Summary of Legislation

This bill relocates the statutes regulating the state lottery from Title 12 to a newly created Title 44 of the Colorado Revised Statutes and makes minor technical changes.

Background

The Committee on Legal Services is currently supervising the Office of Legislative Legal Services in a project to recodify Title 12 of the C.R.S., as directed by Senate Bill 16-163. In anticipation of this recodification, House Bill 17-1006 was enacted to allow agencies to request the Secretary of State to update statutory citations in the Code of Colorado Regulations without the agency notice, comment, or hearing requirements of the Administrative Procedure Act.

Assessment of No Fiscal Impact

The bill is assessed as having no fiscal impact. As discussed in the Background section, relocating these sections of statute will not impact the revenue, expenditures, or workload of any state agency or local government.

Effective Date

The bill was signed into law by the Governor on March 1, 2018. It takes effect October 1, 2018, assuming no referendum petition is filed.
