100 Department of Public Safety, Division of Criminal Justice, Community Corrections, Correctional Treatment Cash Fund Residential Placements -- This appropriation includes funding for 48 condition-of-probation placements at rates corresponding to those in footnote 99.

100a Department of Public Safety, Division of Criminal Justice, Community Corrections, Subsistence Payment -- It is the General Assembly's intent this appropriation be used to pay the \$17.00 per day subsistence payment to community corrections providers on behalf of the client for the first ten days of residence or until the client receives their first paycheck, whichever comes first.

- 101 Department of Public Safety, Division of Criminal Justice, Community Corrections, Community Corrections Facility Payments -- The amount of the appropriation assumes that the Department will make lower facility payments to programs that have lower costs due to case management staffing shortfalls or security and case management salary shortfalls relative to the staffing and salary model upon which the appropriation is based. Because per diem rates are unchanged for FY 2018-19, these appropriations further assume that salary and staffing levels deemed adequate for FY 2017-18 will be deemed adequate for FY 2018-19 and that community corrections facilities with an average of 32 or more security FTE will receive a second facility payment.

SECTION 2. Safety clause. The general assembly hereby finds, determines, and declares that this act is necessary for the immediate preservation of the public peace, health, and safety.

Approved: February 28, 2019
