Under current law, up to $25,000 of the funds raised by a charitable organization through occasional sales are exempt from state sales tax. The bill increases that amount to $45,000. The bill also removes the requirement that occasional sales by charitable organizations take place for no more than 12 days, whether consecutive or not, during any calendar year.

(C) The funds raised by the charitable organization through these sales do not exceed twenty-five FORTY-FIVE thousand dollars during any one calendar year.
