Summary of Legislation

Current law fixes the salaries for county commissioners, sheriffs, treasurers, assessors, clerks, coroners, and surveyors. These salary amounts are adjusted for inflation every two years. This bill permits an elected county officer to voluntarily receive a lesser salary. The officer may later choose to accept a higher salary, which amount may not exceed the statutory limit.

Local Government

When an elected county officer choose to accept a lower salary, county expenditures decrease for that particular personnel cost.

Effective Date

The bill was signed into law by the Governor on July 7, 2020, and it took effect September 14, 2020.
