SUBJECT: Criminal Justice Reform Bills

### Summary

This memorandum provides a listing of criminal justice reform bills passed in Colorado over the past several years. More specifically, the attached table provides the bill number, title, and description of the criminal justice reform legislation, organized by category (i.e., bail, juvenile, sentencing, etc.).

Please note that this listing only highlights legislation that is typically considered to be reformative in nature, in that it aims to fix or improve upon perceived errors or current practices in the criminal justice system. Criminal justice reform encompasses every step in the criminal justice system, from what a state chooses to criminalize, to law enforcement and prosecutor engagement with communities and the accused, to how long people are kept in prison or jail, to reintegration upon return to society.
