## Summary of Legislation

Under current law, the Building Excellent Schools Today (BEST) program uses established guidelines to consider when reviewing applications for grant funding from the public school capital construction assistance fund. The bill adds consulting with the local electric utility on beneficial electrification and distributed generation opportunities to the guidelines.

## Assessment of No Fiscal Impact

This bill makes no changes to the BEST program's annual funding or basic operations. The bill expands the criteria used to evaluate applications and award grants. These changes do not increase workload or expenditures for the program. For these reasons, the bill is assessed as having no fiscal impact.

## Effective Date

The bill was signed into law by the Governor on July 2, 2020, and took effect September 14, 2020.
