governing bodies. Current law imposes a statutory cap on the amount of the emergency telephone charge that may be imposed by local governing bodies. The bill allows the public utilities commission (commission) to establish the authorized threshold amount for the charge on an annual basis. A local governing body may impose the charge in an amount up to the authorized threshold. If a governing body determines it needs to impose a higher charge to fund 911 operations in its jurisdiction, it must seek the approval of the commission.

The bill amends the procedures for the collection and remittance of the emergency telephone charge by telecommunication service suppliers. It provides procedures for local bodies to assess overdue or unpaid remittances, imposes a time limitation for local governing bodies to do so, and creates a process for the service supplier and local governing body to extend that time period. Local governing bodies may audit the collections of service suppliers, and may impose interest and penalties on late remittances.

A new 911 surcharge (surcharge) is established as a collection for local governing bodies. The amount of the surcharge is established each year by the commission based on the needs of the local governing bodies. Service suppliers must collect the surcharge from service users and remit the money to the commission. The commission is required to transmit the money collected to local governing bodies within 60 days, using a formula based on the number of concurrent sessions maintained in the governing bodies' jurisdictions.

The bill renames the prepaid wireless 911 charge and amends the amount of the charge. Under current law, the amount is set in statute. The bill requires the commission to establish the amount of the charge based on the average amount of the emergency telephone charges imposed by local governing bodies and the amount of the surcharge.

The bill amends the allowed uses of the money collected from the 3 charges and makes other conforming amendments.

Upgrades to wireless 911 service in unserved areas is added as an allowable use of the money allocated from the high cost support mechanism to broadband deployment. The broadband deployment board may award money to projects to allow wireless carriers to upgrade infrastructure, software, and technology to provide wireless 911 service in unserved areas.

2 **SECTION 1.** In Colorado Revised Statutes, **add** 29-11-100.2 as
3 follows:

4 **29-11-100.2. Legislative declaration.** (1) THE GENERAL

1 ASSEMBLY HEREBY FINDS AND DECLARES THAT DIALING 911 IS THE MOST
2 EFFECTIVE AND FAMILIAR WAY THE PUBLIC HAS OF SEEKING EMERGENCY
3 ASSISTANCE. BASIC EMERGENCY SERVICE AND PUBLIC SAFETY IS
4 FUNDAMENTALLY A GOVERNMENT CONCERN AND THE EXERCISE OF POLICE
5 POWERS FOR THE PROTECTION AND BETTERMENT OF THE HEALTH, SAFETY,
6 SECURITY, AND WELFARE OF THE PUBLIC. THIS PART 1 AS AMENDED BY
7 HOUSE BILL 20-1293, ENACTED IN 2020, IS INTENDED TO PROVIDE
8 FUNDING MECHANISMS FOR THE CONTINUED TECHNOLOGICAL
9 ADVANCEMENT OF EMERGENCY TELEPHONE SERVICE FOR ALL USERS OF
10 THE SYSTEM.

11 (2) THE GENERAL ASSEMBLY FURTHER FINDS AND DECLARES THAT:

12 (a) IN ORDER TO PROVIDE FOR THE FUTURE OF 911 TECHNOLOGY
13 ADVANCEMENT IN COLORADO, LOCAL FUNDING AND LOCAL CONTROL
14 MUST BE MAINTAINED, WHILE AT THE SAME TIME, ADDITIONAL FUNDING
15 FOR PROJECTS, PROGRAMS, AND SERVICES MUST ALSO BE PROVIDED. IT IS
16 THEREFORE THE INTENT OF THE GENERAL ASSEMBLY TO MAINTAIN AND
17 STRENGTHEN THE EXISTING LOCAL FUNDING STRUCTURE FOR EMERGENCY
18 TELEPHONE SERVICE IN THE STATE WHILE ALSO CREATING A NEW FUNDING
19 MECHANISM FOR LOCAL EXPENDITURES THAT WILL IMPROVE THE QUALITY
20 OF THE EMERGENCY TELEPHONE SERVICE STATEWIDE.

21 (b) NOTHING IN THIS PART 1 SHOULD BE CONSTRUED:

22 (I) TO ALTER THE METHOD OF REGULATION OR DEREGULATION OF
23 PROVIDERS OF TELECOMMUNICATIONS SERVICE AS SET FORTH IN ARTICLE
24 15 OF TITLE 40; AND

25 (II) TO IMPOSE A TAX. THE PRIMARY PURPOSE OF THE CHARGES
26 AND SURCHARGES AUTHORIZED IN THIS PART 1 IS TO DEFRAY THE
27 REASONABLE DIRECT AND INDIRECT COSTS OF PROVIDING EMERGENCY

1 TELEPHONE SERVICE. THE CHARGES AUTHORIZED IN THIS PART 1 DO NOT
2 RAISE REVENUE FOR THE GENERAL EXPENSES OF GOVERNMENT.

20 INCLUDING COSTS RELATED TO CONDUCTING AUDITS OF SERVICE
21 SUPPLIERS IN ACCORDANCE WITH SECTION 29-11-103 (7).
