professionals, and grant applicants must specify the extent to which the school has seen an increase in activities or experiences that affect students' mental well-being.

The bill allows a community provider to commit money to schools. It also changes the amount the department can expend to offset the costs incurred in implementing the program from 3% to 5% of money appropriated for the program.

The bill allows school districts to enter into agreements with specified groups to implement evidence-based, school-wide behavior supports and strategies to build and support positive school climates, including providing behavioral health services and supports; implement strategies to reduce the incidence of suspension and expulsion; and implement alternatives to suspension or expulsion.

5 ADDITIONALLY, THE EDUCATION PROVIDER MAY USE THE MONEY TO  
6 PROVIDE DIRECT SERVICES OR CONSULTATION BY A SCHOOL HEALTH  
7 PROFESSIONAL THROUGH TELEHEALTH TECHNOLOGY. The department  
8 shall administer the program as provided in this article 96 and pursuant  
9 to rules adopted by the state board.

10 **SECTION 3.** In Colorado Revised Statutes, 22-96-104, **amend**  
11 (2)(b), (2)(c), (2)(d), (2)(e), (3)(a), (3)(c), (3)(d), and (3)(e); and **add**  
12 (3)(f) and (7) as follows:

13 **22-96-104. Behavioral health care professional matching grant**  
14 **program - application - criteria - grant awards.** (2) At a minimum,  
15 each grant application must specify:

16 (b) The education provider's plan for use of the grant money,  
17 including the extent to which the grant money will be used to increase the  
18 number of school health professionals at recipient schools and to provide  
19 ~~substance abuse and~~ behavioral health care services at recipient schools,  
20 including screenings, counseling, THERAPY, referrals to community  
21 organizations, and training for students and staff on ~~substance abuse~~  
22 BEHAVIORAL HEALTH issues;

23 (c) The education provider's plan for involving leaders at the  
24 recipient schools and in the surrounding community and the faculty at  
25 recipient schools in increasing the capacity and effectiveness of the  
26 ~~substance abuse and~~ behavioral health care services provided to students  
27 enrolled in or receiving educational services from the education provider;

1 (d) The extent to which the education provider has developed or  
2 plans to develop community partnerships to serve ~~substance abuse and~~  
3 THE behavioral health care needs of all of the students enrolled in or  
4 receiving educational services from the education provider;

5 (e) The extent to which the education provider has seen increased

22 implement evidence-based and research-based programs and strategies;  
23 and

24 (e) The likelihood that the education provider OR COMMUNITY  
25 PARTNER will continue to fund the increases in the level of school health  
26 professional services following expiration of the grant; AND

27 (f) THE EXTENT TO WHICH AN EDUCATION PROVIDER PRIORITIZES

1 USE OF GRANT MONEY FOR STAFF TRAINING RELATED TO BEHAVIORAL  
2 HEALTH SUPPORTS.

3 (7) GRANT APPLICATIONS AND REPORTING WILL BE DESIGNED TO  
4 LIMIT ADMINISTRATIVE BURDEN ON APPLICANTS AND RECIPIENTS.

5 **SECTION 4. Appropriation.** For the 2019-20 state fiscal year,  
6 \$3,000,000 is appropriated to the department of education. This  
7 appropriation is from the marijuana tax cash fund created in section  
8 39-28.8-501 (1), C.R.S., and is based on an assumption that the  
9 department will require an additional 1.0 FTE. To implement this act, the  
10 department may use this appropriation for the behavioral health care  
11 professional matching grant program.

12 **SECTION 5. Safety clause.** The general assembly hereby finds,  
13 determines, and declares that this act is necessary for the immediate  
14 preservation of the public peace, health, and safety.
