The bill creates the family caregiver support fund (fund) in the state treasury. that:

! There is a space available on the form; and

! The fund is next in the queue.

Once the fund is placed on the form, the department is directed to determine annually the total amount contributed to the fund and report that amount to the state treasurer and the general assembly. The state treasurer is required to credit that amount to the fund, and the general assembly appropriates from the fund to the department the costs of administering moneys designated for the fund. After that amount is deducted, the moneys remaining in the fund at the end of a fiscal year are transferred to Easter Seals Colorado, a nonprofit organization.

Following the statutory 2-year grace period for new tax check-offs, the fund is required to achieve the minimum contribution amount of \$50,000 per year to remain on the form.

1 *Be it enacted by the General Assembly of the State of Colorado:*
