Summary of Legislation

House Bill 17-1058 repealed the provision that the state controller report federal funds from all state agencies to the General Assembly, but left the requirement that state agencies report federal funds to the state controller. This bill repeals the requirement that state agencies report federal funds to the state controller.

State Expenditures

This bill minimally reduces workload for state agencies who receive federal funds to no longer report federal funds to the state controller. This minimal reduction in workload requires no change in appropriations for any state agency.

Effective Date

The bill was signed into law by the Governor on April 12, 2018 and takes effect August 8, 2018, assuming no referendum petition is filed.
