SECTION 1. In Colorado Revised Statutes, 40-15-601, amend (1), (2), (4)(b), (5) introductory portion, (5)(b), and (8); and add (5.7) and (6.5) as follows:

40-15-601. Definitions. As used in this part 6, unless the context otherwise requires:

SECTION 2. In Colorado Revised Statutes, 40-15-602, amend (1) introductory portion, (2)(a), (2)(b)(I) introductory portion, (2)(b)(I)(A), (2)(b)(II), (2)(b)(IV)(B), (2)(b)(VI), (2)(b)(VII), (3), (4), and (5) as follows:

40-15-602. Electric easements - commercial broadband service - broadband affiliates - notice required. (1) With regard to real
property subject to an electric easement, if an electric utility OR
GENERATION AND TRANSMISSION COOPERATIVE or any commercial
broadband supplier designated by the electric utility OR GENERATION AND
TRANSMISSION COOPERATIVE to act on its behalf OF THE ELECTRIC UTILITY
OR GENERATION AND TRANSMISSION COOPERATIVE complies with the
notice and filing requirements set forth in subsection (2) of this section,
the electric utility OR GENERATION AND TRANSMISSION COOPERATIVE
holding the electric easement may, subject to subsection (4) of this
section and without the consent of an interest holder in the real property
subject to the electric easement, take the following actions to the extent
not already permitted by the electric easement:

(2) (a) At least thirty days before first exercising its rights under
one or both of subsection (1)(a) or (1)(b) of this section with respect to an
electric easement or portion of an electric easement, an electric utility,
GENERATION AND TRANSMISSION COOPERATIVE, or its designated
commercial broadband supplier must send notice to each property owner
that holds an interest in the real property subject to the electric easement
and any other interest holder that has recorded a request for notice and
must record a memorandum in the office of the county clerk and recorder
in each county in which the electric utility OR GENERATION AND
TRANSMISSION COOPERATIVE is exercising its rights under subsection (1)
of this section. An electric utility, GENERATION AND TRANSMISSION
COOPERATIVE, or its designated commercial broadband supplier may only
commence exercising its rights under subsection (1) of this section upon
delivery of sufficient notice.

(b) A letter providing notice pursuant to this subsection (2) must:

(I) Be sent by certified mail from or on behalf of the electric
utility OR GENERATION AND TRANSMISSION COOPERATIVE to the property
owner and any interest holder that has recorded a request for notice at
each of the following, as applicable:

(A) The last-known address for the property owner based on the
electric utility's OR GENERATION AND TRANSMISSION COOPERATIVE's
records;

(II) Include the name, address, telephone number, and named
point of contact for the electric utility OR GENERATION AND TRANSMISSION
COOPERATIVE and, if delivered by a commercial broadband supplier
designated by the electric utility OR GENERATION AND TRANSMISSION
COOPERATIVE, the name, address, telephone number, and named point of
contact for the designated commercial broadband supplier;

(IV) Include:

(B) A copy of the language of subsection (1) of this section with
an indication of whether the electric utility OR GENERATION AND
TRANSMISSION COOPERATIVE is exercising rights under one or both of
subsection (1)(a) or (1)(b) of this section;

(VI) Include a statement regarding the right and obligation of the
electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or its
designated commercial broadband supplier to record a memorandum; and

(VII) Include a statement regarding the statute of limitations for
the interest holder to file a claim with respect to the electric utility's OR
GENERATION AND TRANSMISSION COOPERATIVE's exercise of rights.

(3) Upon exercise of the rights set forth in subsection (1) of this
section, the rights run with the land and are assignable by the electric
utility OR GENERATION AND TRANSMISSION COOPERATIVE.

(4) The terms and conditions of a written electric easement apply
to an electric utility's OR GENERATION AND TRANSMISSION COOPERATIVE’S
uses of the electric easement set forth in subsection (1) of this section,
except those terms and conditions that would prohibit the electric utility's
OR GENERATION AND TRANSMISSION COOPERATIVE'S exercise of rights
under subsection (1) of this section. A prohibition on aboveground
electric service infrastructure contained within a written electric easement
constitutes a prohibition on aboveground attached facilities. In connection
with the exercise of rights under subsection (1) of this section, an electric
utility, GENERATION AND TRANSMISSION COOPERATIVE, or its designated
commercial broadband supplier must comply with any notice
requirements contained in a written electric easement held by the electric
utility OR GENERATION AND TRANSMISSION COOPERATIVE related to
entering the real property subject to the electric easement or commencing
any construction or installation on the real property.

(5) Nothing in this part 6 requires an electric utility OR
GENERATION AND TRANSMISSION COOPERATIVE to comply with subsection
(2) of this section in order to take any action or exercise any rights under
an electric easement that are already permitted within the scope of the
electric easement. Unless expressly prohibited by the terms of an electric
easement, an electric easement will be deemed to allow an electric utility
OR GENERATION AND TRANSMISSION COOPERATIVE to install, maintain, or
own, or permit a third party to install, maintain, or own for beneficial use
by the electric utility OR GENERATION AND TRANSMISSION COOPERATIVE,
telecommunications facilities and equipment for use in connection with
the electric utility's OR GENERATION AND TRANSMISSION COOPERATIVE'S
provision of electricity.

Nothing in this subsection (2) prohibits an electric utility, and a GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier from contracting to allocate liability for actions taken under section 40-15-602 (2).

(3) If an interest holder brings a trespass claim, inverse condemnation claim, or any other claim or cause of action to which subsection (1)(a) of this section applies for an electric utility's, GENERATION AND TRANSMISSION COOPERATIVE's, or commercial broadband supplier's exercise of rights or performance of actions described in section 40-15-602 (1)(a) or (1)(b), the following applies to
the claim or cause of action:

(b) The interest holder must make reasonable accommodations for the electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier to perform an appraisal or inspection of the real property within ninety days following any written request for an appraisal or inspection. If an interest holder fails to make such accommodations, the electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier has no further liability to the interest holder. The electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier shall promptly provide to the interest holder a copy of any appraisal performed pursuant to this subsection (3)(b).

(c) Any damages for any claims or causes of action to which subsection (1)(a) of this section applies:

(I) Are limited to those damages that existed at the time that the electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier first exercised the rights or performed the actions; and

(d) With regard to a claim or cause of action to which subsection (1)(a) of this section applies:

(I) Except for an electric utility's, GENERATION AND TRANSMISSION COOPERATIVE's, or commercial broadband supplier's failure to comply with section 40-15-602 (2); negligence; or willful misconduct; or FAILURE TO ACT in accordance with the terms and conditions of a written electric easement as the terms and conditions apply in accordance with section 40-15-602 (4), AND, IN SUCH INSTANCES, ONLY TO THE EXTENT OTHERWISE ALLOWED BY LAW OR SPECIFIED BY THE TERMS AND
CONDITIONS OF THE WRITTEN ELECTRIC EASEMENT, an interest holder is not entitled to reimbursement from an electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier for the cost of any appraisal; attorney fees; or award for special, consequential, indirect, or punitive damages.

(II) For purposes of this subsection (3)(d), any action or failure to act by an electric utility, GENERATION AND TRANSMISSION COOPERATIVE, or commercial broadband supplier in furtherance of the electric utility's, GENERATION AND TRANSMISSION COOPERATIVE'S, or commercial broadband supplier's exercise of rights set forth in section 40-15-602 (1) shall not be deemed negligence or willful misconduct.

SECTION 4. In Colorado Revised Statutes, 38-4-103, amend (2) as follows:

38-4-103. Electric power companies. (2) An electric utility OR A GENERATION AND TRANSMISSION COOPERATIVE, as THOSE TERMS ARE defined in section 40-15-601, (6), exercising its rights under subsection (1) of this section may, in accordance with part 6 of article 15 of title 40:

(b) Exercise any rights available to the electric utility OR GENERATION AND TRANSMISSION COOPERATIVE under part 6 of article 15 of title 40 in connection with the installation.

SECTION 5. Act subject to petition - effective date - applicability. (1) This act takes effect at 12:01 a.m. on the day following the expiration of the ninety-day period after final adjournment of the general assembly (August 5, 2020, if adjournment sine die is on May 6, 2020); except that, if a referendum petition is filed pursuant to section 1
(3) of article V of the state constitution against this act or an item, section, or part of this act within such period, then the act, item, section, or part will not take effect unless approved by the people at the general election to be held in November 2020 and, in such case, will take effect on the date of the official declaration of the vote thereon by the governor.

(2) This act applies to conduct occurring on or after the applicable effective date of this act.
