smallwood, Hill, and Williams, along with Representatives Wist and Garnett -- have taken upon themselves the great task of solving this problem. Again, through this bipartisan collaboration we will be able to solve a problem for all of Colorado.

In addition to these efforts we will also remain committed to reducing the regulatory and bureaucratic hurdles that inhibit business startups, expansions, and relocations. We will continue to work to slow the relentless production of new rules, which average 530 per year, 15,000 pages per year, over the last decade, rules that hamstring our small businesses across this state.

With this in mind, comes Senator Neville’s (R-Littleton) Senate Bill 1, The Regulatory Relief Act of 2017 where we will seek to alleviate the fiscal impact of burdensome regulations on small business. Small businesses will be given a window of time to cure minor operational or administrative violations instead of being immediately issued a fine. The bill will further require the current stakeholder process for rulemaking to solicit input for small businesses on those proposed rules that have potential negative impact on them.
Also to this end, Senator Martinez-Humenik (R-Arvada) is introducing Senate Bill 2. This bill will simplify the rule review process for state agencies by eliminating DORA’s scheduling authority and placing reviews on the standardized 3-year timeline. Ultimately, this legislation will simplify the bureaucracy and ensure timely review of the rules that beleaguer small businesses in all four corners of our state.

Other potential efficiencies in government are available to us in some of our larger agencies. In particular it is time for us to shed some of the dead weight of failed government policy. Senator Smallwood (R-Parker) will introduce Senate Bill 3 which will repeal the Colorado Health Care Exchange. This is long overdue.

To help improve access of our Medicaid recipients to their healthcare providers Senator Tate (R-Evergreen) will introduce Senate Bill 4. Current law prohibits Medicaid enrollees from seeing a provider of their choice because a provider cannot bill a Medicaid enrollee for services provided. This bill expands access to health care by permitting individuals enrolled in Medicaid to seek care at a provider that does not accept Medicaid. This enables individuals to bypass waiting periods, receive better quality care, and access specialty care providers.

In regard to the intersection of public safety, education, and our second amendment rights, Majority Leader Holbert (R-Parker) will be introducing Senate Bill 5. Rather than simply arm teachers and other staff, his bill will ask ‘how much training is required?’ Currently, POST certified law enforcement and private security personnel under contract with a school district or charter school may be armed. POST certification is extensive training, while no training is required for private security. How much training might our county sheriff’s provide before district personnel may be armed on a school campus to protect our kids?

That’s the question that Senator Holbert seeks to answer with Senate Bill 5.

And with Senator Cooke’s (R-Greeley) Senate Bill 6 we will no longer have to tell our 18-20 year old veterans that even though we trust them enough to send them to war to defend us and possibly die for us, that we don’t trust them enough to conceal carry in this state. Senate Bill 6 will fix this egregious error.

All of these ideas, all of these bills are concepts that we can come together on. All of these are problems that we can face together and offer the people of Colorado real solutions. Solutions that both sides of the aisle can participate. Not for ourselves certainly, but for our bosses, our constituents, the citizens of Colorado, ‘...the People’.

We the people!

This is for whom we work. This is what brings all 35 of us together, all 100 of us together in this 71st General Assembly. We won’t always agree, to pretend on this day that we are living that fairy tale does all of us here in this room, and outside of this room, a disservice. But we do agree on some occasions. Occasionally, we agree on many things! This year, maybe it will only be a few things, but my hope, is that those things that we can and will come together on are of such great import and significance that they will truly benefit all Coloradans. We the people.

These are attainable goals – together. If past performance is indicative of future success, then we already know what great things we can accomplish together. This is my reason for optimism, for hope, in the successes that lie before us in these 120 days.

'We the people' are counting on it! Now it’s just time to roll up our sleeves and do it.

Thank you all and God Bless!"

President Grantham recognized Minority Leader Guzman to address the Senate.

Mr. President.

Mr. Majority Leader.

Mr. President Pro Tem.
Mr. Assistant Minority Leader.

Colleagues, Friends, and Family.

It is my honor to welcome you all to this chamber, this morning, as we open the 71st General Assembly.

Most of us electeds have had several years of experience serving in the Senate, but we are fortunate to welcome eleven newly sworn in members:

- Senator Don Coram
- Senator Lois Court
- Senator Stephen Fenberg
- Senator Rhonda Fields
- Senator Bob Gardner
- Senator Daniel Kagan
- Senator Dominick Moreno
- Senator Kevin Priola
- Senator Jim Smallwood
- Senator Angela Williams
- and Senator Rachel Zenzinger

Please join me in welcoming them to the State Senate.

When I began my work in the Senate, I entered in May 2010, in the last few months of the 67th General Assembly. That following January in 2011, I entered the 68th General Assembly, followed by the 69th, the 70th, and now the 71st General Assembly.

As I begin the last years of my Senate career, I cannot help but take a look back at how much our state has changed in six years. Colorado’s population was estimated to be 5,029,324 then, and currently stands at 5,540,545, and growing each month. That’s a 10 percent increase in six years.

Six years ago, our unemployment rate was 8.9%, according to the Bureau of Labor Statistics. As of November 2016, it had fallen to 3.2% -- among the lowest we have seen in years. However, let us not forget that as we’ve seen unemployment drop in these six years, we have seen sharp increases in homelessness among our students, particularly in the Denver, Pueblo, and Mesa County areas.

Six years ago, there was no Colorado Water Plan. It was in 2013 that the Governor issued his Executive Order calling for the Water Conservation Board to create the state’s first ever water plan. Coloradans from the north, to the south, to the east, to the west depend on this precious resource for everything from their farms to their cities. This living document will guide Colorado in protecting and preserving its water for years to come.

Six years ago, our state budget was $18.2 billion. Last year’s budget was $27 billion.

A civil union was not part of the law six years ago. The legalization of retail marijuana had yet to be approved through Amendment 64. The only beer sold in grocery stores was the 3.2% kind.

In these six years, technology has quickly nudged us forward. Entrepreneurs are inspiring and creating new tools that are quickly changing our world. Six years ago, you could never have imagined ordering a car with just a touch on a screen. Who would have thought even six years ago, the 71st General Assembly would be discussing bills relating to the operation of self-driving vehicles.

In these six years, Colorado’s blue collar workforce has gotten older. With that comes the need for young people to be trained and step into to fill these jobs. While visiting Pueblo Community College’s welding program, I got to see how the school is showing Colorado’s young people that you don’t have to attend a four-year college and go into debt to get a good paying job. One welding student I met, 18-year-old Brett Salazar, will graduate in two years with the skills he needs to succeed, and thanks to the program, will enter into a good-paying job at Vestas in Pueblo. Brett’s success shows how important trade schools and community colleges are to training young people to replenish our retiring workforce.

We must also be mindful about how advancements in technology like automation are rapidly changing what jobs need to be filled. Trade schools and community colleges will be important to bridging the gap with the manufacturing world to ensure the “new collar” jobs of tomorrow can be filled with skilled workers.
Agriculture has changed as well. Thanks to Amendment 64’s passage in 2012, farmers in Colorado now grow hemp as a cash crop, with demand growing for its use in making things like paper and clothes. And I know many of you in this chamber have sampled some of Colorado’s renowned craft beers. Not only are we ranked third nationwide in craft beer production, but thanks to Colorado farmers, our country is now the world’s leading producer of hops, surpassing Germany! One thing that has not changed in farming is the dependence upon the weather.

Today, six years later, I am honored to have been chosen by my colleagues to lead the Senate Democratic Caucus, and honored to work with President Grantham and the Senate Republicans to address the many needs and challenges facing our state.

And those challenges are many.

We have been elected to respond to these challenges, and Coloradans expect nothing less from us. We can no longer neglect the need to fund our crumbling infrastructure, nor fail to address the funding needed to repair and build roads and bridges. The American Road and Transportation Builders Association found 521 of Colorado’s bridges to be structurally deficient -- meaning key elements of the structure are considered to be in poor or worse condition! That’s over 500 bridges Colorado families drive on that are falling apart. As our population has grown over these past years, we have seen traffic congestion get worse, and our roads fall into further disrepair with more potholes. The people of Colorado should be able to drive their kids to school and drive to work on safe and reliable roads and bridges. Dollars for transportation means putting people back to work in good paying jobs, and making travel safer.

But we cannot accomplish these feats through proposals that would cut deeply into our already underfunded classrooms, and vital services Coloradans depend upon.

Therefore, I urge us to also consider the option of moving the Hospital Provider Fee into an enterprise fund. As you all know, last year every major newspaper editorial board, business chambers of commerce, and rural groups in Colorado came out publicly in support of moving the Hospital Provider Fee into an enterprise fund. This solution was at our fingertips last year, but partisan lines kept us from getting it done.

Moving the Hospital Provider Fee into an enterprise, in fact, honors the voters’ intent on TABOR, and would not alter the TABOR cap or raise taxes. It would simply isolate the fee, and remove it from the general fund where it was improperly co-mingled in the first place.

As you know, in the Governor’s current proposed budget, we see a $195 million reduction in hospital provider fee collections. That’s $195 million lost in matching federal dollars to hospitals.

Hospitals in rural parts of our state hugely benefit from the federal supplemental money from the hospital provider fee. Last year, rural hospitals paid $45,096,427 in Hospital Provider Fee funds, and actually received $147,542,829 in supplemental federal dollars. These hospitals not only care for so many hardworking families and their children, but they create jobs across the state, allowing hardworking families to stay in the communities they love and call home.

Members: We are not in a position to pick winners and losers by trading the health of our working families for the health of our roads. We can, and should prioritize both, and we have a solution to do that. But we had that solution last year, too. If not this solution, then what? Senate Democrats are willing to listen, but we need to get something done.

Let me remind you, every year, we hear that our legislative session accomplished little. The University of Denver put out a special report on the role and scope and expectations of the state legislature, which puts out that there is a belief lawmakers don’t know or understand how to work in a bipartisan way to get things done for the people of Colorado. This year, let’s work out solutions so we don’t have to choose between the health of our working families and the health of our roads.
For our side of the aisle, a major priority will be protecting the progress Colorado has made in being at the forefront of the new energy economy. We have been extremely fortunate to be a nationwide leader on energy issues. This is in part due to the leadership and vision of our state and nationally elected officials, including U.S. Senators Michael Bennet and Cory Gardner, who supported the federal tax credit for wind and solar, making them a viable option in a competitive market. Our utility companies are taking advantage of these opportunities, and I want to give a shout out to some of these companies, including Tri-State and Xcel Energy, who have invested in renewable energy in ways that benefit our environment, communities, and Colorado’s economy. Not only are renewables like wind and solar cleaner, but they are cheaper to produce and more efficient.

Companies like Xcel and Tri-State have shown that being profitable companies and being good stewards of the environment absolutely go hand in hand. Let me give you another example.

It would take looking back further than just 6 years to understand and appreciate Colorado’s mining history. While there are challenges facing mining industries, Colorado’s economy continues to be enhanced by mining operations today. I was fortunate and delighted to visit the Climax mine in Leadville recently. The mine began its operations in 1918. Its molybdenum is used mainly in steel alloys, and early operations produced the metal for armored battle vehicles in both World Wars.

Climax is an economic giant in the High Country. Summit and Lake Counties have received millions of dollars in tax revenue from Climax since 2012.

The continuing legacy of excellence in environmental stewardship by Climax was celebrated in August, 2014 with the unveiling of their $200 million dollar water treatment plant. The treated water is discharged into Ten Mile Creek, which flows into local fisheries and recreation areas. They are at the forefront of water treatment in the national and international mining industry – proving that mining and care of the environment can stand together.

The Climax mine has completed several multi-million dollar environmental restoration projects where land that was previously affected by mining and mineral processing operations have been restored to a condition that mimics the pre-operations habitat, vegetation, and wildlife ecology.

I have invited Dr. Gail Mizner, and her husband, the President of Climax Mine, Michael Kendrick, to be with us today to accept our appreciation. Michael Kendrick is a graduate of the Colorado School of Mines and Denver University, and has shown through the work Climax mine has done, and continues to do, that industry and the environment can work closely together.

Please join me in thanking him for his service to the management of the mine, and for being one of Colorado’s finest employers. Michael, please stand.

One of our most important goals is keeping Colorado at the forefront of the new energy economy, as it has been for well over a decade since the passage of Colorado’s very own renewable energy standard in 2004. We will support efforts at the state and local levels to conserve our natural environment, and address the economic benefits of wind, solar, and energy efficiency. I would add that there are now more than 62,000 clean energy jobs in Colorado. With the establishment of our Deputy Minority Leader for Conservation, Clean Energy, and Climate Change, we aim to work closely with representatives of all energy industries so we can find bipartisan solutions to the challenges facing Colorado’s energy future. We want to be clear: our intention is not to demote oil and gas, but to promote a formidable renewable energy portfolio, and a sustainable, clean natural environment.

That’s why we, like the vast majority of Coloradans, will continue to hold strong in defending our public lands and ensuring they stay public. Coloradans value these lands as they are part of our heritage and the very soul of our state, and we will not step away from embracing this value.

Our lands are not for sale. Not even to the highest bidder.

Now, I would like to point to another priority Senate Democrats are taking the lead on, and that is addressing the heroin and opioid epidemic, which is not only affecting our present, but our future as well. In this chamber, there’s a good chance the vast majority of you know someone close to you, or in your community, who is battling addiction. In our state, as well as in our entire country, opioid abuse is a serious problem.
The abuse of opioids like heroin, morphine, and prescription pain relieving drugs has been singled out by the Center for Disease Control as one of the top epidemics facing our country. Our state’s health department found that overdose deaths from just one kind of opioid painkiller outnumbered all homicides in Colorado in 2015. 259 people died from overdoses of what health officials call “natural” prescription opioids — drugs like hydrocodone and oxycodone. That compares with 205 people who died from homicide.

We are particularly seeing this problem in Southern Colorado. Southern Colorado is home to only 6% of the state’s population. Meanwhile however, the region represented 18.1% of heroin treatment admissions in 2014. This is a problem that hurts young people, and tears apart communities. That’s why, under the lead of the Assistant Minority Leader, Senate Democrats will be introducing a bill to create a pilot program for Routt and Pueblo counties, two areas experiencing particularly high opioid addiction, to make access to life-saving treatment and care more accessible to those struggling with addiction.

All across this great state of Colorado, there are many challenges. We hear about them, we read about them, and sometimes we experience them firsthand.

Towns losing jobs and people because a mine shuts down or closes.

A farmer’s crop is lost because a flooding creek erodes the land, and takes away the floodgate.

A rural school lacks science and math teachers.

A family grieves the early death of a child killed by a drunk driver.

Families lack healthcare, and are not able to afford the costs of keeping their families on quality health insurance.

But in Colorado, there are many resources to fight the challenges. 35 of them are sitting in this chamber. Some of a community’s greatest assets are its leaders. Leader who listen, who hear the cries of their people or their land. You all are those resources, and I am proud to serve with you.

I started this speech by looking back, and I want to end it by looking back a little further than six years ago.

The class of 1964. That’s my graduating high school class. 43 of us spent 12 years together. Some are gone now. Royce was the first to leave us soon after graduation. He died in the Vietnam War, fighting for his county. Then came Donnie, the second one to leave us. Donnie had polio, and was born with a cleft palate. He was our class clown. He would catch bullfrogs from the creek and hide them in our English teacher’s desk. One day, Donnie told his wife, Margaret, another member of our class, that as he looked back on his 24 years, he saw no reason to keep living. He said he had nothing more to give. Then Donnie took his life with his wife helplessly watching.

A few weeks ago, as we were traveling to Taos for Christmas, I received a message from the daughter of one of my best friends, Mary Ellen. Mary Ellen was at home, moving towards her last hours of life. Her daughter said “She wants to hear your voice.” I called Mary Ellen, and I talked about the stuff we did 52 years ago. Looking back to those times, her daughter said, made Mary Ellen smile, though she could no longer speak.

I wondered later, as I walked through the snow, why am I still here? Then it came to me. The Class of ’64 gave the world farmers, ranchers, bankers, teachers, preachers, butchers, welders, football coaches, nurses, morticians, town pharmacists, and one State Senator. I really don’t know why I am still here, but I do know this: Royce, Donnie, and Mary Ellen. I live on and work on for them, and their children, and their children’s children.

I think that’s what each of us is doing here. Working on, going on, for the people of Colorado, and their children, and their children’s children.

Senate reconvened.

On motion of Majority Leader Holbert, and with the unanimous consent of those elected to the Senate, the remarks of President Grantham and Minority Leader Guzman were ordered spread upon the pages of the journal.

The amount of the fees shall be set by rule of the state health agency. The amount of the fees set pursuant to this section shall reflect the actual direct and indirect costs of the state licensing authority in the administration and enforcement of this article so that the fees avoid exceeding the statutory limit on uncommitted reserves in administrative agency cash funds as set forth in section 24-75-402 (3), C.R.S. Amend engrossed bill, page 40, after line 17 insert:

"SECTION 3. Appropriation to the department of health care"
policy and financing for the fiscal year beginning July 1, 2016. In Session Laws of Colorado 2016, section 11 of chapter 270, (SB 16-199), amend (1) as follows:

Section 11. Appropriation. (1) For the 2016-17 state fiscal year, $225,000 is appropriated to the department of health care policy and financing for use by the executive director's office. This appropriation is from the department of health care policy and financing cash fund created in section 25.5-1-109, C.R.S. To implement this act, the executive director's office may use this appropriation for general professional services and special projects. ANY MONEY APPROPRIATED IN THIS SECTION NOT EXPENDED PRIOR TO JULY 1, 2017, IS FURTHER APPROPRIATED TO THE DEPARTMENT OF HEALTH CARE POLICY AND FINANCING FOR THE 2017-18 STATE FISCAL YEAR FOR THE SAME PURPOSE."

Renumber succeeding sections accordingly.

PURPOSE: Corrects a drafting error. Adds authority that was omitted from the introduced bill for the Department of Health Care Policy and Financing to take an extra year to spend $225,000 cash funds that was donated by providers of the Program for All-inclusive Care for the Elderly (PACE). The money is to develop an alternative payment model for PACE providers pursuant to S.B. 16-199.

"SECTION 1. In Colorado Revised Statutes, add 25.5-4-212 as follows:

25.5-4-212. Medicaid client correspondence improvement process - legislative declaration - definition. (1) The general assembly finds and declares that:

(I) Accurate, understandable, timely, informative, and clear correspondence from the state department is critical to the life and health of Medicaid recipients, and, in some cases, is a matter of life and death for our most vulnerable populations;

(II) Unclear, confusing, and late correspondence from the state department causes an increased workload for the state, counties administering the Medicaid program, and nonprofit advocacy groups assisting clients; and

(III) Government should be a good steward of taxpayers' money, ensuring that it is spent in the most cost-effective manner.

(b) Therefore, the general assembly finds that improving Medicaid client correspondence is critical to the health and safety of Medicaid clients and will reduce unnecessary confusion that requires clients to call counties and the state department or file appeals.

(2) As used in this section, unless the context otherwise requires, "client correspondence" means any communication, the purpose of which is to provide notice of an approval, denial, termination, or change to an individual's Medicaid eligibility; to provide notice of the approval, denial, reduction, suspension, or termination of a Medicaid benefit; or to request additional information that is relevant to an individual's Medicaid eligibility or benefits.

(3) The state department shall improve Medicaid client correspondence by ensuring that client correspondence revised or created after January 1, 2018:

(a) Is written using person-first, plain language;

(b) Is written in a format that includes the date of the correspondence and a client greeting;

(c) Is consistent, using the same terms throughout to the extent practicable including commonly used program names;

(d) Is accurately translated into the second most commonly spoken language in the state if a client indicates that this is the client's written language of preference or as required by law;

(e) Includes a statement translated into the top fifteen languages most commonly spoken by individuals in Colorado with limited English proficiency informing an applicant or client how to seek further assistance in understanding the content of the correspondence;

(f) Clearly conveys the purpose of the client correspondence, the action or actions being taken by the state department or its designated entity, if any, and the specific action or actions that the client must or may take in response to the correspondence;

(g) Includes a specific description of any necessary information or documents requested from the applicant or client;

(h) Includes contact information for client questions; and

(i) Includes a specific and plain language explanation of the basis for the denial, reduction, suspension, or termination of the benefit if applicable.

(4) Subject to the availability of sufficient appropriations and receipt of federal financial participation, the state department shall make electronically available to a client specific and detailed information concerning the client's household composition, assets, income sources, and income amounts, if relevant to a determination for which client
CORRESPONDENCE WAS ISSUED. IF IMPLEMENTED, THE STATE DEPARTMENT SHALL NOTIFY CLIENTS IN THE WRITTEN CORRESPONDENCE OF THE OPTION TO ACCESS THIS INFORMATION.

(5) THE STATE DEPARTMENT IS ENCOURAGED TO PROMOTE THE RECEIPT OF CLIENT CORRESPONDENCE ELECTRONICALLY OR THROUGH MOBILE APPLICATIONS FOR CLIENTS WHO CHOOSE THOSE METHODS OF DELIVERY AS ALLOWED BY LAW.

(6) AS PART OF ITS ONGOING PROCESS TO CREATE AND IMPROVE CLIENT CORRESPONDENCE, TO THE EXTENT PRACTICABLE AND PRIOR TO IMPLEMENTING SIGNIFICANT CHANGES TO CLIENT CORRESPONDENCE, THE STATE DEPARTMENT SHALL ENGAGE WITH EXPERTS IN WRITTEN COMMUNICATION AND PLAIN LANGUAGE TO TEST CLIENT CORRESPONDENCE AGAINST THE CRITERIA SET FORTH IN SUBSECTION (3) OF THIS SECTION WITH A GEOGRAPHICALLY DIVERSE AND REPRESENTATIVE SAMPLE OF MEDICAID CLIENTS RELEVANT TO THE CLIENT CORRESPONDENCE BEING REVISED. THE STATE DEPARTMENT SHALL ALSO DEVELOP A PROCESS TO REVIEW AND CONSIDER FEEDBACK FROM STAKEHOLDERS INCLUDING CLIENT ADVOCATES AND COUNTIES PRIOR TO IMPLEMENTING CHANGES TO CORRESPONDENCE.

(7) THE STATE DEPARTMENT SHALL ENSURE THAT CLIENT CORRESPONDENCE THAT MAY ONLY AFFECT A SMALL NUMBER OF CLIENTS, BUT MAY, NONETHELESS, HAVE A SIGNIFICANT IMPACT ON THE LIVES OF THOSE CLIENTS, IS APPROPRIATELY PRIORitized FOR REVISION.

(8) AS PART OF ITS ANNUAL PRESENTATION MADE TO ITS LEGISLATIVE COMMITTEE OF REFERENCE PURSUANT TO SECTION 2-7-203, THE STATE DEPARTMENT SHALL PRESENT INFORMATION CONCERNING:

(a) ITS PROCESS FOR ONGOING IMPROVEMENT OF CLIENT CORRESPONDENCE;

(b) CLIENT CORRESPONDENCE REVISED PURSUANT TO CRITERIA SET FORTH IN SUBSECTION (3) OF THIS SECTION DURING THE PRIOR YEAR AND CLIENT CORRESPONDENCE IMPROVEMENTS THAT ARE PLANNED FOR THE UPCOMING YEAR; AND

(c) A DESCRIPTION OF THE RESULTS OF TESTING OF NEW OR SIGNIFICANTLY REVISED CLIENT CORRESPONDENCE PURSUANT TO SUBSECTION (6) OF THIS SECTION, INCLUDING A DESCRIPTION OF THE STAKEHOLDER FEEDBACK.

SECTION 2. Act subject to petition - effective date. This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 9, 2017, if adjournment sine die is on May 10, 2017); except that, if a referendum petition is filed pursuant to section 1 (3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2018 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor."

This additional revenue helps school districts offset the effects of the negative factor imposed by section 22-54-104 (5)(g). The General Assembly further finds that institute charter schools do not have access to additional revenue from a local property tax mill levy. The General Assembly finds, therefore, that it is appropriate to consider additional state equalizing funding for institute charter schools.

(2) (a) The mill levy equalization fund, referred to in this section as the "fund", is hereby created in the state treasury. The fund consists of any amount that the General Assembly may appropriate or transfer to the fund. The state treasurer shall credit to the fund all interest and income derived from the deposit and investment of money in the fund.

(b) Subject to annual appropriation by the General Assembly, the institute shall annually distribute all of the money appropriated or transferred to the fund to the institute charter schools on an equal per-pupil basis. The money distributed pursuant to this section is in addition to money distributed to institute charter schools pursuant to section 22-30.5-513."

"SECTION 1. Legislative declaration. The general assembly
finds, determines, and declares that Colorado has a long and strong tradition of open and transparent government. For Colorado taxpayers to have confidence in the actions and activities of their government, it is imperative that they have access to the public records of these governments. The "Colorado Open Records Act" provides, with very specific exceptions, access to government records to members of the public. As technology now allows the public access to records in digital formats, it is important that Colorado law reflect the new technology to give the public access to records in digital formats that make it easier for them to see and understand government records. Senate Bill 17-040 sets parameters for information to be released in digital formats while ensuring that records custodians provide records in ways that ensure that only those public records that are subject to disclosure are released. Senate Bill 17-040 makes no changes to what public records are available for, or protected from disclosure, regardless of the medium in which the public records are maintained, consistent with existing law. Current law governing which public records are confidential and not subject to disclosure and those that must be released remains unchanged.

"SECTION 1. In Colorado Revised Statutes, add 10-16-705.5 as follows:

10-16-705.5. Participating provider networks - definition - selection standards - informal reconsideration - enforcement - legislative declaration. (1) The General Assembly finds and declares that:

(a) Carriers create networks of providers that ensure consumers have access to an adequate number of providers to meet their needs;

(b) In the current marketplace, carriers offer consumers a multitude of plan options, some of which include a limited provider network that may result in a smaller number of participating providers from which to choose;

(c) Limited provider networks allow carriers and providers to work together to improve the quality of care and control the associated costs on behalf of consumers;

(d) Transparency in the market provides consumers, payers, and providers with information necessary to make informed decisions about health care choices; and

(e) To ensure that consumers have sufficient access to care and appropriate, transparent information to make decisions related to their health care, carriers should:

(I) Disclose the standards used to construct their participating provider networks to the commissioner, providers, and consumers; and

(II) Provide a process for existing participating providers to seek reconsideration of a carrier’s decision to change participation in a carrier’s network, including tiering of a network.

(2) As used in this section, unless the context otherwise requires:
(a) "HIGH-RISK POPULATION" means a population presenting a risk of higher-than-average numbers of claims, losses, or health care utilization rates.

(b) "TIERED NETWORK" means a network that identifies and assigns some or all types of providers and facilities into specific groups to which different provider reimbursement, covered person cost-sharing, or provider access requirements, or any combination of reimbursement, cost-sharing, and access requirements, apply for the same service.

(3) (a) A CARRIER SHALL DEVELOP STANDARDS FOR THE SELECTION OF PROVIDERS IN THE CARRIER'S PARTICIPATING PROVIDER NETWORK, INCLUDING THE SELECTION OF PROVIDERS IN EACH HEALTH CARE SPECIALTY. IF THE CARRIER OFFERS A TIERED NETWORK, THE CARRIER SHALL DEVELOP STANDARDS FOR TIERING PARTICIPATING PROVIDERS WITHIN THE TIERED NETWORK.

(b) THE CARRIER AND THE CARRIER'S INTERMEDIARY SHALL USE THE STANDARDS DEVELOPED PURSUANT TO SUBSECTION (3)(a) OF THIS SECTION IN SELECTING AND TIERING PROVIDERS.

(c)(I) A CARRIER SHALL NOT ESTABLISH SELECTION AND TIERING CRITERIA IN A MANNER THAT WOULD:

(A) ALLOW A CARRIER TO DISCRIMINATE AGAINST HIGH-RISK POPULATIONS BY EXCLUDING OR TIERING PROVIDERS BASED ON THEIR LOCATION IN A GEOGRAPHIC AREA THAT CONTAINS HIGH-RISK POPULATIONS; OR

(B) EXCLUDE PROVIDERS BECAUSE THEY TREAT OR SPECIALIZE IN TREATING HIGH-RISK POPULATIONS.

(II) NOTHING IN THIS SUBSECTION (3)(c) PROHIBITS A CARRIER FROM OFFERING SPECIFIC NETWORKS OR PRODUCTS THAT ARE LIMITED TO DESIGNATED SERVICE AREAS.

(d) A CARRIER SHALL MAKE ALL APPLICABLE STANDARDS USED FOR SELECTING AND TIERING AVAILABLE FOR REVIEW BY THE COMMISSIONER AND SHALL COMMUNICATE THE STANDARDS TO PROVIDERS THAT ARE PARTICIPATING IN ONE OR MORE OF ITS NETWORKS. ADDITIONALLY, A CARRIER SHALL MAKE A DESCRIPTION OF ITS STANDARDS, IN plain LANGUAGE, AVAILABLE TO THE PUBLIC.

(4) UPON REQUEST, AND NOT MORE OFTEN THAN QUARTERLY, A CARRIER SHALL PROVIDE A PROVIDER THAT IS PARTICIPATING IN ONE OR MORE OF ITS NETWORKS WITH A COMPLETE LIST OF ALL NETWORK PLANS AND PRODUCTS THE CARRIER OFFERS TO CONSUMERS, WITH AN INDICATION OF THE PROVIDER'S PARTICIPATION STATUS WITHIN EACH NETWORK PLAN OR PRODUCT. THE CARRIER SHALL RESPOND TO A PROVIDER'S REQUEST WITHIN THIRTY DAYS AFTER IT RECEIVES THE REQUEST.

(5) (a) A CARRIER SHALL NEITHER TERMINATE A PARTICIPATING PROVIDER NOR PLACE A PARTICIPATING PROVIDER IN A TIERED NETWORK WITHOUT FIRST COMPLYING WITH THE REQUIREMENTS OF THIS SUBSECTION (5).

(b) AT LEAST SIXTY DAYS BEFORE TERMINATING OR PLACING A PARTICIPATING PROVIDER IN A TIERED NETWORK, THE CARRIER SHALL SEND A WRITTEN NOTICE TO THE PARTICIPATING PROVIDER INFORMING THE PARTICIPATING PROVIDER OF THE PENDING ACTION. THE NOTICE MUST:

(I) CONTAIN AN EXPLANATION OF THE REASONS FOR THE PROPOSED ACTION IN SUFFICIENT DETAIL TO ENABLE THE PARTICIPATING PROVIDER TO CHALLENGE THE PROPOSED ACTION, REFERENCING THE RELEVANT INFORMATION THE CARRIER IS RELYING ON FOR THE DETERMINATION;

(II) INFORM THE PARTICIPATING PROVIDER OF THE OPPORTUNITY TO REQUEST THE CARRIER TO RECONSIDER THE PENDING ACTION AND THE PERIOD FOR COMPLETING THE INFORMAL RECONSIDERATION PROCESS; AND

(III) INFORM THE PARTICIPATING PROVIDER OF THE CARRIER'S ABILITY TO RESCIND THE PENDING ACTION.

(c) A CARRIER SHALL ESTABLISH PROCEDURES FOR A PARTICIPATING PROVIDER TO REQUEST A CARRIER TO RECONSIDER ITS DECISION TO TERMINATE THE PARTICIPATING PROVIDER OR PLACE THE PARTICIPATING PROVIDER IN A TIERED NETWORK. THE PROCEDURES MUST INCLUDE:

(I) A REASONABLE METHOD BY WHICH THE PARTICIPATING PROVIDER OF THE PENDING ACTION
PROVIDER MAY SUBMIT A REQUEST FOR THE CARRIER TO RECONSIDER A PROPOSED PENDING ACTION, INCLUDING THE NAME OF THE PERSON OR DIVISION TO WHOM OR TO WHICH THE PARTICIPATING PROVIDER IS TO SUBMIT THE REQUEST; AND

(II) AN OPPORTUNITY TO SUBMIT OR HAVE THE CARRIER CONSIDER EVIDENCE THAT MAY CORRECT INFORMATION RELEVANT TO THE PENDING ACTION.

(d) THE CARRIER SHALL COMPLETE THE INFORMAL RECONSIDERATION PROCESS WITHIN FORTY-FIVE DAYS AFTER THE DATE THE CARRIER RECEIVED THE REQUEST FOR RECONSIDERATION FROM THE PARTICIPATING PROVIDER UNLESS THE CARRIER AND PARTICIPATING PROVIDER AGREE TO AN ALTERNATIVE DEADLINE TO COMPLETE THE INFORMAL RECONSIDERATION PROCESS.

(e) A CARRIER SHALL NOT IMPLEMENT THE PENDING ACTION SPECIFIC TO THE PARTICIPATING PROVIDER THAT IS THE SUBJECT OF A REQUEST FOR RECONSIDERATION UNTIL THE ISSUES A FINAL DECISION TO GRANT OR DENY THE REQUEST TO RECONSIDER THE PENDING ACTION.

(6) WHEN A CARRIER DOES NOT SELECT A PROVIDER TO PARTICIPATE IN THE CARRIER'S PARTICIPATING PROVIDER NETWORK, THE CARRIER SHALL PROVIDE A WRITTEN NOTIFICATION TO THE PROVIDER. THE CARRIER IS NOT REQUIRED TO PROVIDE AN OPPORTUNITY FOR RECONSIDERATION TO A PROVIDER WHO IS NOT PARTICIPATING IN ANY OF THE CARRIER'S PARTICIPATING PROVIDER NETWORKS.

(7) THIS SECTION DOES NOT:

(a) PROHIBIT A CARRIER FROM DECLINING TO SELECT A PROVIDER WHO FAILS TO MEET OTHER LEGITIMATE SELECTION CRITERIA DEVELOPED BY THE CARRIER IN COMPLIANCE WITH THIS SECTION;

(b) PROHIBIT A CARRIER FROM CREATING AN EXCLUSIVE PROVIDER NETWORK; OR

(c) REQUIRE A CARRIER TO CONTRACT WITH ANY PROVIDER WHO IS WILLING TO ABIDE BY THE TERMS AND CONDITIONS FOR PARTICIPATION ESTABLISHED BY THE CARRIER.

(8) (a) IF THE COMMISSIONER DETERMINES THAT A CARRIER HAS NOT COMPLIED WITH THIS SECTION, THE COMMISSIONER SHALL REQUIRE A CORRECTIVE ACTION PLAN THAT THE CARRIER MUST FOLLOW. THE COMMISSIONER MAY USE ALL ENFORCEMENT POWERS UNDER THIS TITLE TO OBTAIN COMPLIANCE BY THE CARRIER.

(b) THE COMMISSIONER AND THE COMMISSIONER’S STAFF SHALL NOT ARBITRATE, MEDIATE, OR SETTLE DISPUTES REGARDING A DECISION NOT TO INCLUDE A PROVIDER IN A NETWORK OR TIERED NETWORK OR REGARDING ANY DISPUTE BETWEEN A CARRIER, THE CARRIER’S INTERMEDIARY, OR ONE OR MORE PROVIDERS ARISING UNDER OR BY REASON OF A PROVIDER CONTRACT OR ITS TERMINATION.

"SECTION 1. Legislative declaration. (1) The general assembly finds and declares that:

(a) Individuals with serious mental health disorders number fewer than four in every 100 American adults but occupy at least one in five of America's prison and jail beds; whereas, in the community, only 11.7 state hospital beds remain per 100,000 people, leaving the state with fewer hospital beds per capita than at any time since before the nation stopped criminalizing mental health disorders in the 1850s;
(b) Inmates with a mental health disorder spend five and a half times longer in custody than the average inmate;
(c) In 2010, the department of corrections and county jail systems spent $93 million of taxpayers' money on mental health services. This amounts to $2,083 per prisoner for mental health services. In that same year, only 53% of the state's known behavioral health expenditures were spent through the formal public health system, the remainder being spent through the prison and jail system, child welfare system, and hospitals.
(d) Correctional facilities and county jails are not designed and do not have the resources to handle or treat inmates with a behavioral or mental health disorder but have become de facto mental health institutions;
(e) Inmates with behavioral or mental health disorders are frequently released into the community after incarceration homeless and with no or insufficient supportive services;
(f) Housing alone is not sufficient to improve outcomes; however, supportive housing models with specific support services are critical to success in reducing recidivism of persons with behavioral or mental health disorders transitioning between homelessness and incarceration;
(g) The state spends $666 per day for a bed at the Colorado mental health institute at Pueblo, one of Colorado's state-operated inpatient, psychiatric hospitals; and
(h) The state has a shortage of crisis beds, which results in individuals in crisis remaining homeless or in less than ideal housing,
like jails, while awaiting appropriate placement.

SECTION 2. In Colorado Revised Statutes, add 24-32-723.5 as follows:

24-32-723.5. Housing assistance for a person with a behavioral or mental health disorder in the criminal or juvenile justice system - cash fund - definition. (1) As used in this section, unless the context otherwise requires, "person with a behavioral or mental health disorder" means an individual who has or, at any time during the previous twelve months, had a diagnosable mental, behavioral, or emotional disorder of sufficient duration to meet diagnostic criteria specified within the diagnostic and statistical manual of mental disorders, resulting in functional impairment that interferes with or limits one or more major life activities.

(2) In conjunction with its other programs to provide assistance in obtaining housing, the division shall establish a program that provides vouchers and other support services for housing assistance for a person with a mental health disorder or co-occurring behavioral health disorder who is transitioning from the department of corrections, the division of youth corrections in the department of human services, or a county jail into the community.

(3) The division shall also provide grants or loans for the acquisition, construction, or rehabilitation of rental housing for persons with behavioral or mental health disorders.

(4) There is created in the state treasury the housing assistance for persons transitioning from the criminal or juvenile justice system cash fund, referred to in this section as the "cash fund." The cash fund consists of all money transferred to the fund pursuant to section 17-27-108 (7) and all money that the general assembly appropriates to the cash fund. All money in the cash fund is continuously appropriated to the division for the purposes set forth in this section. All interest earned from the investment of money in the cash fund is credited to the cash fund. All money not expended at the end of the fiscal year remains in the cash fund and does not revert to the general fund or any other fund.

SECTION 3. In Colorado Revised Statutes, add article 70 to title 27 as follows:

ARTICLE 70
Reentry Programs for Persons with Behavioral or Mental Health Disorders

27-70-101. Reentry programs for persons with behavioral or mental health disorders - definitions. (1) As used in this article 70, unless the context otherwise requires:

(a) "Person with a behavioral or mental health disorder" has the same meaning as set forth in section 24-32-723.5 (1).

(b) "unit" means the unit in the department of human services that administers behavioral health programs and services, including those related to mental health and substance abuse.

(2) The unit, in collaboration with the department of corrections, shall administer appropriate reentry programs for persons with mental health disorders or co-occurring behavioral health disorders while homeless or prior to and after release from incarceration or adjudication. The purpose of the programs is to assist individuals with reentry into society based upon the assessed need and suitability of individuals for such services. The unit shall design each reentry program to reduce the possibility of each individual returning to the department of corrections, the division of youth corrections in the department of human services, or a county jail to assist each individual in rehabilitation, and to provide each individual with life management skills that allow him or her to function successfully in society.

(3) Subject to appropriations, the unit, in conjunction with the division of housing in the department of local affairs, shall develop and implement initiatives specifically designed to
ASSIST EACH INDIVIDUAL'S TRANSITION FROM THE DEPARTMENT OF CORRECTIONS, THE DIVISION OF YOUTH CORRECTIONS IN THE DEPARTMENT OF HUMAN SERVICES, OR A COUNTY JAIL INTO THE COMMUNITY. AN INITIATIVE DEVELOPED AND IMPLEMENTED PURSUANT TO THIS SUBSECTION (3) MAY INCLUDE, BUT NEED NOT BE LIMITED TO, THE FOLLOWING COMPONENTS:

(a) HOUSING VOUCHERS;
(b) ACQUISITION, CONSTRUCTION, OR REHABILITATION OF RENTAL HOUSING;
(c) SUPPORTIVE EMPLOYMENT SERVICES;
(d) MEDICAID ENROLLMENT SERVICES;
(e) MENTAL HEALTH TREATMENT SERVICES INCLUDING PSYCHIATRIC AND COUNSELING SERVICES;
(f) CASE MANAGEMENT SERVICES;
(g) MEDICATION MONITORING;
(h) PEER SPECIALIST SUPPORT; AND
(i) POSITIVE RECREATIONAL ACTIVITIES.

SECTION 4. In Colorado Revised Statutes, 17-27-108, amend (5); and add (7) as follows:

17-27-108. Division of criminal justice of the department of public safety - duties - community corrections contracts. (5) The division of criminal justice is authorized to transfer up to ten percent of annual appropriations among or between line items for community corrections program services or the reentry initiative described in section 27-70-101 (3). Advance notice of such transfers must be provided to the general assembly, the governor, the executive director of the department of corrections, and the chief justice of the supreme court.

(7) NOTWITHSTANDING ANY LAW TO THE CONTRARY, ON AND AFTER JULY 1, 2016, ANY MONEY APPROPRIATED FROM THE GENERAL FUND TO THE DIVISION OF CRIMINAL JUSTICE FOR THE PURPOSES OF THIS ARTICLE 27 THAT IS UNEXPENDED OR UNENCUMBERED AS OF THE CLOSE OF THAT FISCAL YEAR SHALL NOT REVERT TO THE GENERAL FUND, AND THE STATE TREASURER AND THE CONTROLLER SHALL TRANSFER SUCH MONEY TO THE HOUSING ASSISTANCE FOR PERSONS TRANSITIONING FROM THE CRIMINAL OR JUVENILE JUSTICE SYSTEM CASH FUND CREATED PURSUANT TO SECTION 24-32-723.5 (4).

SECTION 5. In Colorado Revised Statutes, 39-28.8-501, amend (2)(b)(IV)(K) and (2)(b)(IV)(L); and add (2)(b)(IV)(M) as follows:

39-28.8-501. Marijuana tax cash fund - creation - distribution - legislative declaration. (2) (b) (IV) Subject to the limitation in subsection (5) of this section, the general assembly may annually appropriate any money in the fund for any fiscal year following the fiscal year in which they were received by the state for the following purposes:

(K) Grants to local governments for documented retail marijuana impacts through the local government retail marijuana impact grant program created in section 24-32-117, C.R.S.; and
(L) For the Colorado veterans' service-to-career pilot program created in part 2 of article 14.3 of title 8, C.R.S.; and
(M) FOR HOUSING, RENTAL ASSISTANCE, AND REENTRY ASSISTANCE PURSUANT TO SECTION 24-32-723.5.

SECTION 6. Appropriation. For the 2017-18 state fiscal year, $4,000,000 is appropriated to the department of local affairs for use by the division of housing. This appropriation is from the marijuana tax cash fund established pursuant to section 39-28.8-501, C.R.S. To implement this act, the division may use this appropriation to provide housing, rental assistance, and reentry services to persons described in section 24-32-723.5, C.R.S.

SECTION 7. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.".
The Committee on State, Veterans, & Military Affairs has had under consideration and has had a hearing on the following appointments and recommends that the appointments be placed on the consent calendar and confirmed:

MEMBERS OF THE
COLORADO BOARD OF VETERANS AFFAIRS

for a term expiring June 30, 2019:

Page 133, after line 16 insert:

"Department of Health Care Policy and Financing, Medical Services Premiums, Medical and Long-Term Care Services for Medicaid Eligible Individuals -- The General Assembly assumes federal approval of provider rate increases for Home- and Community-Based Services will be delayed until October 1, 2017, resulting in a savings of $2,494,924 General Fund. It is the General Assembly's intent that this savings be invested in a rate increase for emergency medical transportation, non-emergency medical transportation, and non-medical transportation of $8,236,157 total funds, of which $2,494,924 comes from the General Fund. The General Assembly assumes that to continue the rate increases for transportation services in FY 2018-19, when the one-time savings from the delay of Home- and Community-Based Services rate increases is gone, the Department of Health Care Policy and Financing will need $9,374,564, of which $2,924,536 comes from the General Fund.".

PURPOSE: Adds a footnote to the Department of Health Care Policy and Financing related to provider rates and transportation services.

"SECTION 5. In Colorado Revised Statutes, add part 13 to article 82 of title 24 as follows:
24-82-1301. Legislative declaration. (1) The General Assembly hereby finds and declares that:
   (a) Due to insufficient funding, necessary high-priority state highway projects and state capital construction projects, including projects at state institutions of higher education, in all areas of the state have been delayed, and the state has also delayed critical controlled maintenance and upkeep of state capital assets;
   (b) By issuing lease-purchase agreements using state buildings as collateral as authorized by this part 13, the state can generate sufficient funds to accelerate the completion of many of the necessary high-priority state highway projects and capital construction projects that have been delayed and better maintain and preserve existing state capital assets;
   (c) It is the intent of the General Assembly that:
      (I) A majority of the additional funding for state capital construction projects realized from issuing lease-purchase agreements be used for renovation and renewal projects; and
      (II) More of the state’s existing capital construction funding be dedicated to controlled maintenance and upkeep of state capital assets.

24-82-1302. Definitions. As used in this part 13, unless the context otherwise requires:
   (1) "Eligible state facility" means any financially unencumbered building, structure, or facility that is owned by the state, including a building, structure, or facility determined to be eligible by a governing board of a state institution of higher education.
   (2) "Capital construction" has the same meaning as set forth in section 24-30-1301 (2).
   (3) "Controlled maintenance" has the same meaning as set forth in section 24-30-1301 (4).
   (4) "State institution of higher education" means a state institution of higher education, as defined in section 23-18-102 (10), and the Auraria Higher Education Center created in article 70 of title 23.

24-82-1303. Lease-purchase agreements for capital construction and transportation projects. (1) On or before December 31, 2017, the state architect, the director of the office of state planning and budgeting or his or her designee, and the state institutions of higher education shall identify and prepare a collaborative list of eligible state facilities that can be collateralized as part of the lease-purchase agreements for capital construction and transportation projects authorized in this part 13. The total current replacement value of the identified buildings must equal at least one billion seven hundred million dollars.

   (2) (a) Notwithstanding the provisions of sections 24-82-102(1)(b) and 24-82-801, and pursuant to section 24-36-121, no sooner than July 1, 2018, the state, acting by and through the state treasurer, shall execute lease-purchase agreements each for no more than twenty years of annual payments for the projects described in subsection (5) of this section. A state institution of higher education may either contribute the full amount of its share of the cost of the project, as described in subsection (3) of this section, at the commencement of the project or may have its share of the cost of the project included in the lease-purchase agreement.

   (b) The anticipated annual state-funded payments for the principal and interest components of the amount payable under all lease-purchase agreements entered into shall not exceed one hundred twenty-five million dollars.

   (c) The state, acting by and through the state treasurer, at the state treasurer’s sole discretion, may enter into one or more lease-purchase agreements authorized by subsection (2)(a) of this section with any for-profit or nonprofit corporation, trust, or commercial bank as a trustee as the lessor.
(d) Any lease-purchase agreement executed as required by subsection (2)(a) of this section shall provide that all of the obligations of the state under the agreement are subject to the action of the general assembly in annually making money available for all payments thereunder. Payments under any lease-purchase agreement must be made subject to annual allocation pursuant to section 43-1-113 by the transportation commission created in section 43-1-106 (1) or subject to annual appropriation by the general assembly, as applicable, from the following sources of money:

(i) The capital construction lease-purchase agreement cash fund created in subsection (3) of this section;
(ii) An annual amount equal to the percentage of the total annual payments attributable to the executed lease purchase agreements credited to the state highway fund as specified in subsection (5)(a) of this section, or any lesser amount that is sufficient to make a full payment, from any legally available money under the control of the transportation commission; and
(iii) The remainder of the amount needed, in addition to the amount specified in subsection (2)(d)(I) of this section, to make the full payment from the general fund or any other legally available source of money.

(e) Each agreement must also provide that the obligations of the state do not create state debt within the meaning of any provision of the state constitution or state law concerning or limiting the creation of state debt and are not a multiple fiscal-year direct or indirect debt or other financial obligation of the state within the meaning of section 20 (4) of article X of the state constitution. If the state does not renew a lease-purchase agreement executed as required by subsection (2)(a) of this section, the sole security available to the lessor is the property that is the subject of the nonrenewed lease-purchase agreement.

(f) A lease-purchase agreement executed as required by subsection (2)(a) of this section may contain such terms, provisions, and conditions as the state treasurer, acting on behalf of the state, deems appropriate, including all optional terms; except that each lease-purchase agreement must specifically authorize the state or the governing board of the applicable state institution of higher education to receive fee title to all real and personal property that is the subject of the lease-purchase agreement or before the expiration of the terms of the agreement.

(g) Any lease-purchase agreement executed as required by subsection (2)(a) of this section may provide for the issuance, distribution, and sale of instruments evidencing rights to receive rentals and other payments made and to be made under the lease-purchase agreement. The instruments may be issued, distributed, or sold only by the lessor or any person designated by the lessor and not by the state. The instruments do not create a relationship between the purchasers of the instruments and the state or create any obligation on the part of the state to the purchasers. The instruments are not notes, bonds, or any other evidence of state debt within the meaning of any provision of the state constitution or state law concerning or limiting the creation of state debt and are not a multiple fiscal-year direct or indirect debt or other financial obligation of the state within the meaning of section 20 (4) of article X of the state constitution.

(h) Interest paid under a lease-purchase agreement authorized pursuant to subsection (2)(a) of this section, including interest represented by the instruments, is exempt from Colorado income tax.

(i) The state, acting by and through the state treasurer and the governing boards of the institutions of higher education, is authorized to enter into ancillary agreements.
AND INSTRUMENTS THAT ARE NECESSARY OR APPROPRIATE IN
CONNECTION WITH A LEASE-PURCHASE AGREEMENT, INCLUDING BUT NOT
LIMITED TO DEEDS, GROUND LEASES, SUB-LEASES, EASEMENTS, OR OTHER
INSTRUMENTS RELATING TO THE REAL PROPERTY ON WHICH THE
FACILITIES ARE LOCATED.

(1) The provisions of section 24-30-202 (5)(b) do not apply
to a lease-purchase agreement executed as required by or to
any ancillary agreement or instrument entered into pursuant
to this subsection (2). The state controller or his or her
designee shall waive any provision of the fiscal rules
promulgated pursuant to section 24-30-202 (1) and (13), that the
state controller finds incompatible or inapplicable with
respect to a lease-purchase agreement or an ancillary
agreement or instrument.

(2) A state institution of higher education, but not the
state board for community colleges and occupational
education, shall transfer to the state treasurer twenty
percent of the total project cost of any new capital
construction project that receives funding through this part 13
without an appropriation from the general assembly. The state
treasurer shall credit any money received pursuant to this
subsection (2) to the capital construction lease-purchase
agreement cash fund, referred to in this subsection (3) as the
"fund", which is hereby created in the state treasury. Money in
the fund is continuously appropriated to the state treasurer to
make payments on lease-purchase agreements executed as
required by subsection (2)(a) of this section. All interest and
income derived from the investment and deposit of money in the
fund is credited to the fund.

(3) Before executing a lease-purchase agreement
required by subsection (2)(a) of this section, in order to protect
against future interest rate increases, the state, acting by and
through the state treasurer and at the discretion of the state
treasurer, may enter into an interest rate exchange agreement
pursuant to article 59.3 of title 11. A lease-purchase agreement
executed as required by subsection (2)(a) of this section is a
proposed public security for the purposes of article 59.3 of title
11. Any payments made by the state under an agreement entered
into pursuant to this subsection (4) must be made solely from
money made available to the state treasurer from the
execution of a lease-purchase agreement, from money described
in subsections (2)(d)(I), (2)(d)(II), and (2)(d)(III) of this section, or
from money in the capital construction lease-purchase
agreement cash fund created in subsection (3) of this section.

(b) Any agreement entered into pursuant to this
subsection (4) must also provide that the obligations of the
state do not create state debt within the meaning of any
provision of the state constitution or state law concerning or
limiting the creation of state debt and are not a multiple
fiscal-year direct or indirect debt or other financial
obligation of the state within the meaning of section 20 (4) of
article X of the state constitution.

(c) Any money received by the state under an agreement
entered into pursuant to this subsection (4) shall be used to
make payments on lease-purchase agreements entered into
pursuant to subsection (2) of this section or to pay the costs of
the project for which a lease-purchase agreement was executed.

(5) Proceeds of lease-purchase agreements executed as
required by subsection (2)(a) of this section shall be used as
follows:

(a) Seventy-six and five-tenths percent of the proceeds
shall be credited to the state highway fund created in section
43-1-219 and used by the department of transportation in
accordance with section 43-4-206 (1)(b)(V); and

(b) Twenty-three and five-tenths percent of the proceeds
shall be used for controlled maintenance and capital
construction projects in the state as follows:
(I) THIRTEEN MILLION SIX THOUSAND EIGHTY-ONE DOLLARS FOR LEVEL I CONTROLLED MAINTENANCE;
(II) SIXTY MILLION SIX HUNDRED THIRTY-SEVEN THOUSAND THREE HUNDRED FIVE DOLLARS FOR LEVEL II CONTROLLED MAINTENANCE;
(III) FORTY MILLION TWO HUNDRED NINE THOUSAND FIVE HUNDRED THIRTY-FIVE DOLLARS FOR LEVEL III CONTROLLED MAINTENANCE; AND

SECTION 6. In Colorado Revised Statutes, 23-1-106, amend (10.2)(a)(I) and (10.2)(a)(II); and add (10.2)(a)(III) as follows:

23-1-106. Duties and powers of the commission with respect to capital construction and long-range planning - legislative declaration - definitions. (10.2) (a) (I) Notwithstanding any law to the contrary AND EXCEPT AS PROVIDED IN SUBSECTION (10.2)(a)(III) OF THIS SECTION, all academic facilities acquired or constructed, or an auxiliary facility repurposed for use as an academic facility, solely from cash funds held by the state institution of higher education and operated and maintained from such cash funds or from state moneys appropriated for such purpose, or both, including, but not limited to, those facilities described in paragraph (b) of subsection (9) SUBSECTION (9)(b) of this section, that did not previously qualify for state controlled maintenance funding will qualify for state controlled maintenance funding, subject to funding approval by the capital development committee and the eligibility guidelines described in section 24-30-1303.9. C.R.S.

(II) For purposes of this paragraph (a) SUBSECTION (10.2)(a), the eligibility for state controlled maintenance funding commences on the date of the acceptance of the construction or repurposing of the facility or the closing date of any acquisition. The date of the acceptance of construction or repurposing shall be determined by the office of the state architect.

(III) IF AN ACADEMIC FACILITY IS ACQUIRED OR CONSTRUCTED, OR IF AN AUXILIARY FACILITY IS REPURPOSED FOR USE AS AN ACADEMIC FACILITY, SOLELY FROM CASH FUNDS HELD BY THE STATE INSTITUTION OF HIGHER EDUCATION AND OPERATED AND MAINTAINED FROM SUCH CASH FUNDS, THEN AS OF THE DATE OF THE ACCEPTANCE OF CONSTRUCTION OR REPURPOSING THAT OCCURS ON OR AFTER JULY 1, 2018, SUCH FACILITY IS NOT ELIGIBLE FOR CONTROLLED MAINTENANCE FUNDING.

"SECTION 2. In Colorado Revised Statutes, add 22-30.5-112.4 as follows:

22-30.5-112.4. Charter schools - mill levy revenues - equalization - definitions. (1) AS USED IN THIS SECTION, UNLESS THE CONTEXT OTHERWISE REQUIRES:

(a) "ADDITIONAL MILL LEVY" MEANS THE NUMBER OF MILLS THAT A SCHOOL DISTRICT LEVIES THAT ARE IN ADDITION TO THE SCHOOL DISTRICT’S TOTAL PROGRAM MILL LEVY ESTABLISHED IN SECTION 22-54-106 (2), NOT INCLUDING MILLS THAT A SCHOOL DISTRICT MAY LEVY UNDER SECTION 22-40-110 OR ARTICLE 42 OR 43 OF THIS TITLE 22, AND THAT ARE AUTHORIZED BY VOTERS BEFORE, ON, OR AFTER THE EFFECTIVE DATE OF THIS SECTION.

(b) "PER PUPIL MILL LEVY SHARE" MEANS AN AMOUNT EQUAL TO THE REVENUE THAT A SCHOOL DISTRICT COLLECTS FROM ITS ADDITIONAL MILL LEVY FOR THE APPLICABLE BUDGET YEAR DIVIDED BY THE SCHOOL DISTRICT’S FUNDED PUPIL COUNT AS DEFINED IN SECTION 22-54-103 FOR THE APPLICABLE BUDGET YEAR.

(c) "RESTRICTED REVENUE" MEANS REVENUE THAT A SCHOOL DISTRICT COLLECTS FROM ITS ADDITIONAL MILL LEVY, THE USE OF WHICH IS RESTRICTED BY VOTERS TO A SPECIFIC PROGRAM, TO STUDENTS ENROLLED IN A SPECIFIC GRADE LEVEL, OR TO THE TERMS OF AN
AGREEMENT BETWEEN A THIRD PARTY AND THE SCHOOL DISTRICT THAT GOVERNS THE USE OF THE REVENUE AND THAT EXISTED BEFORE THE EFFECTIVE DATE OF THIS SECTION.

(2)(a) Subject to the provisions of subsections (4) and (5) of this section, each school district that authorizes a charter school shall distribute to the charter school an amount equal to the hundred percent of an amount equal to the school district’s per pupil mill levy share for the applicable budget year multiplied by the number of pupils, including preschool program pupils, enrolled in the charter school for the applicable budget year, as reported to the department for the applicable budget year pursuant to section 22-30.5-112 (1)(a). In counting the number of pupils enrolled in the charter school, the school district shall count a pupil enrolled in kindergarten or in a preschool program as at least a half-day pupil and may, at the school district’s discretion, count a pupil who is included in the school district’s online pupil enrollment, as defined in section 22-54-103.

(b) notwithstanding any provision of subsection (2)(a) of this section to the contrary, in calculating the amount due to a charter school under subsection (2)(a) of this section, a school district may subtract from the amount due to the charter school any portion that is restricted revenue if the charter school, during the applicable budget year, clearly does not provide the specific program for which the restricted revenue is authorized by voters or if the charter school, during the applicable budget year, does not serve students enrolled in the grade level for which the restricted revenue is authorized by voters.

(c) notwithstanding any provision of subsection (2)(a) of this section to the contrary, in calculating the amount due to a charter school under subsection (2)(a) of this section, a school district may subtract from the amount due to the charter school any portion that is restricted revenue because it is subject to a third-party agreement that existed before the effective date of this section; except that, if the third party and the school district amend the terms of the agreement to allow distribution of the revenue to a charter school, the revenue ceases to be restricted revenue and the school district shall distribute the revenue to the charter school in accordance with subsection (2)(a) of this section.

(d) notwithstanding any provision of subsection (2)(a) of this section to the contrary, if a local school board has in place or adopts a written policy that directs the school district to distribute any portion of its additional mill levy revenue to specifically benefit students enrolled in alternative education campuses; students who qualify for free or reduced-price meals under the federal “Richard B. Russell National School Lunch Act”, 42 U.S.C. sec. 1751 et seq.; students who are identified as English language learners under section 22-24-105; or students who have individualized education programs under part 1 of article 20 of this title 22, the school district may continue distributing the revenue for these purposes, so long as the amount distributed for each student is the same regardless of whether the student is enrolled in a charter school or another school of the school district. The school district shall distribute any amount of additional mill levy revenue that remains after distribution for these purposes in accordance with subsection (2)(a) of this section.

(e) notwithstanding any provision of subsection (2)(a) of this section to the contrary, if a school district authorizes a charter school that is physically located within the geographic boundaries of another school district, the charter district is required to distribute to the charter school an amount equal to the per pupil mill levy share multiplied only by the number of students enrolled in the charter school who reside within the authorizing school district, which amount may be adjusted as provided in subsections (2)(b) to (2)(d) of this section, as appropriate. The
AUTHORIZING SCHOOL DISTRICT MAY CHOOSE TO DISTRIBUTE A GREATER PORTION OF THE ADDITIONAL MILL LEVY REVENUE TO THE CHARTER SCHOOL.

(f) NOTWITHSTANDING ANY PROVISION OF SUBSECTION (2)(a) OF THIS SECTION TO THE CONTRARY, IF, BEFORE DECEMBER 31, 2016, A LOCAL SCHOOLS BOARD ADOPTS A WRITTEN POLICY OR RESOLUTION THAT EXPLICITLY DIRECTS THE SCHOOL DISTRICT TO DISTRIBUTE AN IDENTIFIED AMOUNT OF THE REVENUE FROM THE SCHOOL DISTRICT’S ADDITIONAL MILL LEVY FOR USE IN CONSTRUCTING OR MAINTAINING ONE OR MORE BUILDINGS IDENTIFIED IN THE WRITTEN POLICY OR RESOLUTION, THE SCHOOL DISTRICT MAY CONTINUE DISTRIBUTING THE IDENTIFIED REVENUE AMOUNT IN ACCORDANCE WITH THE WRITTEN POLICY.

(g) NOTWITHSTANDING ANY PROVISION OF SUBSECTION (2)(a) OF THIS SECTION TO THE CONTRARY, IF A SCHOOL DISTRICT OBTAINED VOTER APPROVAL FOR A BALLOT MEASURE FOR AN ADDITIONAL MILL LEVY BEFORE THE EFFECTIVE DATE OF THIS SECTION AND THE BALLOT QUESTION SPECIFICALLY ALLOTED A PORTION OF THE ADDITIONAL MILL LEVY REVENUES TO ONE OR MORE CAPITAL IMPROVEMENT PROJECTS, THE SCHOOL DISTRICT IS NOT REQUIRED TO DISTRIBUTE TO THE CHARTER SCHOOL ANY PORTION OF THE AMOUNT OF ADDITIONAL MILL LEVY REVENUES ALLOCATED TO THE SPECIFIED CAPITAL IMPROVEMENT PROJECTS UNTIL THE SPECIFIED CAPITAL IMPROVEMENT PROJECTS ARE COMPLETED.

(3) THIS SECTION DOES NOT REQUIRE A SCHOOL DISTRICT TO RECALCULATE THE DISTRIBUTION OF, OR TO REDISTRIBUTE, ANY ADDITIONAL MILL LEVY REVENUE THAT THE SCHOOL DISTRICT COLLECTED BEFORE THE 2017-18 BUDGET YEAR.

(4) (a) BEGINNING IN THE 2018-19 BUDGET YEAR, EACH SCHOOL DISTRICT SHALL DISTRIBUTE THE PER PUPIL MILL LEVY SHARE TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT AS PROVIDED IN SUBSECTION (2) OF THIS SECTION; EXCEPT THAT:

(III) FOR THE 2020-21 BUDGET YEAR AND EACH BUDGET YEAR THEREAFTER, THE SCHOOL DISTRICT SHALL CALCULATE THE PER PUPIL MILL LEVY SHARE BASED ON ONE HUNDRED PERCENT OF THE ADDITIONAL MILL LEVY REVENUE IT COLLECTS FOR EACH APPLICABLE BUDGET YEAR.

(b) NOTWITHSTANDING THE PROVISIONS OF SUBSECTION (4)(a) OF THIS SECTION, IF, FOR THE 2016-17 BUDGET YEAR, A SCHOOL DISTRICT DISTRIBUTES TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT AN AMOUNT OF THE SCHOOL DISTRICT’S ADDITIONAL MILL LEVY REVENUE THAT IS GREATER THAN THE AMOUNT REQUIRED IN SUBSECTION (4)(a)(I) OF THIS SECTION FOR THE 2018-19 BUDGET YEAR, THE LOCAL SCHOOL BOARD SHALL DISTRIBUTE TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT FOR THE 2018-19 BUDGET YEAR AT LEAST THE AMOUNT DISTRIBUTED IN THE 2016-17 BUDGET YEAR, ALLOCATED AS PROVIDED IN SUBSECTION (2) OF THIS SECTION.

(c) NOTWITHSTANDING THE PROVISIONS OF SUBSECTION (4)(a) OF THIS SECTION, IF, FOR THE 2016-17 BUDGET YEAR, A SCHOOL DISTRICT DISTRIBUTES TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT AN AMOUNT OF THE SCHOOL DISTRICT’S ADDITIONAL MILL LEVY REVENUE THAT IS GREATER THAN THE AMOUNT REQUIRED IN SUBSECTION (4)(a)(II) OF THIS SECTION FOR THE 2019-20 BUDGET YEAR, THE LOCAL SCHOOL BOARD SHALL DISTRIBUTE TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT FOR THE 2019-20 BUDGET YEAR AT LEAST THE AMOUNT DISTRIBUTED IN THE 2016-17 BUDGET YEAR, ALLOCATED AS PROVIDED IN SUBSECTION (2) OF THIS SECTION.

(d) A LOCAL SCHOOL BOARD MAY SUBMIT TO THE ELIGIBLE ELECTORS OF THE SCHOOL DISTRICT AT THE NEXT REGULAR SCHOOL DISTRICT ELECTION AFTER THE EFFECTIVE DATE OF THIS SECTION THE FOLLOWING BALLOT QUESTION: "SHALL THE SCHOOL DISTRICT BOARD OF EDUCATION FOR [NAME OF SCHOOL DISTRICT] USE THE PROPERTY TAX REVENUE COLLECTED FROM NON-DEBT-RELATED MILL LEVELS
AUTHORIZED BEFORE JULY 1, 2017, WITHOUT CHANGE TO ANY PURPOSE
FOR WHICH SUCH REVENUE WAS ORIGINALLY AUTHORIZED BY THE
VOTERS, TO SUPPORT THE STUDENTS ENROLLED IN THE PUBLIC SCHOOLS
OF THE SCHOOL DISTRICT, INCLUDING THE CHARTER SCHOOLS
AUTHORIZED BY THE SCHOOL DISTRICT, IN ACCORDANCE WITH SECTION
22-30.5-112.4, COLORADO REVISED STATUTES?

(b) IF A MAJORITY OF THE PERSONS VOTING IN THE SCHOOL
DISTRICT ELECTION VOTE "NO" ON THE BALLOT QUESTION SPECIFIED IN
SUBSECTION (5)(a) OF THIS SECTION, NOTWITHSTANDING ANY PROVISION
OF THIS SECTION TO THE CONTRARY, THE LOCAL SCHOOL BOARD MAY,
BUT IS NOT REQUIRED TO, DISTRIBUTE A PORTION OF THE SCHOOL
DISTRICT’S REVENUE FROM ADDITIONAL MILL LEVIES THAT WERE
APPROVED BEFORE JULY 1, 2017, TO THE CHARTER SCHOOLS OF THE
SCHOOL DISTRICT AS THE LOCAL SCHOOL BOARD MAY PROVIDE.

(c) IF A MAJORITY OF THE PERSONS VOTING IN THE SCHOOL
DISTRICT ELECTION VOTE "YES" ON THE BALLOT QUESTION SPECIFIED IN
SUBSECTION (5)(a) OF THIS SECTION, THE LOCAL SCHOOL BOARD SHALL
DISTRIBUTE A PORTION OF THE SCHOOL DISTRICT’S ADDITIONAL MILL LEVY
REVENUE TO THE CHARTER SCHOOLS OF THE SCHOOL DISTRICT IN
ACCORDANCE WITH SUBSECTIONS (2) AND (4) OF THIS SECTION.

(d) EACH LOCAL SCHOOL BOARD SHALL DISTRIBUTE TO THE
CHARTER SCHOOLS OF THE SCHOOL DISTRICT AS PROVIDED IN
SUBSECTIONS (2) AND (4) OF THIS SECTION A PORTION OF THE REVENUE
FROM ADDITIONAL MILL LEVIES APPROVED ON OR AFTER JULY 1, 2017,
REGARDLESS OF WHETHER THE LOCAL SCHOOL BOARD SUBMITS A BALLOT
QUESTION TO THE ELIGIBLE ELECTORS OF THE SCHOOL DISTRICT AT THE
NEXT REGULAR SCHOOL DISTRICT ELECTION AFTER THE EFFECTIVE DATE
OF THIS SECTION AS PROVIDED IN SUBSECTION (5)(a) OF THIS SECTION AND
REGARDLESS OF THE OUTCOME OF THAT ELECTION.

SECTION 3. In Colorado Revised Statutes, add 22-30.5-513.1
as follows:

In deciding the amount to appropriate to the contingency reserve fund,
the general assembly may take into consideration any recommendations
made by the department of education, but nothing in this section
obligates the general assembly to provide supplemental assistance to all
districts that are found to be in need or to fully fund the total amount of
such need. The state board may approve and order payments from the
contingency reserve fund for supplemental assistance to districts determined to be in need as the result of any or all of the following circumstances:

Denver, CO 80203

Dear Members of the Colorado Senate:

Today, I vetoed Senate Bill 17-139, "Concerning the Extension of the Credit for Tobacco Products that a Distributor Ships or Transports to an Out-of-state Consumer" at 3:47 p.m. Retailers and distributors must pay an excise tax on tobacco products when bringing such products into the state. In 2015, House Bill 15-1301 allowed retailers and distributors to claim a credit for excise taxes on cigars and other non-cigarette tobacco products sold directly to out-of-state consumers. Senate Bill 17-139 extends the credit for three additional years.

Despite proponents' projections in 2015, we are unpersuaded that this credit created any significant economic impact. Proponents argued the credit would move jobs to Colorado. Yet, in 2016, Colorado tobacco distributors claimed only $11,200 in tax credits on $28,000 in out-of-state sales to consumers. While well intentioned by the sponsors, the total of these credits are too low to even support a single worker in this industry.

It is undisputed that tobacco product consumption is harmful to public health. According to the U.S. Centers for Disease Control and Prevention, 4.6 million middle and high school students use tobacco products. While only five percent of adults use cigars, over eight percent of high school students use these products. Among middle and high school students, use of cigars nearly equals the rate of cigarettes. Cheaper, candy-flavored cigars are particularly attractive to youth and have the potential to turn kids into lifelong smokers. Cigar smoking is not a safer alternative to cigarettes, and is linked to increased risk of cancer and death. In short, taxes on tobacco products have proven to be an effective public health tool. Allowing reductions for retailers and distributors, such as those reauthorized by Senate Bill 17-139, harms Colorado's ability to educate the public on risks associated with tobacco use.

We believe that tax uniformity and equity are core foundations for an efficient and fair tax code. Excise taxes apply to alcohol, marijuana, tobacco and fuels. Other excise taxes have no such tax credit. As such, uniformity and equity are two important principles absent in this bill. Accordingly, I have vetoed Senate Bill 17-139.

Sincerely,
(signed)
John W. Hickenlooper
Governor

SECTION 12. In Colorado Revised Statutes, add part 13 to article 82 of title 24 as follows:

LEASE-PURCHASE AGREEMENTS FOR STATE PROPERTY
24-82-1301. Legislative declaration. (1) The general assembly hereby finds and declares that:
   (a) Due to insufficient funding, necessary high-priority state highway projects and state capital construction projects, including projects at state institutions of higher education, in all areas of the state have been delayed, and the state has also delayed critical controlled maintenance and upkeep of state capital assets;
   (b) By issuing lease-purchase agreements using state buildings as collateral as authorized by this part 13, the state can generate sufficient funds to accelerate the completion of many of the necessary high-priority state highway projects and capital construction projects that have been delayed and better maintain and preserve existing state capital assets;
   (c) It is the intent of the general assembly that a majority of the additional funding for state capital construction projects realized from issuing lease-purchase agreements be used for controlled maintenance and upkeep of state capital assets.

24-82-1302. Definitions. As used in this part 13, unless the context otherwise requires:
   (1) "Capital construction" has the same meaning as set forth in section 24-30-1301 (2).

(1) On or before December 31, 2017, the state architect, the director of the office of state planning and budgeting or his or her designee, and the state institutions of higher education shall identify and prepare a collaborative list of eligible state facilities that can be collateralized as part of the lease-purchase agreements for capital construction and transportation projects authorized in this part. The total current replacement value of the identified buildings must equal at least two billion dollars.

(2) (a) Notwithstanding the provisions of sections 24-82-102(1)(b) and 24-82-801, and pursuant to section 24-36-121, no sooner than July 1, 2018, the state, acting by and through the state treasurer, shall execute lease-purchase agreements, each for no more than twenty years of annual payments, for the projects described in subsection (4) of this section. The state shall execute the lease-purchase agreements only in accordance with the following schedule:

(I) During the 2018-19 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(II) During the 2019-20 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars;

(III) During the 2020-21 state fiscal year, the state shall execute lease-purchase agreements in an amount up to five hundred million dollars; and

(d) Any lease-purchase agreement executed as required by subsection (2)(a) of this section shall provide that all of the obligations of the state under the agreement are subject to the action of the general assembly in annually making money available for all payments thereunder. Payments under any lease-purchase agreement must be subject to annual allocation pursuant to section 43-1-113 by the transportation commission created in section 43-1-106(1) or subject to annual appropriation by the general assembly, as applicable, from the following sources of money:

(I) First, nine million dollars annually, or any lesser amount that is sufficient to make each full payment due, shall be paid from the general fund or any other legally available source of money for the purpose of fully funding the controlled maintenance and capital construction projects in the state to be funded with the proceeds of lease-purchase agreements as specified in subsection (4)(a) of this section;

(II) Next, fifty million dollars annually, or any lesser amount that is sufficient to make each full payment due, shall be paid from any legally available money under the control of the transportation commission solely for the purpose of allowing the construction, supervision, and maintenance of state highways to be funded with the proceeds of lease-purchase agreements as specified in subsection (4)(b) of...
THIS SECTION AND SECTION 43-4-206 (1)(b)(V); AND

(III) The remainder of the amount needed, in addition to the amounts specified in subsections (2)(d)(I) and (2)(d)(II) of this section, to make each full payment due shall be paid from the general fund or any other legally available source of money.

(e) Each agreement must also provide that the obligations of the state do not create state debt within the meaning of any provision of the state constitution or state law concerning or limiting the creation of state debt and are not a multiple fiscal-year direct or indirect debt or other financial obligation of the state within the meaning of section 20 (4) of article X of the state constitution. If the state does not renew a lease-purchase agreement executed as required by subsection (2)(a) of this section, the sole security available to the lessor is the property that is the subject of the nonrenewed lease-purchase agreement.

(f) A lease-purchase agreement executed as required by subsection (2)(a) of this section may contain such terms, provisions, and conditions as the state treasurer, acting on behalf of the state, deems appropriate, including all optional terms; except that each lease-purchase agreement must specifically authorize the state or the governing board of the applicable state institution of higher education to receive fee title to all real and personal property that is the subject of the lease-purchase agreement on or before the expiration of the terms of the agreement.

(g) Any lease-purchase agreement executed as required by subsection (2)(a) of this section may provide for the issuance, distribution, and sale of instruments evidencing rights to receive rentals and other payments made and to be made under the lease-purchase agreement. The instruments may be distributed, or sold only by the lessor or any person designated by the lessor and not by the state. The instruments do not create a relationship between the purchasers of the instruments and the state or create any obligation on the part of the state to the purchasers. The instruments are not notes, bonds, or any other evidence of state debt within the meaning of any provision of the state constitution or state law concerning or limiting the creation of state debt and are not a multiple fiscal-year direct or indirect debt or other financial obligation of the state within the meaning of section 20 (4) of article X of the state constitution.

(h) Interest paid under a lease-purchase agreement authorized pursuant to subsection (2)(a) of this section, including interest represented by the instruments, is exempt from Colorado income tax.

(i) The state, acting by and through the state treasurer and the governing boards of the institutions of higher education, is authorized to enter into ancillary agreements and instruments that are necessary or appropriate in connection with a lease-purchase agreement, including but not limited to deeds, ground leases, sub-leases, easements, or other instruments relating to the real property on which the facilities are located.

(j) The provisions of section 24-30-202 (5)(b) do not apply to a lease-purchase agreement executed as required by or to any ancillary agreement or instrument entered into pursuant to this subsection (2). The state controller or his or her designee shall waive any provision of the fiscal rules promulgated pursuant to section 24-30-202 (1) and (13), that the state controller finds incompatible or inapplicable with respect to a lease-purchase agreement or an ancillary agreement or instrument.

Before executing a lease-purchase agreement required by subsection (2)(a) of this section, in order to protect against future interest rate increases, the state, acting by and through the state treasurer and at the discretion of the state treasurer, may enter into an interest rate exchange agreement pursuant to article 59.3 of title 11. A lease-purchase agreement...

(b) ANY AGREEMENT ENTERED INTO PURSUANT TO THIS SUBSECTION (3) MUST ALSO PROVIDE THAT THE OBLIGATIONS OF THE STATE DO NOT CREATE STATE DEBT WITHIN THE MEANING OF ANY PROVISION OF THE STATE CONSTITUTION OR STATE LAW CONCERNING OR LIMITING THE CREATION OF STATE DEBT AND ARE NOT A MULTIPLE FISCAL-YEAR DIRECT OR INDIRECT DEBT OR OTHER FINANCIAL OBLIGATION OF THE STATE WITHIN THE MEANING OF SECTION 20 (4) OF ARTICLE X OF THE STATE CONSTITUTION. (c) ANY MONEY RECEIVED BY THE STATE UNDER AN AGREEMENT ENTERED INTO PURSUANT TO THIS SUBSECTION (3) SHALL BE USED TO MAKE PAYMENTS ON LEASE-PURCHASE AGREEMENTS ENTERED INTO PURSUANT TO SUBSECTION (2) OF THIS SECTION OR TO PAY THE COSTS OF THE PROJECT FOR WHICH A LEASE-PURCHASE AGREEMENT WAS EXECUTED. SECTION 14. In Colorado Revised Statutes, 25.5-4-209, amend (1)(b); and add (1)(c) and (1)(d) as follows: 25.5-4-209. (II) FOR BOTH PHARMACY AND HOSPITAL OUTPATIENT SERVICES, THE AMOUNT REQUIRED TO BE PAID BY THE RECIPIENT SHALL NOT EXCEED ANY SPECIFIED MAXIMUM DOLLAR AMOUNT ALLOWED BY FEDERAL LAW OR REGULATIONS AS OF JANUARY 1, 2017.

(d) THE STATE DEPARTMENT SHALL EVALUATE OPTIONS TO EXEMPT INDIVIDUALS WHO ARE QUALIFIED FOR INSTITUTIONAL CARE BUT ARE INSTEAD ENROLLED IN HOME- AND COMMUNITY-BASED SERVICE WAIVERS FROM THE INCREASED PAYMENT REQUIREMENTS SPECIFIED IN SUBSECTION (1)(c) OF THIS SECTION.

SECTION 15. In Colorado Revised Statutes, 25.5-4-402, amend (3)(a) as follows:

SECTION 16. In Colorado Revised Statutes, repeal as amended by Senate Bill 17-256 25.5-4-402.3.

SECTION 17. In Colorado Revised Statutes, add 25.5-4-402.4 as follows:

25.5-4-402.4. Hospitals - healthcare affordability and sustainability fee - legislative declaration - Colorado healthcare affordability and sustainability enterprise - federal waiver - fund created - rules.

(1) Short title. The short title of this section is the "COLORADO HEALTHCARE AFFORDABILITY AND SUSTAINABILITY ENTERPRISE ACT OF 2017".

(2) Legislative declaration. The general assembly hereby finds and declares that:

(a) The state and the providers of publicly funded medical services, and hospitals in particular, share a common commitment to comprehensive health care reform;

(b) Hospitals within the state incur significant costs by providing uncompensated emergency department care and other uncompensated medical services to low-income and uninsured populations;

(c) This section is enacted as part of a comprehensive health care reform and is intended to provide the following services and benefits to hospitals and individuals:

(I) Providing a payer source for some low-income and uninsured populations who may otherwise be cared for in emergency departments and other settings in which uncompensated care is provided;

(II) Reducing the underpayment to Colorado hospitals participating in publicly funded health insurance programs;

(III) Reducing the number of persons in Colorado who are without health care benefits;

(IV) Reducing the need of hospitals and other health...
care providers to shift the cost of providing uncompensated care to other payers;

(V) Expanding access to high-quality, affordable health care for low-income and uninsured populations; and

(VI) Providing the additional business services specified in subsection (4)(a)(IV) of this section to hospitals that pay the healthcare affordability and sustainability fee charged and collected as authorized by subsection (4) of this section by the Colorado healthcare affordability and sustainability enterprise created in subsection (3)(a) of this section;

(d) The Colorado healthcare affordability and sustainability enterprise provides business services to hospitals when, in exchange for payment of healthcare affordability and sustainability fees by hospitals, it:

(I) Obtains federal matching money and returns both the healthcare affordability and sustainability fee and the federal matching money to hospitals to increase reimbursement rates to hospitals for providing medical care under the state medical assistance program and the Colorado indigent care program and to increase the number of individuals covered by public medical assistance; and

(II) Provides additional business services to hospitals as specified in subsection (4)(a)(IV) of this section;

(e) It is necessary, appropriate, and in the best interest of the state to acknowledge that by providing the business services specified in subsections (2)(d)(I) and (2)(d)(II) of this section, the Colorado healthcare affordability and sustainability enterprise engages in an activity conducted in the pursuit of a benefit, gain, or livelihood and therefore operates as a business;

(f) Consistent with the determination of the Colorado supreme court in Nicholl v. E-470 Public Highway Authority, 896 P.2d 859 (Colo. 1995), that the power to impose taxes is inconsistent with enterprise status under section 20 of article X of the state constitution, it is the conclusion of the general assembly that the healthcare affordability and sustainability fee charged and collected by the Colorado healthcare affordability and sustainability enterprise is a fee, not a tax, because the fee is imposed for the specific purposes of allowing the enterprise to defray the costs of providing the business services specified in subsections (2)(d)(I) and (2)(d)(II) of this section to hospitals that pay the fee and is collected at rates that are reasonably calculated based on the benefits received by those hospitals; and

(g) So long as the Colorado healthcare affordability and sustainability enterprise qualifies as an enterprise for purposes of section 20 of article X of the state constitution, the revenues from the healthcare affordability and sustainability fee charged and collected by the enterprise are not state fiscal year spending, as defined in section 24-77-102(17), or state revenues, as defined in section 24-77-103.6(6)(c), and do not count against either the state fiscal year spending limit imposed by section 20 of article X of the state constitution or the excess state revenues cap, as defined in section 24-77-103.6(6)(b)(I).

(3)(a) The Colorado healthcare affordability and sustainability enterprise, referred to in this section as the "enterprise", is created. The enterprise is and operates as a government-owned business within the state department for the purpose of charging and collecting the healthcare affordability and sustainability fee, leveraging healthcare affordability and sustainability fee revenue to obtain federal matching money, and utilizing and deploying the healthcare affordability and sustainability fee revenue and federal matching money to provide the business services specified in subsections (2)(d)(I) and (2)(d)(II) of this section to hospitals that pay the healthcare affordability and sustainability fee.

(b) The enterprise constitutes an enterprise for purposes of section 20 of article X of the state constitution so long as it
RETAINS THE AUTHORITY TO ISSUE REVENUE BONDS AND RECEIVES LESS THAN TEN PERCENT OF ITS TOTAL REVENUES IN GRANTS FROM ALL COLORADO STATE AND LOCAL GOVERNMENTS COMBINED. SO LONG AS IT CONSTITUTES AN ENTERPRISE PURSUANT TO THIS SUBSECTION (3)(b), THE ENTERPRISE IS NOT SUBJECT TO ANY PROVISIONS OF SECTION 20 OF ARTICLE X OF THE STATE CONSTITUTION.

(c)(I) The repeal of the hospital provider fee program, as it existed pursuant to section 25.5-4-402.3 before its repeal, effective July 1, 2017, by Senate Bill 17-267, enacted in 2017, and the creation of the Colorado healthcare affordability and sustainability enterprise as a new enterprise to charge and collect a new healthcare affordability and sustainability fee as authorized by subsection (4) of this section and provide healthcare affordability and sustainability fee-funded business services to hospitals that replace and supplement services previously funded by hospital provider fees is the creation of a new government-owned business that provides business services to hospitals as a new enterprise for purposes of section 20 of article X of the state constitution, does not constitute the qualification of an existing government-owned business as an enterprise for purposes of section 20 of article X of the state constitution or section 24-77-103.6(6)(b)(II), and, therefore, does not require or authorize adjustment of the state fiscal year spending limit calculated pursuant to section 20 of article X of the state constitution or the excess state revenues cap, as defined in section 24-77-103.6(6)(b)(I).

(II) Notwithstanding subsection (3)(c)(I) of this section, because the repeal of the hospital provider fee program, as it existed pursuant to section 25.5-4-402.3 before its repeal by Senate Bill 17-267, enacted in 2017, will allow the state to spend more general fund money for general governmental purposes than it would otherwise be able to spend below the excess state revenues cap, as defined in section 24-77-103.6(6)(b)(I), it is appropriate to restrain the growth of government by lowering the base amount used to calculate the excess state revenues cap for the 2017-18 state fiscal year by two hundred million dollars.

(d) The enterprise’s primary powers and duties are:

(I) To charge and collect the healthcare affordability and sustainability fee as specified in subsection (4) of this section;

(II) To leverage healthcare affordability and sustainability fee revenue collected to obtain federal matching money, working with or through the state department and the state board to the extent required by federal law or otherwise necessary;

(III) To expend healthcare affordability and sustainability fee revenue, matching federal money, and any other money from the healthcare affordability and sustainability fee cash fund as specified in subsections (4) and (5) of this section;

(IV) To issue revenue bonds payable from the revenues of the enterprise;

(V) To enter into agreements with the state department to the extent necessary to collect and expend healthcare affordability and sustainability fee revenue;

(VI) To engage the services of private persons or entities serving as contractors, consultants, and legal counsel for professional and technical assistance and advice and to supply other services related to the conduct of the affairs of the enterprise, including the provision of additional business services to hospitals as specified in subsection (4)(a)(IV) of this section, and

(VII) To adopt and amend or repeal policies for the regulation of its affairs and the conduct of its business consistent with the provisions of this section.

(e) The enterprise shall exercise its powers and perform its duties as if the same were transferred to the state department by a TYPE 2 TRANSFER, as defined in section 24-1-105.
(4) Healthcare affordability and sustainability fee. (a) For the fiscal year commencing July 1, 2017, and for each fiscal year thereafter, the enterprise is authorized to charge and collect a healthcare affordability and sustainability fee, as described in 42 CFR 433.68 (b), on outpatient and inpatient services provided by all licensed or certified hospitals, referred to in this section as "hospitals", for the purpose of obtaining federal financial participation under the state medical assistance program as described in this article 4 and articles 5 and 6 of this title 25.5, referred to in this section as the "State medical assistance program", and the Colorado indigent care program described in part 1 of article 3 of this title 25.5, referred to in this section as the "Colorado indigent care program". The enterprise shall use the healthcare affordability and sustainability fee revenue to:

(i) Provide a business service to hospitals by increasing reimbursement to hospitals for providing medical care under:

(A) The state medical assistance program; and
(B) The Colorado indigent care program;

(ii) Provide a business service to hospitals by increasing the number of individuals covered by public medical assistance and thereby reducing the amount of uncompensated care that the hospitals must provide;

(iii) Pay the administrative costs to the enterprise in implementing and administering this section subject to the limitation that administrative costs of the enterprise are limited to three percent of the enterprise's expenditures based on a methodology approved by the office of state planning and budgeting and the staff of the joint budget committee of the general assembly; and

(iv) Provide or contract for or arrange the provision of additional business services to hospitals by:

(A) Consulting with hospitals to help them improve both cost efficiency and patient safety in providing medical services and the clinical effectiveness of those services;

(I) The commission has issued a notice to operators to require operators in the state to identify and inspect flowlines within one thousand feet of a building unit to ensure and document integrity of flowlines statewide and to verify that any existing flowline that is not in active use, regardless of when it was installed or taken out of service, is abandoned pursuant to 2 CCR 404-1, rule 1103, as the rule was in effect on the effective date of this subsection (18). This process is being done in two phases. The first phase emphasizes the identification and inspection of flowlines within one thousand feet of a building unit, the documentation of integrity of those flowlines, and the proper abandonment of any flowline statewide that is not in active use. The second phase is to inspect and document flowline integrity for all existing flowlines statewide.

(II) The general assembly supports this notice to operators issued by the commission. It is important for the legislature to keep apprised of the progress and results of this effort to ensure that it is directed at a meaningful and
IMMEDIATE RESPONSE THAT ENHANCES UNDERSTANDING AND SAFETY WITH RESPECT TO UNDERGROUND FLOWLINES NEAR RESIDENTIAL DEVELOPMENTS.

(b) NOTWITHSTANDING SECTION 24-1-136(11), THE COMMISSION SHALL REPORT PROGRESS OF THE EFFORT DESCRIBED IN THIS SUBSECTION (18) TO THE GENERAL ASSEMBLY THIRTY DAYS AFTER THE ENACTMENT OF THIS SUBSECTION (18) AND EVERY THIRTY DAYS THEREAFTER UNTIL THE PROCESS OF ENSURING INTEGRITY OF THE FLOWLINES AND DOCUMENTING THAT PROCESS IS COMPLETED.

**SJR17-043** by Senator(s) Coram; also Representative(s) McLachlan--Concerning urging the Attorney General of Colorado to file a lawsuit against the federal Environmental Protection Agency for damages caused by the spill at the Gold King mine.

Amendment No. 1(L.002), by Senator Coram.

Amend printed resolution, page 1, strike lines 1 through 9.

Strike pages 2 through 4 and substitute:

"WHEREAS, On August 5, 2015, a contractor hired by the federal Environmental Protection Agency to perform mine reclamation work breached a tunnel wall at the Gold King mine above Silverton, Colorado, causing a massive spill of three million gallons of toxic wastewater to pour into Cement Creek and flow into the headwaters that feed into the Animas River; and"

WHEREAS, The mustard-yellow-colored sludge, containing nearly nine hundred thousand pounds of heavy metals such as arsenic, lead, cadmium, copper, mercury, and zinc, poured into the waterways, causing widespread environmental damage and substantial economic harm to the citizens of Colorado; and

WHEREAS, The spill heavily contaminated the river water that is the lifeblood of certain Colorado communities, harming the environment, agricultural industry, wildlife, and tourism in the affected area; and

WHEREAS, The Colorado agricultural and Native American communities in the affected area depend on the Animas River for irrigation and drinking water contaminated by the spill; and

WHEREAS, On August 10, 2015, the Governor of Colorado issued executive order D 2015-007, declaring a state of emergency due to the Gold King mine spill, and the Southern Ute Tribe, La Plata and San Juan counties, and Durango and Silverton also declared disaster emergencies, highlighting the gravity and severity of the impacts on Cement Creek and the Animas River; and
WHEREAS, After the incident, local authorities closed the affected waterways to all uses, causing significant local economic damages; and

WHEREAS, The Governor's executive order D 2015-007 noted that: "The extreme flow rate of the plume caused significant damage to the Cement Creek stream bed resulting in sedimentation uptake and downstream deposits in both Cement Creek and the Animas River. All of these impacts require emergency action by the Southern Ute Tribe, the State of Colorado, and local officials to avert loss of life, injury, danger or damage, including but not limited to unknown economic, financial and natural resources impacts"; and

WHEREAS, The United States Department of the Interior, Bureau of Reclamation, issued a report entitled "Technical Evaluation of the Gold King Mine Incident", dated October 2015, and concluded that the spill was "preventable" and was caused by mistakes made by the federal Environmental Protection Agency and its contractor; and

WHEREAS, On August 11, 2015, then-EPA Administrator Gina McCarthy agreed without caveat to take "full responsibility" for causing the spill and for its impact on our state and local communities, and the Obama-era EPA also stated it would "expedite" resolution of "Federal Tort Claims Act" filings by Colorado citizens harmed by the spill; and

WHEREAS, On January 13, 2017, the Denver Post reported that an Environmental Protection Agency official, speaking on condition of anonymity, said that the Environmental Protection Agency had conducted a legal analysis and concluded that sovereign immunity protects the Environmental Protection Agency and that the Environmental Protection Agency had no legal authority to pay damages pursuant to the "Federal Tort Claims Act" unless Congress authorized a lawsuit; and

WHEREAS, The federal Environmental Protection Agency has actually paid some state and local government claims arising out of the Gold King mine spill but rejected "Federal Tort Claims Act" filings made by Colorado citizens and businesses harmed by the spill; and

WHEREAS, On January 13, 2017, a little more than eighteen months after the spill, then-Administrator McCarthy notified claimants that the federal Environmental Protection Agency determined that it is "not legally able" to pay compensation for administrative claims brought under the "Federal Tort Claims Act", further stating that the so-called "discretionary function exception" bars such claims and that the "circumstances surrounding the Gold King Mine incident unfortunately do not meet the conditions necessary to pay claims"; and

WHEREAS, The state of Colorado has been harmed by the actions of the federal Environmental Protection Agency in its handling of the Gold King mine spill, the federal Environmental Protection Agency admits its "full responsibility" for the spill, and the federal Environmental Protection Agency should be held accountable for its harmful actions; and

WHEREAS, The state should pursue the recovery of monetary damages caused to the state of Colorado for those injuries; and

WHEREAS, The General Assembly recognizes the separation of powers inherent between the legislative branch and the executive branch and acknowledges that the Attorney General has authority under section 24-31-101, Colorado Revised Statutes, to appear for the state and prosecute and defend all actions and proceedings, civil and criminal, in which the state is a party or is interested when required to do so by the Governor as legal counsel for the executive branch; and

WHEREAS, To date, the state of Colorado has not filed a lawsuit against the federal Environmental Protection Agency to recover damages as a result of the Gold King mine spill; now, therefore,

Be It Resolved by the Senate of the Seventy-first General Assembly of the State of Colorado, the House of Representatives concurring herein:
(1) That the General Assembly urges the Governor of Colorado, the Department of Public Health and Environment, and the Natural Resources Trustees, in consultation with the Colorado Attorney General, to sue the federal Environmental Protection Agency on behalf of the state of Colorado to seek compensation for the harm caused to the state by the Gold King mine spill; and

(2) That the General Assembly strongly urges and requests the Governor of Colorado, the Colorado Department of Public Health and Environment, and the Natural Resources Trustees, in consultation with the Attorney General of the state, to file a lawsuit against the federal Environmental Protection Agency to recover environmental and economic damages caused to the state and its citizens by the federal Environmental Protection Agency and its contractor as a result of the Gold King mine spill.

Be It Further Resolved, That copies of this Joint Resolution be sent to Governor John Hickenlooper, the Executive Director of the Colorado Department of Natural Resources, the Executive Director of the Colorado Department of Public Health and Environment, Attorney General Cynthia Coffman, and each member of Colorado's delegation to the United States Congress."

Page 1, line 101, strike "THE ATTORNEY GENERAL OF COLORADO" and substitute "COLORADO'S EXECUTIVE BRANCH".

The Honorable Colorado Senate
Seventy-First General Assembly
First Regular Session
State Capitol Building
Denver, Colorado 80203

Ladies and Gentlemen:

It is my honor to inform you that I have approved and filed with the Secretary of State the following Act:

Approved May 26, 2017 at 9:20 a.m.

With the FY 2017-18 budget and its accompanying legislative package, the Colorado General Assembly has once again distinguished itself with a spirit of bipartisan compromise. This budget continues a Colorado tradition of prioritizing prudent spending increases for critical programs in a constricted revenue environment.

Separate from the budget package, the passage of S.B. 17-267 ensures that Colorado's budget can meet the needs of a growing state, subject to the normal fluctuations of economic activity. We applaud the General Assembly for this and many other important achievements during the 2017 Legislative session, including:

- K-12 Education - With the passage of the annual School Finance Act, funding for primary and secondary education will increase with inflation and enrollment over the prior year. In addition, the negative factor is reduced to $828.3 million for FY 2017-18, $2.4 million below the $830.7 million contained in the initial FY 2016-17 appropriation.
- Housing for at-risk populations - This budget provides $15.3 million from the Marijuana Tax Cash Fund to provide permanent supportive housing and rapid re-housing assistance for individuals with behavioral health needs, and for individuals experiencing or at-risk of homelessness. By providing stable housing, which includes rental assistance and supportive services, we expect to reduce incarceration, hospitalization, and homelessness for many of Colorado's most vulnerable citizens.
- Unregulated "Gray Market" Medical Marijuana Activity - H.B. 17-1220 and H.B. 17-1221 create the authority and resources needed to combat and prevent the illegal diversion of medical marijuana to unregulated markets, or "gray market" activity. In addition to placing a new 12-plant cap on the number of plants that can be possessed or grown on a residential property, these bills also create a grant program totaling $5.9 million from the Marijuana Tax Cash Fund to reimburse local governments for law enforcement and prosecution costs associated with gray and black marijuana markets.
- School Health Professionals Grant Program - The Department of Education received an increase of $9.7 million from the Marijuana Tax Cash Fund to augment a program that offers matching grants to School Districts, Local Education Authorities, and charter schools to increase the presence of health professionals in secondary schools. These grants are estimated to increase by 150 the number of school health professionals statewide, providing education, universal screening, referral, and care coordination for students with substance abuse and other behavioral health needs.
- Addressing Mental Health in Colorado's Criminal Justice System - Through S.B. 17-207, the Department of Human Services received $7.1 million from the Marijuana Tax Cash Fund aimed at ending the use of jails for holding people who have committed no crime and are experiencing a mental health crisis, and to implement criminal justice diversion programs at the local level. These initiatives will help direct individuals with immediate mental health and substance needs to more appropriate services outside the criminal justice system.
Concerns with S.B. 17-254 Footnotes

It is the Governor’s constitutional obligation to review the general appropriations bill and exercise the line item veto when necessary. We recognize and appreciate the legitimate and reasonable expression by the General Assembly of the intent associated with certain appropriations contained in the FY 2017-18 Long Bill. In fact, many of these expressions of intent are based on information contained within the Executive Branch budget requests. In general, we interpret most of these expressions of intent as different from attempts to administer appropriations or to pursue substantive law via the general appropriations bill. Thus, we have not vetoed any of the footnotes in S.B. 17-254.

While the Legislature has the prerogative to express its intent, the Executive Branch maintains the clear and inherent responsibility to administer appropriations (see Colorado General Assembly v. Owens, 136 P.3d 262 (Colo. 2006); Colorado General Assembly v. Lamm, 704 P.2d 1371 (Colo. 1985); and Anderson v. Lamm, 195 Colo. 437, 579 P.2d 620 (1978)). For this reason, we have directed Executive Branch agencies to comply with the intent of the footnotes contained in S.B. 17-254 to the extent practicable and appropriate.

Moreover, if operational needs dictate otherwise, the Executive Branch will not be constrained by any limitations implied within any of the Long Bill footnotes. In particular, many footnotes in S.B. 17-254 may constitute attempts by the General Assembly to administer the appropriation, including:

• those that indicate dollar amounts for expenditure in specific programs or for specific purposes; and
• those that indicate specific expectations for programmatic expenditures or activities.

As such, State departments may deviate from the intent expressed in any footnote as necessary.

Five footnotes included in S.B. 17-254 are of particular concern to us:

• Footnote 1, page 13: Department of Agriculture, Agriculture Services, Plant Industry Division - It is the intent of the General Assembly that the portion of this appropriation used by the Division to support the 13.3 FTE for the inspection and enforcement of pesticide use on marijuana and industrial hemp crops not be continued for any fiscal year after FY 2017-18, unless justification for the continued need is provided by the Department through a formal request.

Our administration believes that the safe use of pesticides on marijuana and industrial hemp crops will remain an indefinite concern for the health and welfare of residents and visitors in Colorado. For this reason, we do intend to revisit this issue during the 2018 Legislative session to seek a more permanent funding solution for this important program.

• Footnote 41, page 119: Department of Human Services, Office of Early Childhood, Division of Community and Family Support, Early Childhood Mental Health Services - It is the intent of the General Assembly that this appropriation be used for the purpose of supporting early childhood mental health specialists in each community mental health center.

Our administration agrees with the intent of this footnote, and the Department of Human Services will make every reasonable effort to ensure that each community mental health center (CMHC) will choose to employ early childhood mental health specialists. However, because the State secures the services of CMHCs through a competitive procurement process, we cannot guarantee that each CMHC will respond satisfactorily to the procurement solicitations issued by DHS. The Department will conduct targeted outreach to each of the CMHCs to encourage their participation in this effort.

• Footnote 47, page 120: Department of Human Services, Behavioral Health Services, Integrated Behavioral Health Services, Rural Co-occurring Disorder Services - It is the intent of the General Assembly that this appropriation be used for the purpose of providing a full continuum of co-occurring behavioral health treatment services in southern Colorado and the Arkansas Valley.

After issuing a Request for Proposals during FY 2016-17 for this purpose, the Department of Human Services was able to contract with one vendor to provide these services in the Arkansas Valley. The Department will monitor this vendor to ensure the greatest possible compliance with the intent of this footnote.
• **Footnote 68a, page 176**: Department of Natural Resources, Oil and Gas Conservation Commission, Program Costs - It is the General Assembly's intent that $750,000 from the Severance Tax Operational Fund appropriated to this line item be expended hiring individuals for the nine vacant positions being held vacant due to revenue shortfalls identified in the Department of Natural Resources Staff Memo dated March 29, 2017.

This footnote attempts to administer the appropriation by directing the hiring of a specific number of FTE positions in this program. While our administration agrees with the intent of this footnote, the Department of Natural Resources may reprioritize the use of this funding as the business needs of the Oil and Gas Conservation Commission dictate.

• **Footnote 76, page 212**: Department of Public Health and Environment, Administration and Support, Administration, Leave Payouts - The Department may use this line item for leave payouts for cash funded and federal funded employees only.

This footnote administers the appropriation. The Department of Public Health and Environment will observe existing State and federal rules in the use of indirect cost recoveries for leave payouts, and will comply with the intent of this footnote only when practicable.

As in recent years, we also remain concerned with the General Assembly's inclusion of full-time equivalent positions (FTE) within the general appropriations act. The Colorado Supreme Court's opinion in Anderson v. Lamm, 195 Colo. 437, 579 P.2d 620 (1978) clearly states that "specific staffing and resource allocation decisions" in a general appropriations bill are unconstitutional. The Supreme Court affirmed this finding in Colorado General Assembly v. Owens, 136 P.3d 262 (Colo. 2006). Further, it remains our opinion that any predetermined prescription of FTE authorization limits the ability of State agencies to make the most resource-effective use of appropriations to accomplish critical performance objectives.

Therefore, Executive Branch agencies are instructed to manage their appropriations within the scope of the dollars appropriated in S.B. 17-254 and without limitation by the bill's FTE authorizations.

**Closing Comments**

We would like to express our enduring gratitude for the work performed by the Joint Budget Committee members, the Joint Budget Committee staff, the staff of the Office of State Planning and Budgeting, and the scores of budget analysts throughout Colorado's government for their tireless commitment to the betterment of Colorado.

Sincerely,

Dear Members of the Colorado Senate:

Today, we filed with the Secretary of State Senate Bill 17-012, "Concerning Competency Restoration Services for Defendants Deemed Incompetent to Proceed" (SB 17-012). As I am neither signing nor vetoing SB 17-012, the bill will become law at 12:01 A.M. on June 10, 2017.

Although we agree that SB 17-012 sets good policy for the State of Colorado, for the same reasons elaborated in my letter delivered to the Senate today on Senate Bill 17-019, we have concerns that the bill's full and true impact on the state budget was not fully transparent.

We remain grateful for the House sponsor's efforts to alleviate several of these concerns when these issues were raised. However, we expect that future legislation not contain
"work-around" language to the annual appropriations process - whether by delays of implementation dates several years out, use of unnecessarily optional or permissive bill language, or other tactics that may veil a bill's true cost to the taxpayers.

For these reasons, I allowed Senate Bill 17-012 to become law without my signature.

Sincerely,

The Honorable Colorado Senate
General Assembly
State Capitol

Dear Members of the Colorado Senate:

Today, we filed with the Secretary of State Senate Bill 17-019, "Concerning Medication Consistency for Persons with Mental Illness in the Criminal and Juvenile Justice Systems" (SB 17-019). As I am neither signing nor vetoing SB 17-019, the bill will become law at 12:01 A.M. on June 10, 2017. This letter sets forth my reasons for allowing SB 17-019 to become law absent my signature.

Senate Bill 17-019 implements recommendations of the Legislative Oversight Committee Concerning the Treatment of Persons with Mental Health Disorders in the Criminal and Juvenile Justice Systems. We are pleased with the bill's statutory changes and its support for Coloradans with mental illnesses. On the bill's policy merits, we take no issue. However, we have concerns regarding the bill's cost and the late amendments that were added to this legislation.

Like all bills, SB 17-019 received an independent fiscal impact analysis. The original fiscal note estimated a cost of $540,575 and 0.9 full time employees (FTE) in FY 2017-18 and continued costs in future fiscal years. During the legislative process, amendments reduced the stated fiscal impact to $26,000 and zero FTE.

Accounting for this significantly lowered fiscal estimate, in the final week of the 2017 legislative session, amendments were added delaying several of the bill's implementation dates beyond Fiscal Year 2017-2018. Furthermore, language was inserted making most of the bill's requirements voluntary, subject to out-year budgeting, and legislating future budget requests by the Administration to prioritize funds to accomplish the bill's tasks. These changes were stated to have been done to secure passage and sidestep the fiscal constraints of the House and Senate Appropriations Committees.

We are very grateful for the House sponsor's efforts to alleviate some of these concerns when these issues were raised. However, legislation should not contain "work-around" language to the annual appropriations process - whether by delays of implementation dates several years out, use of optional or permissive bill language, or other tactics that may veil a bill's true cost to the taxpayers.

Although we remain persuaded that SB 17-019 enacts positive changes for the State, we expect legislation to be more transparent on its impact on taxpayer funds. Given that we are frequently accused of not correctly prioritizing our resources or not making tough choices, the strategy in this bill merits highlighting. For these reasons, I allowed Senate Bill 17-019 to become law without my signature.

Sincerely,

Dear Members of the Colorado Senate:  

Today, I vetoed Senate Bill 17-111, "Concerning Measures to Address Medical Marijuana Inventory Shortfalls" (SB 17-111) at 8:41 am. Senate Bill 17-111 provides the Marijuana Enforcement Division (MED) rulemaking authority to modify vertical integration requirements for medical marijuana licensees and grants an exception to such requirements for inventory transfers between identically owned licensees.  

Vertical integration has been a critical component of Colorado’s medical marijuana regulatory system since the medical marijuana code was enacted in 2010. Each medical marijuana center must be aligned with a cultivation facility from which it must obtain at least 70 percent of its inventory. A center may receive up to 30 percent of its inventory from non-vertically aligned licensees and transfer as much as 30 percent of its inventory to non-vertically aligned licensees. These requirements are critical components of production management within the medical marijuana industry and prevent risk of diversion,  

SB 17-111 would allow these thresholds to be relaxed, and would provide a subset of licensees further exemptions from vertical integration requirements, such that 100 percent of those licensees’ inventory transfers may be conducted outside limits set in law. There is no clear data to support the basis for these provisions, and the bill does not provide a substitute for production management of medical marijuana inventory. Thus, both provisions weaken long-standing vertical integration laws in a manner that favors a subset of licensees, poses inventory tracking challenges for MED, and risks destabilizing Colorado medical marijuana markets.  

We have worked diligently with the General Assembly to establish a robust regulatory structure that responsibly manages production levels and prevents opportunities to distribute marijuana unlawfully. In this time of uncertainty regarding federal intervention in states that have legalized recreational marijuana, Colorado must demonstrate its ability to maintain a regulatory system that protects these priorities. Accordingly, I have vetoed SB 17-111.  

Sincerely,
