Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2016-17 based on the March 2016 Legislative Council Staff revenue forecast. The budget package allocates a total of \$3.2 million General Fund for 2016 legislation that is not accounted for in the budget package, including \$3.0 million to be available for appropriations plus \$0.2 million for the associated 6.5 percent statutory reserve. If this amount is not used to fund legislation, it will remain in the General Fund reserve.
