10 URGENT TRANSPORTATION NEEDS INCLUDE DISCHARGE FROM INPATIENT,

13 (2) THE METHOD CREATED BY THE STATE DEPARTMENT MUST
14 INCLUDE, AT A MINIMUM:

15 (a) MEDICAL SERVICE PROVIDER OR FACILITY ACCESS TO

14 (b) NOTWITHSTANDING THE PROVISIONS OF SECTION 24-1-136
15 (11)(a)(I) TO THE CONTRARY, THE REPORT REQUIRED PURSUANT TO THIS
16 SECTION SHALL CONTINUE UNTIL THE BEGINNING OF THE 2025
17 LEGISLATIVE SESSION.

18 (c) THIS SECTION IS REPEALED, EFFECTIVE JULY 1, 2025.

19 **SECTION 2. Appropriation - adjustments to 2018 long bill.**

20 (1) For the 2018-19 state fiscal year, \$377,621 is appropriated to the
21 department of health care policy and financing. Of this appropriation
22 \$359,295 is from the general fund and \$18,326 is from the healthcare
23 affordability and sustainability fee cash fund created in section
24 25.5-4-402.4 (5)(a), C.R.S. To implement this act, the department may
25 use this appropriation as follows:

26 (a) \$25,688 for use by the executive director's office for personal
27 services, which consists of \$16,833 from the general fund and \$8,855

1 from the healthcare affordability and sustainability fee cash fund, and
2 which amount is based on an assumption that the department will require
3 an additional 0.8 FTE;

4 (b) \$2,731 for use by the executive director's office for operating
5 expenses, which consists of \$1,790 from the general fund and \$941 from
6 the healthcare affordability and sustainability fee cash fund;

7 (c) \$21,750 from the general fund for medicaid management
8 information system maintenance and projects; and

9 (d) \$327,452 for medical and long-term care services for medicaid
10 eligible individuals, which consists of \$318,922 from the general fund,
11 which amount is subject to the "(M)" notation as defined in the annual
12 general appropriation act for the same fiscal year, and \$8,530 from the
13 healthcare affordability and sustainability fee cash fund.

14 (2) For the 2018-19 state fiscal year, the general assembly
15 anticipates that the department of health care policy and financing will
16 receive \$436,989 in federal funds to implement this act. The
17 appropriation in subsection (1) of this section is based on the assumption
18 that the department will receive this amount of federal funds to be used
19 as follows:

20 (a) \$25,688 for use by the executive director's office for personal
21 services;

22 (b) \$2,732 for use by the executive director's office for operating
23 expenses;

24 (c) \$65,250 for medicaid management information system
25 maintenance and projects; and

26 (d) \$343,319 for medical and long-term care services for medicaid
27 eligible individuals.

1 (3) To implement this act, appropriations made in the annual
2 general appropriation act for the 2018-19 state fiscal year to the
3 department of health care policy and financing are adjusted as follows:

4 (a) The general fund appropriation for medical and long-term care
5 services for medicaid eligible individuals is decreased by \$359,295; and

6 (b) The cash funds appropriation from the healthcare affordability
7 and sustainability fee cash fund created in section 25.5-4-402.4 (5)(a),
8 C.R.S., for medical and long-term care services for medicaid eligible
9 individuals is decreased by \$52,378.

10 (4) The decrease of the appropriations in subsection (3) of this
11 section is based on the assumption that the anticipated amount of federal
12 funds received for the 2018-19 state fiscal year by the department of
13 health care policy and financing for medical and long-term care services
14 for medicaid eligible individuals will decrease by \$507,240.

15 **SECTION 3. Safety clause.** The general assembly hereby finds,
16 determines, and declares that this act is necessary for the immediate
17 preservation of the public peace, health, and safety.
