capital construction projects subject to the limitation that the maximum total annual amount of lease payments payable under the terms of the agreements does not exceed \$80 million. The bill increases the maximum total annual amount of lease payments authorized to be paid with both state money and local matching money to \$90 million for the 2016-17 fiscal year, \$100 million for the 2017-18 fiscal year, \$110 million for the 2018-19 fiscal year, and \$120 million for the 2019-20 fiscal year and for each fiscal year thereafter. In addition, to match the increase in the maximum annual amount of lease payments authorized and thereby ensure that the annual transfer of public school lands income to the BEST program continues to be sufficient, by itself, to cover the 50% state share of the total amount of annual lease payments, the bill increases the minimum amount of the annual transfer from \$40 million to \$60 million.
