A BILL FOR AN ACT

101 **CONCERNING THE REGULATION OF RETAIL HYDROGEN FUEL SYSTEMS**
102 **FOR VEHICLES.**

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://www.leg.state.co.us/billsummaries>.)

On or before January 1, 2017, the director of the division of oil and public safety (director) is required to promulgate rules concerning retail hydrogen fuel for vehicles, including rules relating to inspections, measurement, and specifications. The director's rules must establish minimum design, construction, location, installation, and operation standards, and these standards must conform to the minimum standards

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.
Capital letters indicate new material to be added to existing statute.
Dashes through the words indicate deletions from existing statute.

prescribed in the National Fire Protection Association's national fire code, as revised by the Association from time to time. The division of oil and public safety is required to begin enforcing the rules on July 1, 2017. The director may promulgate rules to establish fees to offset the administrative costs incurred by the division of oil and public safety.

The bill amends the definition of "fuel products" to include hydrogen.

1 *Be it enacted by the General Assembly of the State of Colorado:*
