Current Appropriations Clause in Bill
The bill requires but does not contain an appropriation clause.

Description of Amendments in This Packet
J.001 Staff has prepared amendment J.001 (attached) to add a provision appropriating a total of $13,347 cash funds from the Division of Insurance Cash Fund to the Department of
Regulatory Agencies for FY 2020-21. This provision also states that the appropriation is based on the assumption that the Department will require an additional 0.2 FTE.

**Points to Consider**

*General Fund Impact*

Beginning in FY 2020-21, the bill diverts an estimated $13,347 General Fund as a result of increased costs in the Division of Insurance. Tax revenues from premiums are credited to the General Fund when not used to cover costs associated with operating the division.
