(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. Under existing law, state tuition assistance is available for a
dependent of a prisoner of war or military personnel missing in action, a dependent of a person who died or was permanently disabled while on duty as a Colorado National Guardsman, and a dependent of any person who has been permanently disabled or killed while acting as a police officer, sheriff, or other law enforcement officer or firefighter (dependents) who are not eligible for federal educational benefits.

The bill clarifies that a dependent who is eligible for state tuition assistance and federal educational benefits pursuant to the federal "Public Safety Officers' Benefits Act" may receive the state tuition assistance prior to receiving the federal benefit. The state tuition assistance available to a dependent is reduced by the amount of any federal educational benefit provided to the dependent.
