Amendment	Description
J.001	Staff-prepared appropriation amendment

**Current Appropriations Clause in Bill**

The bill requires but does not contain an appropriation clause.

**Description of Amendments in This Packet**

**J.001** Staff has prepared amendment **J.001** (attached) to add a provision appropriating a total of \$145,167 General Fund to the Department of Public Health and Environment for FY 2019-20. This provision also states that the appropriation is based on the assumption that the Department will require an additional 1.6 FTE to implement the act.

**Points to Consider**

*General Fund Impact*

The Joint Budget Committee has proposed a budget package for FY 2019-20 based on the March 2019 Legislative Council Staff revenue forecast. The budget package leaves approximately \$65.2 million General Fund unallocated. Thus, the General Assembly could appropriate up to \$60.8 million General Fund to fund 2019 legislation and maintain a 7.25 percent General Fund reserve. This bill

**HB19-1122****JBC Staff Analysis**

requires a General Fund appropriation of \$145,167 for FY 2019-20, reducing the excess General Fund reserve by \$155,692.
