communities regarding emergency shelter and food, as well as human services programs.

The bill requires the department of human services (department) to award an annual grant of \$200,000 to the Colorado 2-1-1 collaborative for human services referral services and specifies the purposes for which the Colorado 2-1-1 collaborative and human services referral service provider may use the grant money.

The bill requires the Colorado 2-1-1 collaborative to provide one or more specific duties described in the bill. Human services referral services include, in part, providing statewide referral services; enabling referrals through telephone, text, chat, and e-mail; providing trained professionals to perform problem assessments and service navigation; and providing information regarding vital services, such as food and shelter.

The bill requires annual reporting by the department to certain committees of the general assembly.

The bill includes an appropriation to the department of \$200,000 for the 2020-21 state fiscal year for the Colorado 2-1-1 collaborative.

1 *Be it enacted by the General Assembly of the State of Colorado:*

2 **SECTION 1. Legislative declaration.** (1) The general assembly
3 hereby finds that:

4 (a) On March 27, 2020, the federal government enacted the
5 "CARES Act", Pub.L. 116-136, 134 Stat. 281 (2020), from which
6 Colorado received approximately \$1,674,000,000 from the federal
7 coronavirus relief fund to use for necessary expenditures incurred due to
8 the current COVID-19 public health emergency;

9 (b) On May 18, 2020, the Colorado governor issued Executive
10 Order 2020 D 070, transferring \$70,000,000 from the state "CARES Act"
11 fund to the state general fund for eligible expenditures;

12 (c) The expenditure in the bill is considered an allowable use
13 under the federal "CARES Act" and is necessary to respond to the
14 COVID-19 public health emergency; and

15 (d) The expenditure in the bill was not accounted for in the
16 Colorado state budget most recently approved as of March 27, 2020, and

1 all of the expenses will be incurred on or before December 30, 2020.

2 (2) The general assembly further finds that in the wake of the
3 COVID-19 pandemic more individuals than ever before are in need of
4 referrals to and assistance from health and human services for basic needs
5 along with supports associated with COVID-19, which include but are not
6 limited to referrals regarding equity, access, or discrimination concerning
7 employment and health access, as well as information on COVID-19 test
8 site locations.

9 (3) The Colorado 2-1-1 collaborative currently operates call
10 centers within the state as the human services referral services provider
11 and is in the best position to offer the necessary additional referral and
12 intake services to respond to the COVID-19 public health crisis.

17 **29-11-201. Legislative declaration.** The general assembly hereby
18 finds and declares that obtaining access to appropriate community-based

22 need to promote effective access to human services, the federal
23 communications commission reserved the three-digit telephone number

3 service is dedicated to providing individuals and families with referral
4 information to obtain nonemergency services such as food assistance,
5 shelter, job assistance, and low-cost health care, for those in need. Due to
6 the importance of the human services referral system and the need to
7 assure that this system is enabled in all areas of the state of Colorado, the

13 context otherwise requires:

15 the public utilities commission to establish the provision of human
16 services referral services in the state of Colorado.
