Fiscal Impact of Bill as Amended to Date

The most recent Legislative Council Staff Fiscal Note (attached) reflects the fiscal impact of the bill as of 04/03/18.

XXX	No Change: Attached LCS Fiscal Note accurately reflects the fiscal impact of the bill
	Update: Fiscal impact has changed due to new information or technical issues
	Update: Fiscal impact has changed due to amendment adopted after LCS Fiscal Note was prepared
	Non-Concurrence: JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The Legislative Council Staff Fiscal Note (Fiscal Note) accurately reflects the fiscal impact of the bill, and the bill does not require an appropriation for FY 2018-19. Staff offers one point of clarification. The Fiscal Note states that under the bill, beginning in FY 2020-21, early college high schools will no longer receive state funding for students enrolled beyond the fourth year of high school. However, Legislative Council Staff and JBC Staff agree that qualifying early colleges (as defined in the bill) will continue to receive funding for such students when the additional time is necessary to complete the school's graduation requirements.
