**HOUSE BILL 17-1285**

BY REPRESENTATIVE(S) Mitsch Bush and Lawrence, Arndt, Becker K., Gray, Hansen, Hooton, Kennedy, Lontine, Pettersen, Young, Duran, Lebsock, Winter;  
also SENATOR(S) Cooke and Jahn, Crowder, Kagan, Kefalas, Martinez Humenik, Merrifield, Moreno, Tate.

**AN ACT**

**CONCERNING THE FINANCING OF THE WATER POLLUTION CONTROL PROGRAM, AND, IN CONNECTION THEREWITH, MAKING AND REDUCING APPROPRIATIONS.**

*Be it enacted by the General Assembly of the State of Colorado:*

**SECTION 1. Legislative declaration.** (1) The general assembly hereby:

(a) Finds that:

(I) A significant portion of the financing for the state's clean water program is provided by fees paid by sources that discharge pollutants into the state's waters;

(II) Revenue from these existing fees has become insufficient to maintain the program, and the fees for three sectors - commerce and industry, public and private utilities, and municipal separate storm sewer - have not been raised since 2007; and

(III) The department of public health and environment and clean water program stakeholders have recommended appropriate and necessary fee adjustments and a general fund contribution to adequately fund the department's water quality control division;

(b) Determines that:

(I) The department's use of funding provided in this act should be limited to processing permits, providing technical and compliance assistance, processing site application and design reviews, and maintaining stakeholder involvement for all aspects of the clean water program; and

---

*Capital letters indicate new material added to existing statutes; dashes through words indicate deletions from existing statutes and such material not part of act.*

(II) The department should develop production metrics for permit issuance, site application and design review, and inspections and should continue to report on costs associated with the clean water sectors; and

(c) Declares that this act is necessary to protect water quality while providing necessary services on which Colorado businesses rely.

**SECTION 2.** In Colorado Revised Statutes, 25-8-502, **amend** (1.1)(b), (1.1)(c)(II), (1.1)(c)(III), (1.1)(c)(IV) introductory portion, (1.1)(d), (1.1)(e), (1.1)(f), (1.2)(a) introductory portion, (1.2)(a)(I) introductory portion, (1.2)(a)(II) introductory portion, (1.3)(b)(V), (1.3)(b)(VI), (1.3)(b)(VII), (1.3)(b)(VIII), (1.3)(c), and (1.5)(c) as follows:

**25-8-502. Application - definitions - fees - funds created - public participation - repeal.** (1.1) For each regulated activity listed in this subsection (1.1), the division may assess an annual permit fee and a nonrefundable permit application fee for new permits that must equal fifty percent of the annual permit fee. The full amount of the application fee is credited toward the annual permit fee. All such fees must be in accordance with the following schedules:
