	Update: Fiscal impact has changed due to <i>amendment adopted</i> after LCS Fiscal Note was prepared
	Non-Concurrence: JBC Staff and Legislative Council Staff disagree about the fiscal impact of the bill

The House Energy and Environment Committee Report (03/09/20) and the House Finance Committee Report (05/28/20) include amendments to the bill adjusting technical language, however, Legislative Council Staff and JBC Staff agree that the committee amendments do not change the fiscal impact of the bill. The House Appropriations Committee Report (06/03/20), as adopted by the House on Second Reading, amends the bill to include an appropriations clause.

While the Legislative Council Staff Fiscal Note dated January 31, 2020 identifies a TABOR impact based on the December 2019 Legislative Council Staff forecast, the updated forecast dated May 12, 2020 indicates that a TABOR refund will not occur.
