If two or more districts are to be consolidated and if the consolidated district is to assume metropolitan district powers, the court shall order that the eligible electors vote separately on the question of consolidation and the question of granting the consolidated district the powers of a metropolitan district. If the eligible electors approve consolidation but reject the granting of metropolitan district powers, the consolidated district shall have only those powers

If all or part of the outstanding bonded indebtedness of all of the consolidating special districts is to be assumed by the consolidated district, the court shall also order that the eligible electors vote separately on the question of consolidation and the question of assuming the indebtedness at the consolidation election. If the eligible electors approve consolidation but reject the assumption of indebtedness by the consolidated district, the outstanding bonded indebtedness shall remain the obligation of the special district which incurred the bonded indebtedness and shall be paid and discharged by the taxpayers having taxable property within the boundaries of the indebted special district. If a preconsolidation agreement provides that the consolidation shall be contingent upon assumption of debt by the consolidated district, then the consolidation shall not be approved unless the assumption of indebtedness is approved by the eligible electors. If any financial obligation of one or more of the consolidating districts is to be submitted to the electors for approval as debt, the court shall also order that the electors vote separately on the question of consolidation and the question of approval of each financial obligation as debt, which issue shall be presented to the electors in accordance with ~~the provisions of~~ section 32-1-606.5.
