J.001	Staff-prepared appropriation amendment
L.001	Bill Sponsor amendment - changes fiscal impact <i>and</i> appropriation

Current Appropriations Clause in Bill

The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet

J.001 Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$4,871 to the Department of Revenue for FY 2017-18, including \$4,320 cash funds from the Colorado State Titling and Registration Account of the Highway Users Tax Fund and \$551 cash funds from the License Plate Cash Fund. The appropriation clause also reappropriates \$4,120 to the Governor's Office of Information Technology.

L.001 Bill Sponsor amendment **L.001** (attached) changes the effective date of the bill from January 2018 to September 2018. This eliminates the fiscal impact of the bill in FY 2017-18 and delays license plate availability until the Department fully deploys its new computer system for license plate tracking and issuing. The Department reports that delaying the effective date will remove expenditures required for programming the Colorado State Titling and Registration System, which will be retired in August 2018. **If the Committee adopts L.001 it should not adopt J.001.**
