**TO:** Joint Budget Committee

**FROM:** Alfredo Kemm, JBC Staff (303-866-4549)

**SUBJECT:** Capital Construction-related Request for Information

**DATE:** April 14, 2015

---

Based on Committee discussions through the budget process, the Committee may wish to request information regarding the condition of older buildings owned by state agencies and the estimated cost to repair or demolish those buildings. Staff has prepared the following RFIs for the Committee's consideration. The first RFI is directed to the Departments of Corrections and Human Services. Alternatively, the second RFI is directed to all departments.

1. Department of Corrections; and Department of Human Services -- The Departments of Corrections and Human Services are requested to provide to the Joint Budget Committee an inventory list of department buildings or other department structures that are 50 years or older; each building's or structure's general condition and use status; and the estimated cost to address controlled maintenance needs or to provide for demolition.

OR

2. All Departments -- All Departments are requested to provide to the Joint Budget Committee an inventory list of department buildings or other department structures that are 50 years or older; each building's or structure's general condition and use status; and the estimated cost to address controlled maintenance needs or to provide for demolition.
