Appropriation Summary: No appropriation is required.

Fiscal Note Status: The fiscal note reflects the enacted bill.

Summary of Legislation

This bill removes references to "legitimate" and "illegitimate" children and updates the language to more contemporary terms such as "parentage" or "marital status of the parents" as appropriate.

Assessment of No Fiscal Impact

This bill has no fiscal impact because under current law, Colorado recognizes that a parent and child relationship extends equally regardless of marital status. Removing these statutory citations will have no impact on the revenue, expenditures, or workload of any state agency or local government, and, therefore, is assessed as having no fiscal impact.

Effective Date

The bill was signed into law by the Governor on April 2, 2018 and takes effect August 8, 2018, assuming no referendum petition is filed.
