Of this appropriation, \$1,545,409 is from the savings produced by H.B. 10-1360 pursuant to Section 17-2-103 (11.5), C.R.S., for parolee Intensive Residential Treatment beds and for parolee sex offender beds and 48 Intensive Residential Treatment beds are from savings produced by S.B. 15-124. It is also assumed that the appropriation for placements in the cognitive behavioral treatment pilot program may be used to pay startup costs of the program.

	\$	\$	\$	\$	\$	\$	\$
88	Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This appropriation includes funding for 48 condition-of-probation placements.						
89	Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because provider rates are unchanged for FY 2016-17, these appropriations further assume that salary and staffing levels deemed adequate for FY 2015-16 will be deemed adequate for FY 2016-17 and that community corrections facilities with an average of 32 or more security FTE receive a second facility payment.
