4 **FOOTNOTES** -- The following statements are referenced to the numbered footnotes throughout section 2.

5
6 98 Department of Public Safety, Division of Criminal Justice, Community Corrections -- It is the General Assembly's intent that the Office of Community
7 Corrections be able to execute community corrections contracts structured with a one-year initial term with four one-year extension terms.

8
9 99 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Placements -- This appropriation assumes the
10 daily rates and average daily caseloads listed in the following table and is based on the following assumptions: the base rate for standard nonresidential services
11 is a weighted average of the rates for four different levels of service; community corrections providers will collect client fees of up to \$17 per day for
12 residential placements and up to \$3 per day for nonresidential placements; client fees may be partially or fully waived in specialized residential and
13 non-residential programs with the approval of the Division of Criminal Justice; pursuant to its authority to administer and execute contracts under Section
14 17-27-108, C.R.S., the Division of Criminal Justice will ensure that every reasonable effort is made to achieve such collections; and outpatient therapeutic
15 community programs: (1) will receive the standard non-residential base rate for all offenders in their programs, including Department of Corrections clients;
16 (2) will receive the outpatient therapeutic community base rate for all clients in program phases other than the post graduate phase, including Department

4 100 Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This

5 appropriation includes funding for 48 condition-of-probation placements at rates corresponding to those in footnote 99.

6

7 101 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the

8 appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls

9 or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because per diem rates are

10 unchanged for FY 2018-19, these appropriations further assume that salary and staffing levels deemed adequate for FY 2017-18 will be deemed adequate

11 for FY 2018-19 and that community corrections facilities with an average of 32 or more security FTE will receive a second facility payment.
