101 CONCERNING MODIFICATIONS TO PARTY CANDIDATE DESIGNATION
102 REQUIREMENTS TO ACCOMMODATE PUBLIC HEALTH CONCERNS.

Bill Summary

(Note: This summary applies to this bill as introduced and does not reflect any amendments that may be subsequently adopted. If this bill passes third reading in the house of introduction, a bill summary that applies to the reengrossed version of this bill will be available at http://leg.colorado.gov.)

The bill extends various deadlines related to ballot access requirements in 2020 due to public health concerns. Parties may amend their bylaws as needed during 2020 to allow remote participation in assemblies and conventions and to fill vacancies. Delegates to assemblies may participate remotely if allowed by the party, and parties may reduce or waive any quorum requirements to allow assemblies to proceed.
Members of vacancy committees may participate in meetings remotely if allowed by the party, and parties may determine whether to allow proxies at vacancy committee meetings. The ability of the state chair to fill a vacancy is extended to situations in which the vacancy occurs because the designation was not filled by the assembly or the vacancy committee. The modifications are repealed effective December 31, 2020.

Be it enacted by the General Assembly of the State of Colorado:

SECTION 1. In Colorado Revised Statutes, 1-3-103, amend (9)(a); and add (9)(c) as follows:

1-3-103. Party committees - repeal. (9) (a) No later than ninety days after the organization of the state central committees of the major political parties in each odd-numbered year, each committee shall adopt in its bylaws or rules its general guidelines and regulations for all county party matters. Such bylaws or rules shall establish a procedure for the selection of delegates to any party assembly that is consistent with party practice. Any method under such procedure for choosing or allocating delegates in a county based on the number of votes cast at an election for a particular candidate shall be uniform among the counties so that all types of ballots are counted or not counted for purposes of determining the number of votes cast. Any county central committee may adopt its own rules in conformance with those of the state central committee. In the absence of county rules pertaining to specific items, the party's state central committee's guidelines and rules shall apply. Each state central committee shall file its party's bylaws or rules with the secretary of state no later than the first Monday in February in each even-numbered year and, if filed prior to that date, the bylaws or rules may be amended until that date. EXCEPT AS PROVIDED IN SUBSECTION (9)(c) OF THIS SECTION, no bylaw or rule may be filed or amended after the first Monday in February.
in each even-numbered year. Where the bylaws or rules are not filed in accordance with this section, the party's state central committee, as well as the party's county central committee, are subject to the code through the general election of the same year. Each state central committee shall compile and provide to the secretary of state information concerning the membership of the county central committees of the party in addition to the bylaws or rules of each county central committee.

(c) (I) Notwithstanding subsection (9)(a) of this section, due to public health concerns, a party may amend its bylaws as necessary in 2020 to provide for remote access to and participation in party assemblies and conventions and to fill vacancies. If a party amends its bylaws to allow remote access and participation, the bylaws must include provisions requiring the creation of a verifiable record of all remote access and participation.

(II) This subsection (9)(c) is repealed, effective December 31, 2020.

SECTION 2. In Colorado Revised Statutes, 1-4-601, amend (1) and (2) as follows:

1-4-601. Designation of candidates for primary election - repeal. (1) (a) Assemblies of the major political parties may make assembly designations of candidates for nomination on the primary election ballot. Except as provided in subsection (1)(b) of this section, an assembly shall be held no later than seventy-three days preceding the primary election.

(b) (I) Notwithstanding subsection (1)(a) of this section, due to public health concerns, for the 2020 primary election, a
PARTY ASSEMBLY SHALL BE HELD ON OR BEFORE APRIL 25, 2020.

(II) THIS SUBSECTION (1)(b) IS REPEALED, EFFECTIVE DECEMBER 31, 2020.

(2) (a) An assembly must take no more than two ballots for party candidates for each office to be filled at the next general election. Every candidate receiving thirty percent or more of the votes of all duly accredited assembly delegates who are present and voting on that office must be certified by affidavit of the presiding officer and secretary of the assembly. If no candidate receives thirty percent or more of the votes of all duly accredited assembly delegates who are present and voting, a second ballot must be cast on all the candidates for that office. If on the second ballot no candidate receives thirty percent or more of the votes cast, the two candidates receiving the highest number of votes must be certified as candidates for that office by the assembly. The certificate of designation by assembly must state the name of the office for which each person is a candidate and the candidate's name and address, must designate in not more than three words the name of the political party which the candidate represents, and must certify that the candidate has been a member of the political party for the period of time required by party rule or by subsection (4) of this section if the party has no such rule. The candidate's affiliation, as shown in the statewide voter registration system, is prima facie evidence of political party membership. The certificate of designation must indicate the order of the vote received at the assembly by candidates for each office, but no assembly shall declare that any one candidate has received the nomination of the assembly. The certificate of designation must be filed in accordance with section 1-4-604. If two or more candidates receiving designation under this
subsection (2) have received an equal number of votes, the order of certification of designation is determined by lot by the candidates. The assembly shall select a vacancy committee for vacancies in designation or nomination only.

(b) (I) NOTWITHSTANDING ANY REQUIREMENT IN SUBSECTION (2)(a) OF THIS SECTION TO THE CONTRARY, DUE TO PUBLIC HEALTH CONCERNS, IN ANY ASSEMBLY HELD IN 2020:

(A) A DELEGATE MAY PARTICIPATE IN THE ASSEMBLY REMOTELY, INCLUDING CASTING HIS OR HER VOTE BY E-MAIL, MAIL, TELEPHONE, OR THROUGH AN INTERNET-BASED APPLICATION IF ALLOWED BY THE PARTY;

(B) A PERSON MAY CARRY UP TO FIVE PROXIES, IF PROXIES ARE ALLOWED BY THE PARTY; AND

(C) IF THE PARTY HAS A REQUIREMENT FOR A QUORUM, THE PARTY MAY WAIVE OR REDUCE THE QUORUM REQUIREMENT IN ORDER TO ALLOW THE ASSEMBLY TO PROCEED.

If a political party holds its precinct caucuses on the first Tuesday in February in a year in which a presidential election will be held, the county assemblies of the political party shall be held not less than fifteen days nor more than fifty days after the precinct caucuses.

The county central committee or executive committee shall fix the
number of delegates from each precinct to participate in the county
assembly pursuant to the procedure for the selection of delegates
contained in the state party central committee's bylaws or rules. The
persons receiving the highest number of votes at the precinct caucus shall
be the delegates to the county assembly from the precinct. If two or more
candidates receive an equal number of votes for the last available place

the delegate shall be determined by lot by the candidates. Except as
