Prime Sponsors:	Sen. Tate Rep. Landgraf	Bill Status:	Postponed Indefinitely
		Fiscal Analyst:	Erin Reynolds 303-866-4146 Erin.Reynolds@state.co.us

Bill Topic: **IMMUNITY FOR SMALL BUSINESSES DURING COVID-19**

Summary of Fiscal Impact: **No fiscal impact.** This bill would have granted civil immunity to small businesses acting in good faith to comply with public health guidelines from any COVID-19 related suit. It was assessed as having no fiscal impact.

Appropriation Summary: No appropriation was required.

Fiscal Note Status: This fiscal note reflects the introduced bill. This bill was not enacted into law; therefore, the impacts identified in this analysis do not take effect.

Summary of Legislation

This bill grants civil immunity to small businesses (defined as non-profit or for-profit business with fewer than 50 employees) for any act or omission that results in exposure, loss, damage, injury, or death arising from COVID-19 if the small business attempts in good faith to comply with all applicable state and local guidelines. The bill repeals two years after the Governor terminates the state of disaster emergency declared on March 11, 2020.

Assumptions and Assessment of No Fiscal Impact

Immunity for civil liability is not construed to include immunity from workers' compensation claims. Further, while state trial courts review civil cases, it is assumed that the bill will create only a minimal potential reduction in potential cases. As a result, the fiscal note assumes the bill will have no fiscal impact on state or local governments.

Effective Date

The bill was postponed indefinitely by the Senate Finance Committee on November 30, 2020.
