1 *Be it enacted by the General Assembly of the State of Colorado:*

2           **SECTION 1. Legislative declaration.** (1) The general assembly  
3 hereby finds and declares that:

4           (a) Senate Bill 17-267, enacted in 2017, included a requirement  
5 that each principal department of the state, except the department of  
6 education and the department of transportation, submit budget requests  
7 that are at least two percent lower than actual budgets for the 2017-18  
8 fiscal year;

9           (b) The general assembly overwhelmingly supported the passage  
10 of Senate Bill 17-267 with the requirement of reducing the size of state  
11 government;

12           (c) The budget submitted by the governor in November 2017 did  
13 not adhere to the compromise reached by the executive branch and the  
14 general assembly, nor to section 24-37-305, C.R.S.; and

15           (d) With the increase in anticipated revenue to Colorado as a  
16 result of Senate Bill 17-267, it appears that the only way to achieve the  
17 goal of limiting the growth of government is to reduce the state income  
18 tax rate.
