2 Department of Corrections, Management, External Capacity Subprogram, Payments to House State Prisoners -- The Department of Corrections is authorized to transfer up to 5.0 percent of the total appropriation for external capacity subprogram between line items in the external capacity subprogram for purposes of reimbursing local jails, private prison providers, and community corrections providers.

3 Department of Corrections, Management, External Capacity Subprogram, Payments to House State Prisoners -- It is the intent of the General Assembly that the appropriations made for payments to private facilities to house state inmates be used exclusively for the purpose of per diem payments. It is further the intent of the General Assembly that the department not withhold funds from the per diem payments to cover major medical expenses incurred by state inmates assigned to private facilities because appropriations made in the medical services subprogram are sufficient to cover major medical expenses incurred by state inmates held in both state and private facilities.
