A BILL FOR AN ACT

CONCERNING PROHIBITING THE USE OF UNMANNED AIRCRAFT SYSTEMS TO OBSTRUCT PUBLIC SAFETY OPERATIONS.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill creates the new criminal offense of obstructing a peace officer, firefighter, emergency medical service provider, rescue specialist, or volunteer with an unmanned aircraft system. A person commits the offense when he or she operates an unmanned aircraft system in a manner that violates one or more safety requirements and obstructs, impairs, or hinders:
A peace officer acting under color of his or her official authority;
A firefighter acting under color of his or her official authority;
An emergency medical service provider or rescue specialist acting under color of his or her official authority; or
The administration of emergency care or emergency assistance by a volunteer, acting in good faith to render such care or assistance without compensation at the place of an emergency or accident.

Obstructing a peace officer, firefighter, emergency medical service provider, rescue specialist, or volunteer with an unmanned aircraft system is a class 2 misdemeanor.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. Legislative declaration. (1) The general assembly finds that, as the use of unmanned aircraft systems expands in Colorado, the possibility exists that operators of such systems may interfere with public safety operations and that such interference could create public safety concerns.

(2) Now, therefore, it is the intent of the general assembly that:

(a) Efforts should be undertaken to increase public awareness of the possible hazards of unmanned aircraft systems and to provide necessary tools to eliminate, to the extent possible, interference with public safety activities by operators of unmanned aircraft systems; and

(b) When a public safety agency enters a scenario in which interference by unmanned aircraft systems would likely put public safety at risk:

(I) The agency should make its presence known; and

(II) Operators of unmanned aircraft systems should follow applicable laws and regulations and comply with any instructions issued by public safety entities on the scene.
SECTION 2. In Colorado Revised Statutes, 18-8-104, amend (5)(b); and add (2.5) and (5)(c) as follows:

18-8-104. Obstructing a peace officer, firefighter, emergency medical services provider, rescue specialist, or volunteer. (2.5) If a person is alleged to have committed the offense described in subsection (1)(a) or (1)(b) of this section by using or threatening to use an unmanned aircraft system as an obstacle, the offense does not apply if the person who operates the unmanned aircraft system:

(a) Obtains permission to operate the unmanned aircraft system from a law enforcement agency or other entity that is coordinating the response of peace officers, firefighters, emergency medical service providers, rescue specialists, or volunteers to an emergency or accident;

(b) Continues to communicate with such entity during the operation of the unmanned aircraft system; and

(c) Complies immediately with any instructions from the entity concerning the operation of the unmanned aircraft system.

(5) For purposes of this section, unless the context otherwise requires:

(b) "Rescue-specialist" means a member of a public or private rescue agency, whether that person is a volunteer or receives compensation for services rendered as such rescue specialist. "Obstacle" includes an unmanned aircraft system.

(c) "Rescue specialist" means a member of a public or
PRIVATE RESCUE AGENCY, WHETHER THAT PERSON IS A VOLUNTEER OR
RECEIVES COMPENSATION FOR SERVICES RENDERED AS SUCH RESCUE
SPECIALIST.

SECTION 3. Act subject to petition - effective date - applicability. (1) This act takes effect at 12:01 a.m. on the day following
the expiration of the ninety-day period after final adjournment of the
general assembly (August 8, 2018, if adjournment sine die is on May 9, 2018); except that, if a referendum petition is filed pursuant to section 1
(3) of article V of the state constitution against this act or an item, section,
or part of this act within such period, then the act, item, section, or part
will not take effect unless approved by the people at the general election
to be held in November 2018 and, in such case, will take effect on the
date of the official declaration of the vote thereon by the governor.

(2) This act applies to offenses committed on or after the
applicable effective date of this act.
