preparation program or an alternative teacher program (preparation program) as a specialty program if the preparation program meets the requirements specified in the bill, including strong partnerships with school districts, boards of cooperative services that operate public schools, and charter schools (local education providers); a full-year of classroom residency co-teaching alongside a mentor teacher; and financial support for teacher candidates during the year of classroom residency.

A partnership may include one or more institutions and one or more local education providers. Through a partnership, the institution and local education providers may identify teaching schools to provide clinical practice opportunities, induction programs for program graduates, professional development for mid-career and veteran teachers, and work exchange opportunities for program faculty and teachers employed by the local education providers.

The bill specifies that the full year of classroom residency must ensure that the teacher candidate is mentored by a highly effective veteran teacher who holds a master certificate from the department of education. A preparation program may provide training for mentor teachers, and a mentor teacher who completes the training and at least one year as a mentor teacher may apply to the department of education for a mentor teacher license endorsement. For a school year in which a mentor teacher mentors a teacher candidate, the preparation program and the local education provider must jointly provide a stipend to the mentor teacher of at least \$2,000. A mentor teacher may count service as a mentor teacher as professional development for purposes of renewing the teacher's license and master certificate. The bill provides that, during the year of classroom residency, the preparation program in which a teacher candidate is enrolled must pay the teacher candidate a stipend of at least \$15,000.

The bill creates the classroom residency design grant program (grant program) to provide grants to preparation programs and local education providers that together design a classroom residency program. The preparation program and local education provider must also work with an established teacher residency program in designing the new classroom residency program. The department administers the grant program, and the Colorado commission on higher education (commission) awards the grants.

The bill requires the department to prepare an annual report concerning the opportunities for clinical practice, induction program support, and other professional development provided by preparation programs. The department must submit the report to the commission, the department of education, the state board of education, and the education committees of the general assembly. The department must also post the report on its website.

The bill relocates with nonsubstantive changes the existing collaborative educator preparation grant program and the "Rural Colorado Grow Your Own Educator Act", which provides grants for teaching fellowship programs.

The bill directs the department of education to collaborate with the department of higher education to create a mentor teacher endorsement for teachers who hold master certificates and provide mentoring and oversight for teacher candidates.

9 **THE "GROWING GREAT TEACHERS ACT".**

10 **23-78-102. Legislative declaration. (1) THE GENERAL ASSEMBLY**
11 **FINDS THAT:**

12 **(a) HIGH-QUALITY TEACHING IS THE LINCHPIN FOR EFFECTIVE,**
13 **HIGH-QUALITY EDUCATION IN THE SCHOOLS OF THE STATE. TO BE AN**
14 **EXCELLENT, EFFECTIVE EDUCATOR, AN INDIVIDUAL MUST RECEIVE**
15 **COMPREHENSIVE, RIGOROUS, AND EFFECTIVE TRAINING IN THE ART AND**

18 **(b) LOCAL EDUCATION PROVIDERS WHO HIRE TEACHERS WHO HAVE**
19 **NOT COMPLETED AN ADEQUATE PREPARATION PROGRAM, INCLUDING**
20 **HIGH-QUALITY CLINICAL PRACTICE, ARE LIKELY TO EXPERIENCE A HIGH**
21 **TURNOVER RATE BECAUSE NEW TEACHERS WHO ARE NOT WELL TRAINED**

1 LEAVE THE PROFESSION IN THEIR FIRST YEAR OF TEACHING AT MORE THAN
2 TWICE THE RATE OF THOSE WHO HAVE HAD CLINICAL PRACTICE AND
3 RIGOROUS PREPARATION;

4 (c) STUDENT ACHIEVEMENT IS LIKELY TO SUFFER WHEN TEACHERS
5 ARE NOT WELL PREPARED FOR THE CHALLENGES OF THE CLASSROOM AND
6 WHEN TEACHERS DO NOT REMAIN ON THE JOB FOR MORE THAN ONE OR
7 TWO YEARS. IN ADDITION, SCHOOLS WITH HIGH TEACHER TURNOVER
8 RATES STRUGGLE TO MAKE LONG-TERM IMPROVEMENT.

9 (d) RESEARCH SUGGESTS THAT AN EFFECTIVE TEACHER
10 PREPARATION PROGRAM SHOULD INCLUDE OPPORTUNITIES FOR TEACHER
11 CANDIDATES TO SPEND TIME IN THE CLASSROOM BEGINNING IN THE FIRST
12 YEAR OF THE PROGRAM AND CONTINUING AND INCREASING THROUGHOUT
13 THE PROGRAM, CULMINATING IN A FULL YEAR OF CLINICAL PRACTICE
14 USING A CLASSROOM RESIDENCY MODEL IN THE FINAL YEAR OF THE
15 PROGRAM; AND

16 (e) TO BE EFFECTIVE, CLINICAL PRACTICE MUST BE DIRECTED AND
17 MENTORED BY AN EXPERIENCED, HIGH-QUALITY MASTER TEACHER WHO
18 DEVOTES SIGNIFICANT TIME TO WORKING WITH THE TEACHER CANDIDATE.
19 THESE MASTER TEACHERS SHOULD RECEIVE TRAINING FOR THE ROLE OF
20 MENTOR TEACHER THAT RESULTS IN A LICENSE ENDORSEMENT AS WELL AS
21 MEANINGFUL COMPENSATION FOR THE TIME SPENT WORKING WITH A
22 TEACHER CANDIDATE AND SUFFICIENT TIME WITHIN THE DAILY WORK
23 SCHEDULE TO SPEND WITH THE TEACHER CANDIDATE.

24 (2) THE GENERAL ASSEMBLY FINDS, THEREFORE, THAT IT IS
25 APPROPRIATE TO DIRECT THE DEPARTMENT OF EDUCATION AND THE
26 DEPARTMENT OF HIGHER EDUCATION TO COLLABORATE WITH LOCAL
27 EDUCATION PROVIDERS, APPROVED EDUCATOR PREPARATION PROGRAMS,

1 ALTERNATIVE TEACHER PROGRAMS, AND OTHER INTERESTED PARTIES TO
2 IDENTIFY BEST PRACTICES IN PROVIDING COMPREHENSIVE, RIGOROUS, AND
3 EFFECTIVE TEACHER PREPARATION AND GUIDELINES FOR IMPLEMENTING
4 THESE BEST PRACTICES. THE GENERAL ASSEMBLY FURTHER FINDS THAT IT
5 IS IN THE BEST INTERESTS OF THE STATE TO ESTABLISH A GRANT PROGRAM
6 TO PROVIDE FUNDING FOR TRAINING AND REIMBURSEMENTS FOR MENTOR
7 TEACHERS WHO PROVIDE GUIDANCE AND OVERSIGHT FOR TEACHER
8 CANDIDATES WHILE THEY PARTICIPATE IN CLINICAL PRACTICE.

25 PART 2
26 COLLABORATIVE EDUCATOR PREPARATION
27 GRANT PROGRAM

1 **23-78-201. [Formerly 23-1-120.9 (1)] Legislative declaration.**

2 The general assembly finds that, after studying the teacher shortage issue
3 in Colorado, the department of higher education and the department of
4 education concluded that one strategy for addressing the issue is to
5 promote collaboration among educator preparation programs, alternative
6 teacher programs, school districts, boards of cooperative services, and
7 public schools to facilitate more effective preparation, placement, and
8 retention of educators. The general assembly finds, therefore, that it is
9 appropriate to create a grant program to support educator preparation
10 partnerships involving educator preparation programs, alternative teacher
11 programs, school districts, boards of cooperative services, and public
12 schools to provide targeted educator preparation initiatives that improve
13 the quality and applicability of educator preparation and the intentional
14 placement of newly trained educators with school districts and public
15 schools.

16 **23-78-202. [Formerly 23-1-120.9 (2)] Definitions.** ~~(2)~~ As used
17 in this ~~section~~ PART 2, unless the context otherwise requires:

18 ~~(a)~~ (1) "Board of cooperative services" means a board of
19 cooperative services created and existing pursuant to article 5 of title 22.

20 ~~(b)~~ (2) "Educator preparation program" means an approved
21 educator preparation program as defined in section 23-1-121 or an
22 alternative teacher program as defined in section 22-60.5-102.

23 ~~(c)~~ (3) "Local education provider" means a school district, board
24 of cooperative services, or public school.

25 ~~(d)~~ (4) "Public school" means a school that derives its support, in
26 whole or in part, from money raised by a general state or school district
27 tax and includes a school of a school district, a public school operated by

2 by the state charter school institute pursuant to part 5 of article 30.5 of
3 title 22.

4 (e) (5) "School district" means a school district organized and
5 existing pursuant to law but does not include a local college district.

6 **23-78-203. Collaborative educator preparation grant program**
7 **- created - reporting.** (1) [Formerly 23-1-120.9 (3)] There is created in
8 the department the collaborative educator preparation grant program to
9 support development and implementation of targeted educator preparation
10 initiatives by partnerships of educator preparation programs and local
11 education providers to prepare educators specifically for employment by
12 the partnering local education providers. Subject to available
13 appropriations, the department shall award grants to partnerships of local
14 education providers and educator preparation programs to fund educator
15 preparation initiatives developed as provided in ~~subsection (4)~~
16 SUBSECTION (2) of this section.

17 (2) [Formerly 23-1-120.9 (4)] Beginning in August of 2018, the
18 department, working with the rural education coordinator established
19 pursuant to section 23-76-103, shall convene meetings between local
20 education providers and educator preparation programs to assist them in
21 developing joint, targeted educator preparation initiatives to submit for
22 grant funding. The department may contract with one or more other
23 entities to assist local education providers and educator preparation
24 programs in developing initiatives. An educator preparation initiative may
25 include but need not be limited to the following strategies:

26 (a) Teacher residency programs developed and operated jointly by
27 an educator preparation program and a partnering local education

1 provider;

2 (b) Programs to provide educator preparation for
3 paraprofessionals already employed by the partnering local education
4 provider or for students enrolled by or graduating from the partnering
5 local education provider;

6 (c) Programs to support educator preparation specifically for local
7 education providers in rural areas of the state;

8 (d) The use of technology to support long-distance supervision
9 and support for educator candidates and newly licensed educators;

10 (e) Creation of a dual licensure preparation program to prepare an
11 individual to meet multiple needs of a partnering local education
12 provider; and

13 (f) Other activities or initiatives to align educator preparation
14 programs and activities with the specific needs of the partnering local
15 education providers.

16 (3) **[Formerly 23-1-120.9 (5)]** The department shall review the
17 grant initiatives submitted by partnering educator preparation programs
18 and local education providers, and developed as provided in ~~subsection~~
19 ~~(4)~~ SUBSECTION (2) of this section, and, subject to available
20 appropriations, award one-time grants to the partnering educator
21 preparation programs and local education providers. In awarding grants,
22 the department shall consider the quality of the initiative, the level of
23 difficulty demonstrated by the local education provider in attracting and
24 retaining educators, the likelihood that the initiative will assist the local
25 education provider in attracting and retaining educators to address
26 particular educator shortages, the likelihood that the initiative will
27 contribute to better student outcomes, and the provisions included for

1 continuing the initiative after the grant money is no longer available.

2 (4) [Formerly 23-1-120.9 (6)] (a) Each partnership that receives
3 a grant shall submit a report to the department concerning implementation
4 of the grant initiative, which must include at a minimum:

5 (I) A description of the strategies implemented using the grant
6 money;

7 (II) The number of educator candidates and newly licensed
8 educators served; and

9 (III) An evaluation of the success of the strategies in improving
10 the quality of preparation, meeting the needs of the partnering local
11 education provider, and improving the retention of educators by the
12 partnering local education provider, to the extent such information is
13 available.

14 (b) On or before November 1, 2020, the department shall prepare
15 and submit to the joint budget committee and the education committees
16 of the house of representatives and the senate, or any successor
17 committees, a report concerning the implementation of the collaborative
18 educator preparation grant program. The report must include a summary
19 of the information received from grant recipients pursuant to ~~subsection~~
20 ~~(6)(a)~~ SUBSECTION (4)(a) of this section and an evaluation of the effect of
21 the grant program in increasing educator quality and educator retention
22 and in reducing the educator shortage in the state.

23 (5) [Formerly 23-1-120.9 (7)] The general assembly shall
24 appropriate money for the 2018-19 fiscal year to implement this section.
25 Any unexpended and unencumbered money from the appropriation made
26 for the purposes of this section remains available for expenditure by the
27 department for the purposes of this section in the 2019-20 fiscal year

1 without further appropriation.

2 **23-78-204. [Formerly 23-1-120.9 (8)] Repeal of part.** This
3 ~~section~~ PART 2 is repealed, effective July 1, 2021.

4 PART 3

5 TEACHING FELLOWSHIP PROGRAMS

6 **23-78-301. [Formerly 23-3.9-201] Short title.** The short title of
7 this ~~part 2~~ PART 3 is the "Rural Colorado Grow Your Own Educator Act".

8 **23-78-302. [Formerly 23-3.9-202] Legislative declaration.**

9 (1) The general assembly finds that:

10 (a) A shortage in the availability of teachers to fill teaching
11 positions in rural local education providers is causing a significant
12 hardship for rural local education providers;

13 (b) The shortage is due, in part, to the high rate of turnover of
14 teachers entering and leaving the profession. Following graduation and
15 initial employment, a high percentage of teachers leave the profession
16 within five years.

17 (c) The shortage in some rural local education providers also
18 arises because teachers, after teaching in the rural local education
19 provider for a few years, choose to relocate to a more urban area or to an
20 area with a lower cost of living;

21 (d) A program through which a rural local education provider and
22 an institution of higher education enter into an agreement to provide a
23 teaching fellowship in the rural local education provider for selected
24 teacher candidates in their final year of an approved educator preparation
25 program, which leads to employment by the rural local education provider
26 upon graduation, will help to ensure that teachers are well prepared to
27 meet the rural local education provider's needs and expectations, have met

1 specific competencies the rural local education provider identified as
2 being necessary, and are acclimated into the rural local education provider
3 upon hiring. A teacher who receives this level of specific preparation for
4 employment with a specific employer is more likely to remain in the
5 profession and thereby help to reduce the teacher shortage.

6 (e) In selecting teacher candidates to participate in a teaching
7 fellowship program, a rural local education provider and an institution of
8 higher education should give preference to applicants who resided within
9 the area surrounding the rural local education provider before attending
10 a higher education institution and are seeking the opportunity to return to
11 the local education provider as a teacher.

12 **23-78-303. [Formerly 23-3.9-203] Definitions.** As used in this
13 ~~part 2~~ PART 3, unless the context otherwise requires:

14 (1) "Agreement" means a teaching fellowship program agreement
15 as described in ~~section 23-3.9-205~~ SECTION 23-78-305.

17 meaning as provided in section 23-1-121.

18 (3) "Eligible student" means an in-state student, as defined in

20 educator preparation program at an institution of higher education.

21 (4) "Institution of higher education" or "institution" means:

22 (a) A state institution of higher education, as defined in section
23 23-18-102;

24 (b) A local district college that offers an approved educator
25 preparation program; or

26 (c) A private college or university, as defined in section 23-2-102,
27 that is authorized pursuant to article 2 of this title 23 and offers an

1 approved educator preparation program.

2 (5) "Rural charter school" means a charter school that is
3 authorized by a rural school district pursuant to part 1 of article 30.5 of
4 title 22 or an institute charter school that is authorized by the state charter
5 school institute pursuant to part 5 of article 30.5 of title 22 and is located
6 within a rural school district.

7 (6) "Rural local education provider" means a rural school district,
8 a rural charter school, or a board of cooperative services that operates a
9 public school that is located within a rural school district.

10 (7) "Rural school district" means a school district in Colorado that
11 the department of education determines is rural, based on the geographic
12 size of the school district and the distance of the school district from the
13 nearest large, urbanized area.

14 (8) "Stipend" means a teaching fellowship stipend distributed to
15 a teaching fellow as state-based financial aid as provided in ~~section~~

6 **23-78-305. [Formerly 23-3.9-205] Teaching fellowship program**
7 **- agreements - requirements - report.** (1) The governing board of a
8 rural local education provider may enter into an agreement with an
9 institution of higher education to create a teaching fellowship program if
10 the rural local education provider:

11 (a) Is located within one of the geographic areas, or is seeking to
12 fill a teaching position in one of the subjects, identified by the department
13 of education pursuant to ~~section 23-3.9-204~~ SECTION 23-78-304;

14 (b) Demonstrates a serious, chronic difficulty in hiring or
15 retaining teachers; and

16 (c) Demonstrates a level of financial need that makes payment of

19 (2) At a minimum, each agreement must describe the roles and
20 expectations of the rural local education provider and the institution of

27 must include:

5 over the course of the fellowship year, which the rural local education
6 provider and the institution of higher education use, in part, for
7 determining whether the eligible student is well-matched with the rural
8 local education provider;

9 (II) Joint selection by the rural local education provider and the
10 institution of higher education of each teaching fellow and any criteria,
11 in addition to that identified in subsection (2)(a)(I) of this section, that

13 provider and the institution may give priority to an applying eligible
14 student who resided within the area surrounding the rural local education
15 provider before attending the institution and seeks to return to the rural
16 local education provider as a teacher.

17 (III) Identification of the competencies that each teaching fellow
18 is expected to master by the completion of the fellowship year, which are
19 in addition to the teacher quality standards adopted by the state board of
20 education pursuant to section 22-2-109 and reflect the unique needs of the
21 rural local education provider;

22 (IV) Explanation of how the rural local education provider and the
23 institution of higher education will support the teaching fellow in
24 mastering the identified competencies;

25 (V) Assignment by the rural local education provider of an
26 experienced, nonprobationary teacher who has received a highly effective

2 teacher for the teaching fellow; and

3 (VI) Inclusion of the teaching fellow in the range of activities
4 expected of the teachers employed by the rural local education provider,

6 rural local education provider's new teacher induction program;

7 (b) The commitment of the rural local education provider to
8 extend an offer of employment to each teaching fellow who successfully
9 completes the fellowship year, as determined by the rural local education
10 provider based on the teaching fellow's mastery of the competencies,
11 satisfactory completion of assigned duties, completion of graduation
12 requirements, and attainment of an initial teacher license as provided in
13 article 60.5 of title 22;

14 (c) The commitment of the institution of higher education to:

24 (d) The acknowledgment of the rural local education provider and
25 the institution of higher education that either party may cancel the
26 agreement at any time for any reason. The agreement must specify the
27 responsibilities of each party if either cancels the agreement, including at

1 a minimum the responsibilities owed to a teaching fellow if the agreement
2 is cancelled during his or her fellowship year.

7 must commit to at least two full school years of employment by the rural
8 local education provider following completion of the fellowship year if
9 the teaching fellow receives an offer of employment from the rural local
10 education provider for each of the two school years. A teaching fellow
11 who receives offers of employment for both school years and does not
12 complete the two full school years of employment must repay the amount
13 received as a stipend during the fellowship year.

14 (4) A rural local education provider that is located within one of
15 the geographic areas, or that is seeking to fill a teaching position in one
16 of the subjects, identified by the department of education pursuant to

18 agreement as appropriate.

19 (6) An institution of higher education that enters into an
20 agreement shall file the finalized agreement, notices of renewal of the
21 agreement, any modifications to the agreement, documentation of the
22 participating rural local education provider's chronic hiring difficulty and
