**Sunset Process - House Health, Insurance, and Environment Committee.** The bill implements the recommendations of the department of regulatory agencies, as contained in the department's sunset review of nursing home administrators, as follows:

- ! Continues the regulation of nursing home administrators by the board of examiners of nursing home administrators in the division of professions and occupations for 7 years, until September 1, 2025 (**sections 1 and 2**); and
- ! Changes the membership of the 5-member board of examiners from 3 practicing nursing home administrators and 2 members representing the public to 2 practicing nursing home administrators and 3 members representing the public. The board membership change applies to appointments made on or after July 1, 2018 (**section 3**).

The bill requires a nursing home administrator to report to law enforcement possible felony conduct by an employee. If the employee holds a state license, the administrator must also report the conduct to the appropriate occupational board or the director of the division of professions and occupations. Failure to report is grounds for discipline.
