- 23 Department of Higher Education, Colorado Commission on Higher Education, Special Purpose, Tuition/Enrollment Contingency -- The Colorado Commission on Higher Education may transfer spending authority from this line item to the Governing Boards in the event that tuition revenues increase beyond appropriated levels. The spending authority for this line item is in addition to the funds appropriated directly to the Governing Boards. It is the General Assembly's intent that the Colorado Commission on Higher Education transfer spending authority from this line item to allow institutions to receive and expend tuition revenue beyond appropriated levels that results from higher than expected enrollment and not to support tuition increases that exceed the assumptions outlined in the footnotes for each governing board.
- 24 Department of Higher Education, Colorado Commission on Higher Education Financial Aid, Work Study - Two percent of the Work Study appropriation remains available for expenditure until the close of the 2020-21 state fiscal year.
- 25 Department of Higher Education, Governing Boards, Trustees of Adams State University, Trustees of Colorado Mesa University, Trustees of Western State Colorado University, Board of Governors of the Colorado State University System, Trustees of Fort Lewis College, Regents of the University of Colorado, University of Northern Colorado, State Board for Community Colleges and Occupational Education State System Community Colleges - The amounts in these line items are calculated based on the assumption that no undergraduate student with in-state classification will pay more tuition in FY 2019-20 than what a student would have paid in FY 2018-19 for the same credit hours and course of study. These amounts are also calculated based on the assumption that each governing board will increase tuition rates for graduate and nonresident students based on its assessment of market conditions. The General Assembly intends to adjust the amounts in these line items through supplemental action during fiscal year 2019-20 based on updated enrollment estimates and tuition rate information.
- 26 Department of Higher Education, Governing Boards, Trustees of Metropolitan State University of Denver -- The amount in this line item is calculated based on the assumption that no undergraduate student with in-state classification will pay more tuition in FY 2019-20 than three percent over what a student would

have paid in FY 2018-19 for the same credit hours and course of study, except that the increase for students taking more than twelve credit hours per semester may exceed this due to an anticipated change to a linear tuition structure. This amount is also calculated based on the assumption that the governing board will increase tuition rates for graduate and nonresident students based on its assessment of market conditions. The General Assembly intends to adjust the amount in this line item through supplemental action during fiscal year 2019-20 based on updated enrollment estimates and tuition rate information.

- 26b Department of Higher Education, Governing Boards, Regents of the University of Colorado -- It is the intent of the General Assembly that \$1,000,000 reappropriated funds from the FY 2019-20 increase provided to the Regents of the University of Colorado for fee-for-service contracts for specialty education programs be used for scholarships for underrepresented minority students attending the University of Colorado School of Medicine.
- 27 Department of Higher Education, Governing Boards, Trustees of the Colorado School of Mines -- The cash funds appropriation from tuition in this line item is for informational purposes only. Pursuant to the provisions of 23-41-104.6 (5)(c), C.R.S., the Board of Trustees has authority to establish resident and non-resident tuition rates for the Colorado School of Mines. The General Assembly intends to adjust the amount in this line item through supplemental action during fiscal year 2019-20 based on updated enrollment estimates and tuition rate information.
- 28 Department of Higher Education, History Colorado, Central Administration; History Colorado Museums; and Office of Archeology and Historic Preservation -- History Colorado may transfer up to 10.0 percent of the total amount appropriated in these sections between the sections and among the line items within the sections.
- 29 Department of Higher Education, History Colorado, Cumbres and Toltec Railroad Commission --The amount in this line item is calculated based on the following assumptions: (1) This line item includes \$218,500 for annual Commission operating expenses and other routine ongoing costs including controlled maintenance; (2) the balance of this appropriation is for capital projects including locomotive boiler repair, passenger car upgrades, and track, bridge, and tunnel upgrades; and (3) amounts above the \$218,500 ongoing operating support are based on an analysis of the Railroad's capital outlay needs over a three year period and are not assumed to continue after FY 2021-22. Amounts in this line item for capital projects remain available for expenditure until the close of the 2020-21 state fiscal year.

**SECTION 2. Appropriation to the department of higher education for the fiscal year beginning July 1, 2019.** In Session Laws of Colorado 2019, **add a new appropriation** as section 3 to chapter 162, (HB 19-1196), as follows:

To implement this act, the commission may use this appropriation for a financial aid assessment tool. If not expended prior to July 1, 2020, \$200,000 appropriated in this section is further appropriated to the department for the 2020-21 state fiscal year for the same purpose.
