Current Appropriations Clause in Bill

The bill includes an appropriation clause that provides \$3,286,000 cash funds from the Correctional Treatment Cash Fund to the Judicial Department for FY 2018-19. This amount is then reappropriated to the Department of Corrections for FY 2018-19.

Points to Consider

Future Budget Process

The bill, as amended by the House Judiciary Committee, encourages the Department of Corrections to request an annual appropriation of \$5,475,380 General Fund for the Reentry Services Grant Program (see page 3, lines 14 through 16 of the reengrossed bill).

Revenue Source

The Correctional Treatment Cash Fund is not a sustainable source of funding for this grant program. If the General Assembly chooses to continue to appropriate money from this fund for this grant program, other appropriations from the Fund would need to be reduced.
