**Section 11** removes the restriction on the commission's ability to raise or lower park fees and charges only if the commission reasonably anticipates that the annual revenues from the fees and charges will not increase by more than 20% above the annual amount earned from fees and charges as they existed on July 1, 2011. Section 11 also establishes a maximum fee increase that the commission may impose by rule for park passes in any one year as a one-dollar increase for a daily park pass and a $10 increase for an annual park pass.

**Section 13** removes the $200,000 limitation on the amount that may be held in the stores revolving fund, which fund is maintained for acquiring stock for warehousing and distributing supplies for retail sales to visitors, and requires that the fund be continuously appropriated.

**Section 14** removes the $5 cap on the fee that the division may charge a person to replace a lost or destroyed pass or registration. The fee may be set by the commission by rule in an amount up to 50% of the cost of the original pass or registration.

**Section 15** removes a requirement that an aspen leaf annual park pass be affixed to the vehicle for which the pass was issued.

**Section 16** directs the commission to determine, by rule, how the columbine annual park pass will be displayed to enter a state park or recreation area.

Secs. 777 to 777k, as amended.

certain geographic areas, by sex of the animal, or as otherwise deemed appropriate by the commission.

(III) When the commission determines that an activity is regulated at both the state and federal levels and that issuance of a multi-year state license or collection of a reduced state annual license fee, or both, would help to coordinate such state and federal regulation and reflect the administrative cost savings realized through such coordination.

(IV) When the commission determines pursuant to section 24-75-402(3), C.R.S., that a reduction in the amount of the fee is necessary to reduce the uncommitted reserves of the fund to which all or any portion of the fee is credited. After the uncommitted reserves of the cash fund are sufficiently reduced, the commission by rule or as otherwise provided by law may increase the amount of the fee as provided in section 24-75-402(4), C.R.S.

(b) The nonresident big-game fees for a fee or surcharge described in subsection (1.4) of this section shall annually be adjusted in accordance with changes in the United States Department of Labor's bureau of labor statistics consumer price index for the Denver-Boulder-Greeley consolidated metropolitan statistical area for all items and all urban consumers, and all goods or its successor index. Such adjustment shall not be effective until the commission notifies the joint budget committee of such the adjustment.

(1.8) Any moneys realized as a result of the fee increases related to fishing specified in subsection (1.4) of this section shall be allocated
for use in the fisheries and hatcheries presently operated by the division.
