3 tuition and fee payments shall be made by the student as required by the
4 original enrollment agreement or contract.

5 (b) Any student enrolled in a private occupational school ceasing
6 operation who declines the train-out required to be offered pursuant to
7 ~~paragraph (a) of this subsection (7)~~ SUBSECTION (5)(a) OF THIS SECTION
8 may file a claim with the board for the student's prorated share of the
9 prepaid, unearned tuition and fees paid by ~~such~~ THE student subject to the
10 limitations of ~~paragraph (c) of this subsection (7)~~ SUBSECTION (5)(c) OF
11 THIS SECTION. No subsequent payment shall be made to a student, unless
12 proof of satisfaction of any prior debt to a financial institution is
13 submitted in accordance with the board rules concerning the
14 administration of this section.

15 (c) If the amount of the bond is less than the total prepaid,
16 unearned tuition and fees ~~which~~ THAT have been paid by students at the
17 time the private occupational school ceased operation, the amount of the
18 bond shall be prorated among ~~such~~ THE students.

19 (d) The provisions of this ~~subsection (7)~~ SUBSECTION (5) shall be
20 applicable only to those students enrolled in the private occupational
21 school at the time it ceases operation, and, once a school ceases operation,
22 no new students shall be enrolled therein.

23 (e) The board shall be designated as the trustee for all prepaid,
24 unearned tuition and fees, student loans, Pell grants, and other student
25 financial aid assistance in the event that an approved private occupational
26 school ceases operation.

27 (f) The board shall determine whether the offering of a train-out

1 for students enrolled in an approved private occupational school ceasing
2 operation is practicable without federal government designation of the
3 board as trustee for student loans, Pell grants, and other student financial
4 aid assistance pursuant to ~~paragraph (e) of this subsection (7)~~ SUBSECTION
5 (5)(e) OF THIS SECTION.

6 ~~(8)~~ (6) At the time that application is made for an agent's permit
7 to represent a school located outside this state, ~~said~~ THE application shall
8 be accompanied by a surety bond in the sum of fifty thousand dollars.
9 ~~Said~~ THE bond shall be executed by the applicant as principal and by a
10 surety company authorized to do business in this state. The bond shall be
11 conditioned to provide indemnification to any student or enrollee or his
12 or her parent or guardian determined by the board to have suffered loss
13 of tuition or any fees as a result of any act or practice that is a violation
14 of any deceptive trade or sales practice as set forth in this ~~article~~ ARTICLE
15 64 or any criteria established pursuant thereto by ~~said~~ THE agent.
16 Regardless of the number of years that ~~said~~ THE bond is in force, the
17 aggregate liability of the surety thereon shall in no event exceed the penal
18 sum of the bond. The bond shall be continuous, unless ~~said~~ THE surety is
19 released as set forth in this section, and may be blanket in form. Any
20 student or enrollee or his or her parent or guardian claiming loss of tuition
21 or any fees as a result of any deceptive trade or sales practice shall file a
22 notarized claim with the board. In no event, however, shall the board
23 consider any such complaint filed one hundred eighty days after the date
24 the student discontinued his or her training at ~~said~~ THE school.

25 ~~(9)~~ (7) Except with respect to a claim for tuition and fees made by
26 a student enrolled in an approved private occupational school ceasing
27 operation, the board shall conduct a hearing for the purpose of

1 determining any loss of tuition or fees, and, if any claim is found to be
2 correct and due the claimant, the board shall make demand upon the
3 principal and the surety on the bond. If the principal or surety fails or
4 refuses to pay the claim due, the board shall commence an action on ~~such~~
5 THE bond in any court of competent jurisdiction; except that no such
6 action may be filed more than six years subsequent to the date of any
7 violation that gives rise to the right to file a claim pursuant to this section.
8 A claim for tuition and fees made by a student enrolled in an approved
9 private occupational school ceasing operation shall be handled in the
10 manner provided in ~~subsection (7)~~ SUBSECTION (5) of this section.

11 ~~(10)~~ (8) A certificate of approval or an agent's permit shall be
12 suspended by operation of law when ~~said~~ THE school or agent is no longer
13 covered by a surety bond as required by this section. The board shall give
14 written notice to ~~said~~ THE school or agent, or both, at the last-known
15 address, at least forty-five days prior to the release of ~~said~~ THE surety, to
16 the effect that ~~said~~ THE certificate of approval or agent's permit shall be
17 suspended by operation of law until another surety bond is filed in the
18 same manner and like amount as the bond being released.

19 ~~(11)~~ (9) A surety on any bond filed under the provisions of this
20 section shall be released therefrom after ~~such~~ THE surety serves written
21 notice thereof to the board at least sixty days prior to ~~such~~ THE release.
22 ~~Said~~ THE release shall not discharge or otherwise affect any claim filed
23 by any student or enrollee or his or her parent or guardian for loss of
24 tuition or any fees that occurred while ~~said~~ THE bond was in effect or
25 ~~which~~ THAT occurred under any note or contract executed during any
26 period of time when ~~said~~ THE bond was in effect, except when another
27 bond is filed in a like amount and provides indemnification for any such

1 loss.

2 ~~(12)~~ (a) (10) (a) The board shall allow, at a reasonable price,
3 alternate surety methods in lieu of the bonding requirements of this
4 section. The alternate sureties shall be conditioned to provide
5 indemnification to any student or enrollee or to any parent or guardian of
6 ~~such~~ THE student or enrollee for any loss of tuition or any fees as a result
7 of any act or practice that is a violation of this ~~article~~ ARTICLE 64 and to
8 provide train-out for students enrolled in an approved school ceasing
9 operation as provided in ~~subsection (7)~~ SUBSECTION (5) of this section. In
10 the event that a school covered by an alternate surety ceases operation, the
11 board shall act in the manner provided in ~~subsection (7)~~ SUBSECTION (5)
12 of this section.

13 (b) Prior to September 1, 1991, and each year thereafter, any
14 alternate surety allowed by the board shall be required to contract for an
15 independent financial audit. ~~Such~~ THE audit shall be included in a report
16 to the board due by January 1 of the following year. The board may
17 disapprove an alternate surety if it deems that ~~such~~ THE surety is not able
18 to provide students with the indemnification and train-out required by this
19 section.

20 ~~(13)~~ (11) For the purposes of this section, "school" and "private
21 occupational school" shall include a for-profit private college or
22 university, as defined in section 23-2-102 (11), ~~C.R.S.~~, in which the
23 majority of students are enrolled in courses and programs that are
24 occupational in nature, as defined by the board.

27 establish fees for the direct and indirect costs of the administration of this

1 ~~article~~ ARTICLE 64, which fees shall accompany any application for a
2 certificate of approval for a new school or for a school other than a new
3 school, for an in-state or out-of-state agent's permit, or for a change of
4 ownership. All fees collected shall be transmitted to the state treasurer,
5 who shall credit the same to the private occupational schools fund, which
6 fund is hereby created. The ~~moneys~~ MONEY in the fund shall be subject
7 to annual appropriation by the general assembly for the direct and indirect
8 costs of the administration of this ~~article~~ ARTICLE 64. All ~~moneys~~ MONEY
9 credited to the fund shall be used for the direct and indirect costs of the
10 administration of this ~~article~~ ARTICLE 64 and shall not be deposited in or
11 transferred to the general fund of this state or to any other fund.

12 (2) In addition to the fees specified in subsection (1) of this
13 section, the board by rule shall establish and receive fees for reviewing
14 the qualifications of and for issuing appropriate credentials to instructors
15 and administrators pursuant to ~~section 12-59-106 (1) (e)~~ SECTION

21 adjusted fees shall reflect the direct and indirect costs of administering
22 this ~~article~~ ARTICLE 64.

23 (b) Based upon the appropriation made, the board shall adjust its
24 fees so that the revenue generated from ~~said~~ THE fees approximates the
25 direct and indirect costs of administering this ~~article~~ ARTICLE 64. The
26 adjusted fees must remain in effect for the fiscal year for which the
27 budget request applies.

1 (c) Beginning July 1, 1995, and each July 1 thereafter, whenever
2 ~~moneys~~ MONEY appropriated to the division for its activities for the prior
3 fiscal year are unexpended, ~~said moneys~~ THE MONEY shall be made a part
4 of the appropriation to the division for the next fiscal year, and ~~such~~ THE
5 amount shall not be raised from fees collected by the division. If a
6 supplemental appropriation is made to the division for its activities, the
7 division's fees shall be adjusted in the following fiscal year by an
8 additional amount that is sufficient to compensate for the supplemental
9 appropriation. Funds appropriated to the division in the annual general
10 appropriations bill shall be designated as cash funds and shall not exceed
11 the amount anticipated to be raised from fees collected by the division.

25 school;

26 (c) A school or agent to represent falsely, directly or by

4 (d) A school or agent to represent falsely, directly or by
5 implication, that the lack of a high school education, prior training, or

7 course or program of study or for gaining employment in the field for
8 which the educational services were designed;

9 (e) A school or agent to adopt a name, trade name, or trademark
10 ~~which~~ THAT represents falsely, directly or by implication, the quality,
11 scope, nature, size, or integrity of the school or its educational services;

2 of the completion of any such educational service;

3 (i) A school or agent to enroll a student when it is reasonably

12 commence a civil action against a school or agent believed by the board
13 to have caused a complainant or class of complainants to suffer pecuniary
