40	Department of Human Services, Office of Self Sufficiency, Colorado Works Program, County Block Grants -- The Department may comply with the provisions of Section 26-2-714 (10), C.R.S., by reducing required county Temporary Assistance for Needy Families (TANF) maintenance of effort expenditures in the fiscal year after the State is notified that it has met federal work participation rates and qualifies for a percent reduction in the state's maintenance of effort. If the State is notified during state FY 2019-20 that it has met federal work participation rates for a prior year and therefore qualifies for a percent reduction in the state's maintenance of effort, local cash funds expenditure obligations that are established in this line item pursuant to Section 26-2-714 (6) (c) (I), C.R.S., shall be reduced by \$5,524,726.					
41	Department of Human Services, Office of Self Sufficiency, Special Purpose Welfare Programs, Food Distribution Program -- Of this amount, it is the General Assembly's intent that \$100,000 General Fund go to a Colorado-based community foundation as part of the department's responsibilities under Section 26-1-121, C.R.S., to distribute funds to requesting food pantries and food banks, not to exceed \$50,000 per entity per year, such funds to be used for the purchase of Colorado grown foods that meet the Colorado Proud definition and any associated costs, such as transportation and cold storage. This amount is calculated based on the assumption that the Colorado-based community foundation will receive up to 5.0 percent of the total allocation for costs associated with program administration and that entities receiving funds will use no more than 10.0 percent of these funds for indirect costs associated with the purchase of Colorado grown foods including, but not limited to, transportation, refrigeration, and storage.					
<u>42</u>	Department of Human Services, Office of Behavioral Health, Community-based Mental Health Services; Substance Use Treatment and Prevention Services; and Integrated Behavioral Health Services -- It is the General Assembly's intent that a 2.0 percent increase in community-based provider workforce salaries be passed through in its entirety to Community Mental Health Centers and other mental health and substance use disorder providers, excluding hospitals and Federally Qualified Health Centers. The Department of Human Services is expected to increase rates or contractual budgets for Community Mental Health Centers and other mental health and substance use disorder providers impacted by the policy to reflect the entire 2.0 percent workforce salary increase.					
43	Department of Human Services, Office of Behavioral Health, Community-based Mental Health Services, Assertive Community Treatment Programs and Other Alternatives to the Mental Health Institutes -- It is the General Assembly's intent that \$517,200 of this General Fund appropriation be allocated to a community mental health center in western Colorado for the purpose of providing behavioral health services for individuals who seek care from the emergency department of a regional medical center and who are diagnosed with physical health conditions that may be exacerbated by co-occurring mental health conditions.					
44	Department of Human Services, Office of Behavioral Health, Integrated Behavioral Health Services, Circle Program and Other Rural Treatment Programs for People with Co-occurring Disorders -- It is the General Assembly's intent that this appropriation be used to: support the community-based Circle Program; support the provision of a full continuum of co-occurring behavioral health treatment services in southern Colorado and the Arkansas Valley; and expand access to residential treatment services in one or more rural areas of Colorado for individuals with co-occurring mental health and substance use disorders. It is also the General Assembly's intent that the appropriation may be used to provide services and to cover initial expenses necessary to establish, license, and begin operating one or more programs that provide these services, such as building renovations, furnishing, and equipment.
