Bill Summary

*(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at <http://leg.colorado.gov>.)*

Under existing law, there is a presumptive range of fines for traffic misdemeanors and traffic infractions (traffic offenses) and there are specified fines and surcharges for certain traffic offenses.

Shading denotes HOUSE amendment. Double underlining denotes SENATE amendment.  
Capital letters or bold & italic numbers indicate new material to be added to existing statute.  
Dashes through the words indicate deletions from existing statute.

The bill increases the presumptive ranges of fines for traffic offenses and increases specified fines and surcharges for certain traffic offenses. The bill requires that 25% of the fine collected for a traffic misdemeanor and 50% of the fine collected for a traffic infraction be transmitted to the county in which the violation occurs. Counties are permitted to use the money for traffic safety improvements, traffic enforcement, prosecution of traffic violations, or any other use consistent with the state constitution.

Under existing law, driving without a valid driver's license or instruction permit or driving a vehicle for which a person has not been issued the correct type or class of license is a class 2 traffic misdemeanor. The bill reclassifies those offenses as class A traffic infractions.

Under existing law, operating or permitting the operation of a motor vehicle or low-power scooter without an insurance policy in effect or failing to present evidence of insurance following an accident or when asked to do so by a peace officer is a class 1 traffic misdemeanor. The bill reclassifies a first violation of each of those offenses as a class A traffic infraction punishable by a \$500 fine. A court must reduce the fine to \$250 upon a showing that the person has appropriate insurance. A second or subsequent violation within 5 years remains a class 1 traffic misdemeanor and is punishable by a \$1,000 fine that may not be reduced by the court.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly  
3 finds and declares that:

4 (a) Counties maintain the facilities necessary to enforce traffic  
5 laws;

6 (b) Traffic law enforcement activities lead to enforcement of other  
7 laws, including prohibitions on drug possession, drug trafficking, and  
8 human trafficking;

9 (c) Money collected as part of traffic law enforcement is used, in  
10 part, to support crime victims and provide victim and witness assistance  
11 services;

12 (d) Colorado's population growth has resulted in more people  
13 traveling on Colorado roads, more traffic violations being committed by

1 drivers, and an increase in court resources needed to process traffic  
2 violations and crimes; and

3 (e) Traffic fines and surcharges, and the disposition of those fines  
4 and surcharges, are at levels that do not account for inflationary impacts  
5 and do not allow counties to enforce traffic laws and provide services at  
6 a level necessitated by the rise in population.

7 (2) Therefore, penalties for traffic offenses should be increased  
8 and the money generated from the increased penalties should be directed  
9 to the county in which the violation occurred and used to improve traffic  
10 safety; ensure compliance with traffic regulations; and enforce, process,  
11 and prosecute traffic offenses.
