funds from the Wanderer Recovery Program Cash Fund to the Colorado Bureau of Investigation in FY 2020-21. The provision also states that the appropriation is based on the assumption that the Department will require an additional 0.2 FTE.

Points to Consider

General Fund Impact

The Joint Budget Committee has proposed a budget package for FY 2020-21 based on the following:

- the May 12, 2020, Office of State Planning and Budgeting revenue forecast;
- a school finance bill placeholder for a reduction of \$723.8 million General Fund;
- a placeholder for the reduction of \$202.0 million General Fund through one or more non-JBC package bills; and
- an adjusted statutory General Fund reserve percentage of 3.84 percent equal to \$402.0 million.

This bill requires a General Fund appropriation of \$279,561 for FY 2020-21, thereby decreasing the proposed fiscal year-end General Fund reserve or increasing the proposed placeholder reductions by the same amount.
