HOUSE BILL 19-1224

A BILL FOR AN ACT

CONCERNING PROVIDING FREE MENSTRUAL HYGIENE PRODUCTS TO PEOPLE IN CUSTODY.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill requires local jails, multijurisdictional jails, and municipal jails to provide menstrual hygiene products to people in custody at no expense to the people in custody.

Be it enacted by the General Assembly of the State of Colorado:

1
SECTION 1. Legislative declaration. (1) The general assembly hereby finds that:

(a) In Colorado, approximately twenty percent of people in jail custody are women;

(b) People in jail custody who are women, transgender, or nonbinary encounter different challenges than men while incarcerated;

(c) For people in jail custody, practicing proper menstrual hygiene is almost impossible;

(d) Jails are routinely inconsistent when ensuring that people in jail custody have necessary access to menstrual hygiene products. There is no consistent manner by which jails, including within a particular jail, ensure that people in jail custody have necessary access to menstrual hygiene products.

(e) The majority of people in jail custody have limited resources. If people in jail custody are able to purchase menstrual hygiene products at the jail's commissary, the menstrual hygiene products are often unaffordable. In some jails, it takes time for money to be deposited for commissary use and for commissary privileges to take effect.

(f) Poor menstrual hygiene can lead to negative health outcomes, including serious infections, toxic shock syndrome, and other clinical abnormalities.

(2) The general assembly, therefore, declares that all people in jail custody who are women, transgender, or nonbinary deserve to be granted human dignity and do not have to endure obstacles, illness, or humiliation in order to access basic and necessary menstrual hygiene products.

SECTION 2. In Colorado Revised Statutes, 17-1-112, amend (4) as follows:
17-1-112. Expenses - reimbursement by department - report.

(4) To assist the general assembly in determining the amount of reimbursement described in subsection (1) of this section, on or before January 1, 2019, and on or before January 1 each year thereafter, each county and each city and county shall report to the joint budget committee the average cost of confining and maintaining persons in a local jail for more than seventy-two hours after each such person has been sentenced to the custody of the department. On or before September 1, 2018, the joint budget committee shall establish guidelines to ensure that each county and each city and county reports costs pursuant to this subsection (4) in a uniform manner. At a minimum, the guidelines must allow each county and each city and county to report costs in the following categories:

(a) Food;

(b) Clothing and laundry;

(c) Medical and behavioral health care costs;

(d) Personnel costs, including salaries and benefits;
